WorkCentre® 4250 / 4260 Multifunction Device

Kick office productivity into high gear with the Xerox WorkCentre 4250 / 4260. It combines world-class copy, print, color scan and fax capabilities with exceptional reliability and ease of use. It's ideal for the busy office that needs large departmental MFP capabilities in a letter-sized, value-priced device.

Feature-rich and value-minded

The competitively priced WorkCentre 4250 / 4260 multifunction device is loaded with features to help you manage costs without sacrificing power.

- **Tailored to your business requirements** with configurations ranging from desktop to floor standing models that provide copy, print, scan, email and fax functions. Larger finishing capabilities include collation, stapling and paper input of up to 3,100 sheets.
- **Speed to handle heavy demand:** Copy and print as fast as 55 ppm, with the first page out in as little as 6 seconds.
- **Color scan capabilities** mean you can communicate in color via email or digital file distribution without the additional cost.
- **Usage counters** let you track and analyze device usage by function for greater cost control.
- **Helps your office stay green** cost-effectively with Xerox Green World Alliance program; send your used toner cartridges to us for recycling, free of charge.

Easy to install, use and maintain

Unprecedented ease of use and reliability from a truly robust and integrated multifunction.

- **Network-ready** and easy to install on Microsoft Windows, Apple Macintosh and Linux networks. New global print drivers from Xerox greatly simplify driver management.
- **Eases network management chores** with remote device monitoring and troubleshooting, using CentreWare IS embedded web server and CentreWare Web, as well as third party management systems. Automatic email alerts notify administrators or users of events that require attention, such as low toner levels.
- **Walk-up ease of use** includes an intuitive icon-based color touch screen with easy instructions and Help screens for copy, scan and fax jobs. Plus, you can walk up and print from a USB memory drive or scan and store for convenient printing later — no computer needed.
- **Keep confidential documents safe** with password-protected secure print and encrypted hard disk.
- **Award-winning Xerox service and support** that's second to none. Our Xerox Total Satisfaction Guarantee ensures you're completely satisfied with your purchase.

Why pay for a huge, full-sized MFP when you primarily work with letter-size documents? Get everything you would expect on a powerful Xerox device, but get it in a small size at a small price!

Save Money

- Automatic two-sided copying and printing saves paper.
- Fax forward to email feature lets you avoid extra printing.
- Toner cartridge and imaging unit are separate consumables maximizing the life of each.
- Energy save mode is always "on," reducing your utility bill.

Save Time

- No more running down the hall to make a copy: A small size means it can be located conveniently close to users.
- ID Card Copy scans both sides of an ID card and prints them face-up on a single sheet of paper.
- No print bottlenecks because the Print Around feature automatically holds any job missing resources (such as a different paper size), and prints the next job in the queue.
- Multiple functions can be accessed at the same time: scan while printing or receiving an inbound fax, and interrupt a print job to make a copy.

WorkCentre® 4250 / 4260 Quick Facts

- Copy and print up to 45 / 55 ppm
- Standard automatic two-sided copy/print
- 600 x 600 dpi printing (up to 1200 x 1200 enhanced image quality)
- 200,000 pages/month duty cycle (4250)
- 250,000 pages/month duty cycle (4260)
- 256 MB memory (expandable to 512 MB) plus 80 GB Hard Drive
- 100-sheet Duplex Automatic Document Feeder

Print / Copy / Scan / Fax / Email

WorkCentre 4260XF with finisher and 2,000-sheet high-capacity feeder

So advanced, it's simple. The full-color touch screen redefines walk-up ease-of-use. Whether printing, copying, scanning, faxing or emailing, the bright, colorful display guides you from start to finish with easily recognizable icons.

- 1** 100-sheet Duplex Automatic Document Feeder scans two-sided documents in sizes up to 8.5 x 14 in.
- 2** Full 8.5 x 14 in. platen glass allows you to scan legal-size documents without removing staples.
- 3** 80 GB internal hard drive lets you handle more tasks at the device. Use the Save Print feature to keep frequently used documents available for quick printing on the go.
- 4** Advanced faxing capabilities include Embedded Fax and LAN Fax (for paperless faxing right from your desktop), plus Secure Fax Receive and Fax Forward to email.

- 5** USB direct printing/scanning lets you save to or print directly from any USB memory drive.
- 6** 100-sheet bypass tray.
- 7** Standard 500-sheet tray.
- 8** Additional 500-sheet tray (standard on XF configuration).
- 9** 2,000-sheet High Capacity Feeder (standard on the 4260XF configuration) boosts total paper capacity up to 3,100 sheets.
- 10** Finisher collates and staples sets of up to 50 pages. Available for both desktop and floor standing models.

Powerful scanning solutions

- **Scan to email** lets you route files to email recipients directly from the touch screen.
- **Network scanning** uses convenient templates to send scans to predefined locations.
- **Copy to hard drive** lets you copy files to the device's hard drive for easy retrieval.
- **Scan to USB** sends scanned images directly onto a portable USB storage device.
