## Surface Pro 9

The most powerful Pro

Surface Pro 9 gives you the tablet flexibility you want and the laptop performance and battery life you need to move through your day — all in one ultra-portable device. Now with powerful new processors and optional high-speed 5G<sup>1</sup> connectivity.

[1] 5G not available in all areas; compatibility and performance depends on carrier network, plan and other factors. See carrier for details and pricing.

## Microsoft Modern Workplace

### Create a modern workplace with Microsoft 365 and Surface devices.

The workplace is transforming – from changing employee expectations, to more diverse and globally distributed teams, to an increasingly complex threat landscape. Microsoft 365 integrates the best across Windows 11, Office 365, and EMS into a complete, intelligent, and secure solution to empower employees.

Unlocks  
creativity

Built for  
teamwork

Integrated for  
simplicity

Intelligent  
security
