#### SPECIFICATIONS ARE SUBJECT TO CHANGE WITHOUT NOTICE. ALL VIEWSCREEN AND OUTPUT IMAGES ARE SIMULATED.

- AirPrint functionality requires an iPad, iPhone 3GS or later, or iPod touch 3rd generation or later device running iOS 4.2 or later, and an AirPrint-enabled printer connected to the same network as your iOS device. A printer connected to the USB port of your Mac, PC, AirPort Base station, or Time Capsule is not supported.
- Requires an Internet connection and the Canon PRINT Inkjet/SELPHY app, available for free on the App Store and at Google Play. Compatible with iPad, iPhone 3GS or later, and iPod touch 3rd generation or later devices running iOS 7.0 or later, and Android mobile devices running Android 2.3.3 or later. Your device must be connected to the same working network with wireless 802.11 b/g/n capability as your printer. For users of compatible Apple mobile devices, document printing requires Apple AirPrint, which requires an AirPrint-enabled printer connected to the same network as your iOS device. A printer connected to the USB port of your Mac, PC, AirPort Base station, or Time Capsule is not supported.
- Supports DPOF "Both" mode of both standard and index printing.
- DPS over IP compatible device required. USB cable not included.
- Wireless printing requires a working network with wireless 802.11b/g or n capability. Wireless performance may vary based on terrain and distance between the printer and wireless network clients.
- Based on accelerated dark storage testing by Canon under controlled lighting, temperature and humidity conditions. Canon cannot guarantee the longevity of the prints; results may vary depending on printed images, display/storage conditions and environmental factors.
- Print speed obtained using compatible Canon compact digital camera incorporating DIGIC II (other camera models may vary).
- From the initial yellow printing pass until ejection.
- Compatible memory cards include SD™ Memory Card, SDHC™ Memory Card, SDXC™ Memory Card. The following can be used with the addition of a special adapter sold separately: miniSD™ Card, miniSDHC™ Card, microSD™ Card, microSDHC™ Card, and MicroSDXC™ Card.
- Operation can only be guaranteed on a PC with pre-installed Windows 8.1, Windows 8, Windows 7, Vista or XP.
- Internet Connection required during software installation.
- Requires a Windows RT compatible device and the Canon Easy-PhotoPrint app for Windows RT available for free in the Windows Store.
- Requires "Canon Print Plugin" available for free from the Amazon Appstore and an Amazon Fire Phone, Amazon Kindle Fire HDX or HDX7 device or later running Fire OS 4.0 or later.
- Warranty programs are subject to certain conditions and restrictions. See [www.usa.canon.com/support](http://www.usa.canon.com/support) for details.
- Requires PCC-CP400 Card Size Paper Cassette.
