

# Create smart learning environments with innovative Ergotron platforms

A 21st century campus  
doesn't have to  
break the budget

**JUST  
STAND  
.ORG**

**PowerShuttle™ (PS) Laptop Carts** 

Buying the right laptops is only one piece of the puzzle. Securely storing, deploying and managing those important assets while making it easy for staff is equally important.

This universal designed cart charges and manages software on up to 20 devices (works with laptops, netbooks, and tablets).

PowerShuttle Load Sensing Technology smartly distributes power to the laptops that need charging the most.

- 24-296-085 AU/NZ

- Efficient charging system uses Ergotron's innovative PowerShuttle Technology (patent pending) to automatically optimize total charge time for up to 20 laptops or mobile devices
- Open-architecture design works with laptops, netbooks and tablets with displays up to 15.6"
- Rugged steel frame construction, steel front and rear doors, and molded fire-rated ABS exterior withstands heavy use of classroom settings
- Robust key and lock assembly keeps devices secure
- Lightweight, up to 49% smaller than competitive product. This compact cart design makes it easy to safely move from room to room

<b>Form Factor</b>	Tablet eReader Laptop Netbook Ultrabook
<b>Function</b>	Device management & charging Charge only
<b>Charging Method</b>	USB AC

See "Tablet Management: Sync & Take Charge" movies.ergotron.com

- ① Easy one-time setup: clean, neat cable management drawer. Secure drawer is separate from tablet compartment, limiting student access
- ② Syncs and charges up to 48 iPads
- ③ Auxiliary electrical outlet/USB plug: position Macbook or PC on top of cart and plug in for syncing capability
- ④ Includes 12' (3,8 m) power cord with external cord wrap

### Tablet Management For iPads

Universal design accommodates iPads and many tablets with a 10" display or smaller which charge via USB. Check with Ergotron for compatibility with specific devices.

### PowerShuttle™ (PS) Tablet Charging Cart, AC

This cart's universal interface charges up to 30 tablets and Ultrabooks™ using the products' AC adapters. PowerShuttle Technology optimizes total charge time while safely preventing electrical circuit overload by efficiently grouping the number of devices that are charged at one time. Works in any environment, including education, healthcare and enterprise applications.

Mobile Digital Workspace recommended accessories:  
 Laptop Kit 97-585  
 LCD Kit 97-586 (includes Universal CPU holder)  
 Projector Shelf 97-598-055  
 Storage Bin 97-608

## Teachwell® Mobile Digital Workspace (MDW)

This compact technology hub consolidates laptop or LCD/CPU, keyboard and mouse, portable document camera, DVD player, projection device, and more on to one stable platform. Untether from a desk or podium and move to deliver collaborative curriculum.

TeachWell easily rolls through aisles, doors and cramped media areas. The height-adjustment platform moves to change from a sitting to a standing position whenever you want.

24-220-055 graphite grey

### Dependable technology

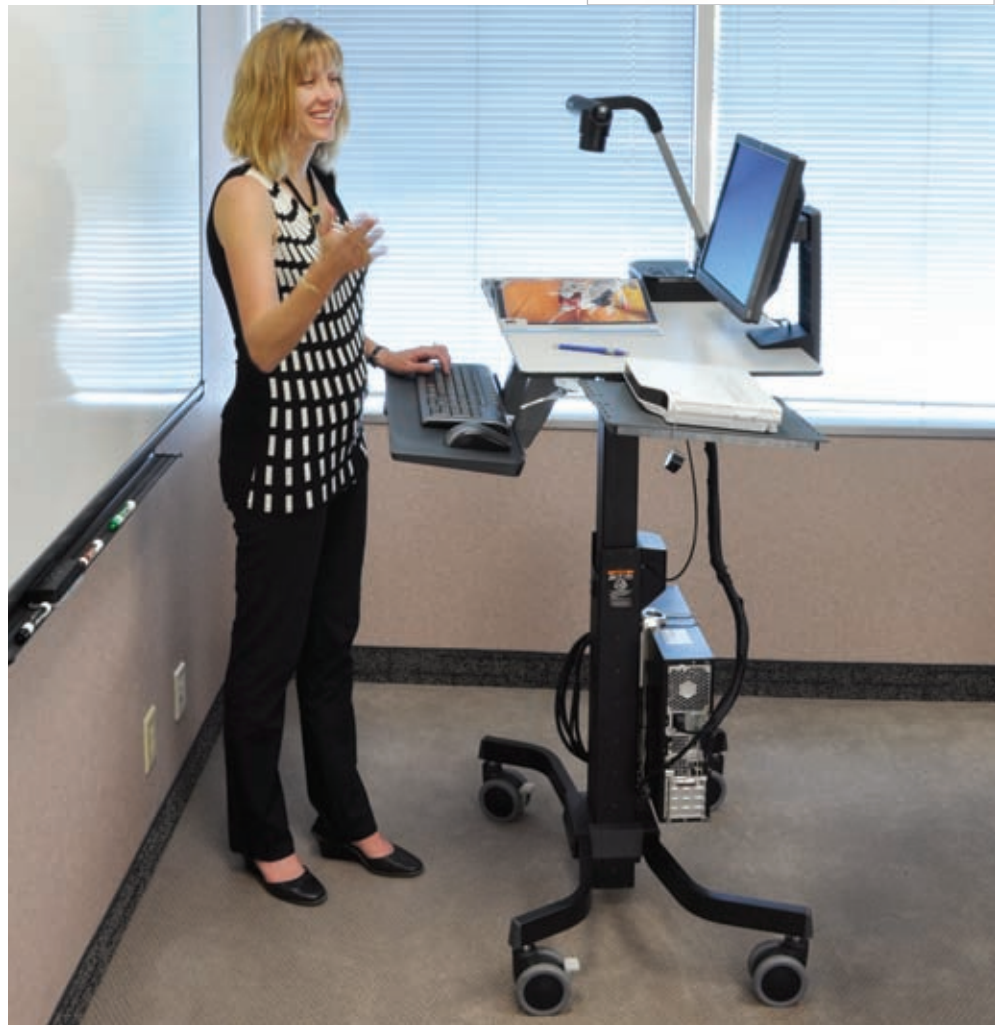

- Large worksurface allows extra space for books, notes, or a writing surface. Includes holes to securely mount many major document camera models. Contact Ergotron for detailed information on compatible document camera models
- Telescoping lift engine provides height adjustability without blocking the line of sight to the students

Cable Management Box provides storage area for one standard six-outlet power strip, two power bricks, and the associated cables

Patented Constant Force technology provides fluid adjustments of keyboard and laptop positions for personalized computing or viewing; work standing or sitting. Lift range: worksurface/keyboard tray adjusts 20" (51 cm) in tandem

Mobile Digital Platform recommended accessories:

- ① Locking Drawer 97-516-053
- ② Large Utility Shelf 97-540-053  
(recommended for mounting projector)
- Power Strip 97-711  
(available in North America only)
- Power Strip Mounting Kit 60-590

### Neo-Flex® All-In-One Lift Stands

Transport a workstation anywhere using the integrated handle—then lock it up at night

- 33-326-085** black
  - Secure Clamp (SC)**
  - 33-338-085** black
- Keyboard and mouse not included

### Neo-Flex Projector Ceiling Mount

Universal mounting pattern fits projectors with most hole patterns

- 60-623** black

### TeachWell Mobile Digital Platform (MDP)

Assembles all the technology tools needed on one small platform; no fumbling with cords, cables and connections. Choose either the TeachWell LCD or Laptop model
