Tired of only being able to charge one mobile device at a time? Then you need Antec's 4-Port USB Charging Station. With the 4-Port USB Charging Station's dual 1A and dual 2A USB charging ports, you can charge up to two Smartphones like the iPhone® and two Tablets like the iPad® simultaneously and quickly after plugging the charger in to a single power outlet. Furthermore, the 4-Port USB Charging Station's slim form factor allows it to fit easily into pockets or purses making it ideal for traveling as well as for the home or office. Don't charge your devices individually, charge them all at once with Antec's 4-Port USB Charging Station.

Features

- Simultaneously charges up to four mobile devices at once.
- Dual 2A USB ports provide fastest possible charging for Tablets (such as iPad®).
- Dual 1A USB ports provide fastest possible charging for Smartphones (such as iPhone®).
