This high-volume 11 x 17 flatbed scanner provides rapid scan speeds to improve productivity.

Watch productivity go through the roof with a fast and precise professional 11 x 17 color flatbed scanner with a 5000 page daily duty cycle. Track scanned documents using the built-in imprinter and get accurate results with HP EveryPage.¹

This A3 department scanner meets all your scanning needs. Scan documents ranging from cards to banners through the document feeder and use the A3 flatbed for big, bulky books and materials. Manage the scanner together with your printing devices.

Easily integrate this flatbed scanner with your existing document management systems. Create dozens of scan profiles with included HP Smart Document Scan Software and send scans to a number of different destinations.

[Enlarge Image](#)

Use embedded features and 3rd-party software to optimize scan results. Embedded Optical Character Recognition (OCR) converts scans into editable text and image enhancement features create professional-quality scans.

The information contained herein is subject to change without notice. The only warranties for HP products and services are set forth in the express warranty statements accompanying such products and services. Nothing herein should be construed as constituting an additional warranty. HP shall not be liable for technical or editorial errors or omissions contained herein.

1. HP EveryPage was referred to as HP Precision Feed for products introduced prior to Spring 2013.
2. Scan time only; data transfer to CPU not included.
3. Power requirements are based on the country/region where the printer is sold. Do not convert operating voltages. This will damage the printer and void the product warranty.
