Product Description

When you're traveling for business, the SecureTrek 17" Laptop Overnight Roller not only protects your laptop from damage, it offers an anti-theft security system. Safeguard your bag's contents by clicking the hammerhead zipper pulls into the patent-pending SecureTrek Lock Base, then add a Kensington Lock to secure the backpack to a fixed object. Or you can use a TSA-approved lock when flying. Protected by durable Poly Twill material, your laptop and tablet stow in padded compartments and are shielded by an anti-puncture zipper. There's ample space to organize all your stuff, including clothing for an overnight trip, while meeting all airlines' carry-on size limits.

Features

- SecureTrek Lock Base lets you click in hammerhead zipper pulls to deter theft attempts and unauthorized access into your bag
- 10-year limited warranty
- Kensington Portable Laptop Lock (sold separately) secures bag to a fixed object
- Anti-puncture zipper for device compartment resists intrusion by sharp object
- Lock Loop ideal for a TSA-approved travel lock when checking bag at airport
- Dimensions meet airlines' carry-on guidelines for stowing in an overhead bin
- Padded device compartments hold up to 17" laptop and 10" tablet
- Workstation pocket organizes all your chargers, pens, business cards, keys and more
- Ample space for clothing, files and personal items
- 840D Poly Twill outer material
