

10.1" All-in-One ePoster Digital Mini Billboard

Multitouch Display Solution for Interactive Messaging

EP1032r-T

Who says small can't be big news? Sized just right for grabbing attention on walls, shelves, desks, or other space-constrained spots, the ViewSonic® EP1032r-T 10.1" all-in-one interactive digital mini billboard is headline-worthy. Ideal for interactive e-catalogs, information kiosks and other on-demand messaging, now it's easier than ever to engage your audience with inviting interaction. Filled with user-friendly features like Signage Manager Express software, Power over Ethernet one-wire installation – and so much more – it makes loading, playing and managing content easy and reliable.

Key Features:

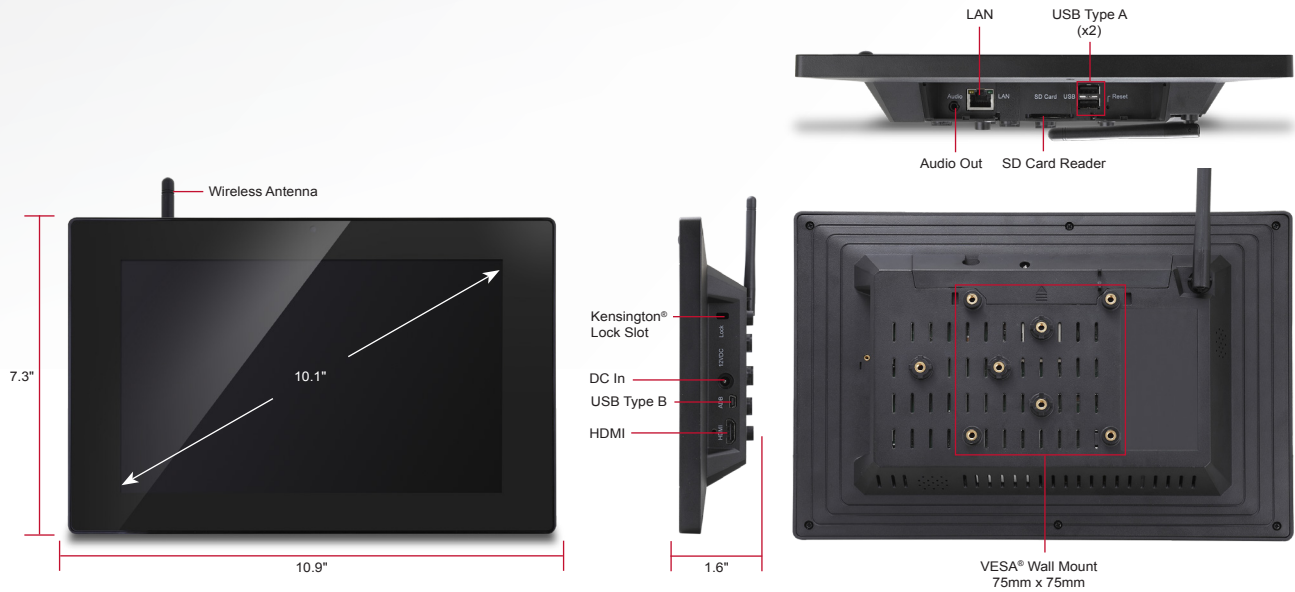

- 1280 x 800 native resolution
- Power over Ethernet (PoE)
- Built-in wireless network and RJ45 Ethernet
- Integrated media player
- Embedded 4GB, solid-state memory
- Bundled Signage Manager Express content management software

Designed for:

- Retail
- Hospitality
- Business
