

A row of modern lounge chairs with dark frames and light-colored mesh seating is arranged on a concrete patio next to a swimming pool. The chairs are angled towards the pool. In the background, there is a large glass wall and dense green foliage. The scene is lit with soft, natural light, suggesting a late afternoon or early morning setting. A pair of white slides is on the ground in the foreground.

VINYL STRAPS	Clean with mild laundry detergent and warm water. Strap contains an effective fungicide and UV stabilizers.	To remove scuff marks on vinyl straps, apply toothpaste or gentle abrasive to a clean, dry cloth and rub gently. To remove mildew, use a solution of warm water, mild laundry detergent and chlorine bleach (no more than 1/4 cup to three gallons of water). Never use a solvent-type solution.	Not recommended. IRON FRAMES	Clean with warm soapy water. Damage to the paint finish may cause corrosion; touch up with paint immediately. To maintain the gloss on non-textured finishes, protect with a fine automotive wax.	Woodard's multi-step finishing process results in a stain-resistant finish. Severe stains may require light sanding and touch-up painting.	The finish on Woodard furniture is formulated and baked on to make it highly resistant to repellents and lotions. However, to avoid discoloration, clean metal parts of these products frequently.	Frame finish touch-up instructions: When covering small spots of surface rust, clean area by sanding lightly and wipe immediately to prevent rust. When preparing scratched areas for touch-up painting, rub lightly with fine steel wool to smooth the surface and improve paint adhesion. Apply thin coats of touch-up paint and allow ample drying time between coats.
