- In most applications, a signal booster ([B122-000-60](#)) should be used with this cable to ensure a signal strong enough for your display.
- An alternate, more cost effective solution is to use a Tripp Lite HDMI over Cat5 Extender ([B126-1A1](#)) in place of a 100 ft. HDMI cable and signal booster.

Model #: P568-100-EZ

100-ft. Easy Pull All-in-One High Speed HDMI Cable

Highlights

- Two-piece design runs through conduit or other tight areas
- Threaded circular DIN connector provides secure reattachment
- Supports iPad2 Video Mirroring when used with Apple Digital AV Adapter
- Bandwidth up to 10.2 Gbps - Full 1080p resolution
- High Speed HDMI and HDCP compliant

Description

Tripp Lite's 100 ft. High Speed HDMI Easy Pull All-in-One Monitor Cable makes running long length video cables a snap. The pull-apart design allows the cable to be run through conduit or other tight areas that a HDMI connector wouldn't fit through. Diameter of the circular DIN end is only 7/8". Circular Easy Pull connector is threaded to ensure maximum security once the cable is reattached. Supports iPad2 Video Mirroring when used with Apple Digital AV Adapter. HDMI assures that the best audio/video signal is always sent from the source (HDTV signal, Blu-Ray Player) to the display (Projection Television, LCD, Plasma, etc.). It does this by allowing uncompressed video and multi-channel audio data to be input to the display device through a single cable. An HDMI connection allows input at high rates of speed, up to 10.2 Gbps. In most applications, a signal booster ([B122-000-60](#)) will need to be used with this cable to ensure a signal strong enough for your display.

Applications

- Suspended ceilings, walls, conduit or anywhere too small to pull a standard HDMI cable through.

Package Includes

- 100 ft. Easy Pull All-in-One High Speed HDMI Cable

Features

- Two-piece design runs through conduit or other tight areas
- Threaded circular DIN connector provides secure reattachment
- Creates a pure digital connection between HDMI-enabled HDTV display devices and HDMI-enabled digital video sources
- Supports iPad2 Video Mirroring when used with Apple Digital AV Adapter
- Gold-plated connectors provide optimal signal transfer
- Premium double-shielded cable protects against outside noise (EMI/RFI)
- Impedance-matched twisted-pair construction reduces cross-talk and interference
- Bandwidth up to 10.2 Gbps - Full 1080p resolution
- In most applications, a signal booster ([B122-000-60](#)) will need to be used with this cable to ensure a signal strong enough for your display
