

## 2m 3.5mm 4 Position TRRS Headset Extension Cable - M/F

StarTech ID: MUHSMF2M

The MUHSMF2M 4-Pole 3.5mm headset extension cable (2m) features a 3.5mm (1/8" TRRS) audio connector on one end and a 3.5mm (1/8" TRRS) audio connector on the other, making it easy to extend the reach between your hands-free headset or headphones, and your iPhone®, mobile phone or laptop computer.

To ensure long-lasting performance, this high quality 3.5mm audio extension cable features molded PVC strain relief at each of the 1/8" TRRS connectors, which prevents the cable termination points from bending at sharp angles, in turn reducing the risk of cable damage.

### Applications

- Extend the reach between your hands-free headset and an iPhone® or other mobile phone
- Add connection distance between your headset and your laptop or desktop computer audio port

### Features

- 4-pole 3.5mm connectors with molded PVC strain relief
- 90% Spiral Wrapped Connector provides shielding against EMI and RFI interference
