CYPRUS

ΓΕΝΙΚΕΣ ΣΗΜΕΙΩΣΕΙΣ

Ο Οδηγός περιλαμβάνει τα ξενοδοχεία και άλλα τουριστικά καταλύματα που έχουν επίσημα εγγραφεί και ταξινομηθεί από τον Κυπριακό Οργανισμό Τουρισμού, με βάση τις πρόνοιες των περί Ξενοδοχείων και Τουριστικών Καταλυμάτων Νόμων και Κανονισμών. Τα ξενοδοχεία και τα τουριστικά καταλύματα καταχωρούνται κατά πόλη/περιοχή, τάξη και αλφαβητική σειρά.

Τα σύμβολα που εμφανίζονται κάτω από κάθε ξενοδοχείο και τουριστικό κατάλυμα ανταποκρίνονται στις διευκολύνσεις που προσφέρονται απ' αυτό και η επεξήγηση τούτων παρουσιάζεται αναλυτικά στο σελίδοδείκτη.

Για εξασφάλιση διαμονής σε ξενοδοχείο ή τουριστικό κατάλυμα της προτίμησής σας, προτρέπεται να προβαίνετε σε κρατήσεις εκ των προτέρων, είτε μέσω ταξιδιωτικών πρακτόρων είτε απευθείας στα ξενοδοχεία ή τουριστικά καταλύματα της εκλογής σας.

ΕΙΔΟΠΟΙΗΣΗ

Τα ξενοδοχεία που παρουσιάζονται στο παράρτημα (σελίδες 251-252) βρίσκονται στις περιοχές Κερύνειας και Αμμοχώστου. Οι περιοχές αυτές βρίσκονται προς το παρόν στάδιο κάτω από την κατοχή των τουρκικών στρατευμάτων εισβολής. Η λειτουργία ή χρήση οποιουδήποτε από τα ξενοδοχεία αυτά που ανήκουν σε Ελληνοκύπριους στους οποίους απαγορεύεται η διαχείριση και εκμετάλλευση των περιουσιών τους από την κατοχική δύναμη (Τουρκία), είναι παράνομη σύμφωνα με τους νόμους της Κυπριακής Δημοκρατίας.

TIMES

Ο ΚΟΤ εγκρίνει τις δημοσιευμένες τιμές που μπορούν να χρεώνουν οι ξενοδοχειακές επιχειρήσεις για την περίοδο από 16 Μαρτίου 2011 μέχρι 15 Μαρτίου 2012. Οι τιμές αυτές βρίσκονται καταχωρημένες στην ιστοσελίδα του Οργανισμού στη διεύθυνση:

www.visitcyprus.com

Επιπρόσθετα η τιμή χρέωσης κάθε δωματίου/διαμερίσματος καταγράφεται στο ειδικό έντυπο "καρτέλα τιμών" δωματίου/διαμερίσματος το οποίο τοποθετείται σε περίοπτη θέση στο κάθε υποδωμάτιο ή διαμέρισμα της ξενοδοχειακής επιχείρησης.

Τα περισσότερα ξενοδοχεία και τουριστικά καταλύματα προσφέρουν εκπτώσεις πάνω στη τιμή ύπνου ή ειδικές προσφορές κατά την διάρκεια ορισμένων περιόδων του χρόνου. Τα περισσότερα ξενοδοχειακά καταλύματα δημοσιεύουν τις προσφορές αυτές στην ιστοσελίδα τους όπου μπορείτε να εξασφαλίσετε περισσότερες πληροφορίες ή να προβείτε σε κράτηση.

Στις τιμές περιλαμβάνονται :

- Η τιμή της διανυκτέρευσης και, στην περίπτωση των ξενοδοχείων, η τιμή του προγεύματος.
- Το δικαίωμα υπηρεσίας (10%), στους φόρους προς τις τοπικές αρχές και την επιβάρυνση του Φόρου Προστιθέμενης Αξίας (ΦΠΑ).
- Η τιμή θέρμανσης (πάνω σε 24ωρη βάση) στα ξενοδοχεία 3, 4 και 5 αστέρων και τουριστικά καταλύματα πολυτελείας και Α' τάξης από το μήνα Μάιο μέχρι και τον Οκτώβριο.
- Στα ξενοδοχεία 3,4 και 5 αστέρων και τα τουριστικά καταλύματα Α' Τάξης που λειτουργούν στις ορεινές περιοχές, η παροχή κλιματισμού (ψύξης) δεν είναι υποχρεωτική και σε περίπτωση προσφοράς, η επιβάρυνση περιλαμβάνεται στην τιμή δωματίου/διαμερίσματος.

ΕΠΙΠΡΟΣΘΕΤΕΣ ΕΠΙΒΑΡΥΝΣΕΙΣ

(ΠΕΡΙΛΑΜΒΑΝΟΜΕΝΩΝ ΟΛΩΝ ΤΩΝ ΦΟΡΩΝ)

- Σε μονάδες όπου η προσφορά κλιματιστικής εγκατάστασης δεν είναι υποχρεωτική, η χρήση μεμονωμένων συσκευών κλιματισμού, εφ' όσον ζητηθεί από πελάτη, χρεώνεται με προκαθορισμένο ποσό την ημέρα κατά συσκευή. Οι μονάδες αυτές χαρακτηρίζονται στον Οδηγό με το χαρακτηριστικό σύμβολο "(a/c)".
- Καθορίζεται μειωμένο ποσό τη ημέρα, όπως

φαίνεται στην “καρτέλα τιμών” δωματίου/διαμερίσματος για τα ακόλουθα:

- (α) Χρήση δικλίνου δωματίου για ένα μόνο άτομο.
- (β) Χρέωση για παιδιά μέχρι 12 ετών που χρησιμοποιούν το ίδιο δωμάτιο με τους γονείς τους, και
- (γ) Την περίπτωση Οργανωμένων και Τουριστικών Διαμερισμάτων για κάθε επιπρόσθετο άτομο πέρα από τον κανονικό αριθμό ατόμων του διαμερίσματος που τοποθετείται στο ίδιο διαμέρισμα.

ΟΡΟΙ ΔΙΑΜΟΝΗΣ

Οι πελάτες προτρέπονται όπως δηλώνουν κατά την άφιξη τους στο ξενοδοχείο τους όρους διαμονής που επιθυμούν, δηλαδή διαμονή μόνο, διαμονή με πρόγευμα, διαμονή με ημιδιατροφή ή διαμονή με πλήρη διατροφή.

Ξενοδοχεία Ορεινών Θερέτρων μπορούν κατά τους μήνες Ιούλιο και Αύγουστο να ζητούν όπως η εκμίσθωση δωματίου περιλαμβάνει τουλάχιστον υποχρεωτική ημιδιατροφή (HALF BOARD).

Σε περιπτώσεις διαμονής πελάτη με ημιδιατροφή ή πλήρη διατροφή και όταν αυτός δεν πάρει οποιοδήποτε γεύμα ή δείπνο δεν δικαιούται οποιασδήποτε έκπτωσης. Χρέωση διαμονής με πρόγευμα μπορεί να γίνει σε πελάτες που διέμεναν στο ξενοδοχείο ανεξάρτητα αν πήραν ή όχι πρόγευμα.

Οι πελάτες δικαιούνται να κάμουν χρήση του δωματίου (διαμερίσματος) μέχρι τη 12η ώρα της ημέρας αναχώρησης. Σε περίπτωση χρήσης του δωματίου (διαμερίσματος) μετά τη 12η και μέχρι τη 18η ώρα, υποχρεούνται στην καταβολή του μισού ενοικίου απλής παραμονής (ACCOMMODATION ONLY) μιας ημέρας του δωματίου. Για χρήση του δωματίου (διαμερίσματος) μετά τη 18η ώρα υποχρεούνται στην καταβολή ολόκληρου του ενοικίου απλής παραμονής μιας ημέρας του δωματίου (διαμερίσματος).

Για οποιονδήποτε παράπονο προτρέπεσθε όπως απευθύνεσθε στη Διεύθυνση του ξενοδοχείου ή

του τουριστικού καταλύματος και αν για οποιονδήποτε λόγο δεν ικανοποιηθείτε, παρακαλούμε όπως απευθύνεσθε στον:

LEFKOSIA

LEFKOSIA (NICOSIA)

Lefkosia (Nicosia) is situated practically in the centre of Cyprus and constitutes a rich cultural hub, as well as a busy commercial and business centre. The history of the city dates back to the Bronze Age. In antiquity and in early Christian times it was known as Ledra. It has been the capital of Cyprus since the late Byzantine period (11th century). During the Frankish (Lusignan) period Lefkosia was transformed into a splendid town, with royal palaces and 50 churches. Contemporary Lefkosia (Nicosia) combines the historic past with the liveliness of a modern city. The city centre, the old "Chora", surrounded by a Venetian wall with heart-shaped bastions, is home to lavishly decorated churches, medieval buildings and the island's foremost museums. Narrow streets with overhanging balconies and a beautifully restored pedestrian precinct, Laiki Geitonia, with craft shops, cafes and tavernas, maintain the leisurely atmosphere of yesteryear. Outside the walls, the modern town with its contemporary comforts pulsates to cosmopolitan rhythms. Lefkosia (Nicosia) remains the only divided capital in the world. A few kilometres into the countryside one can admire superb Byzantine churches and monasteries.

LEMESOS (LIMASSOL)

Situated where the rolling foothills of the Troodos mountains meet a short flat plain, between the two ancient city-kingdoms of Amathus and Kourion, modern-day Lemesos (Limassol) has grown along a 15 km coastline to become Cyprus' second largest city. It is the island's main port, the centre of the wine industry and a bustling holiday resort with a choice of luxury hotels and entertainment spots, lining the coast and linked by a promenade.

Lemesos is known for the variety of its nightlife, from tavernas with Greek bouzouki music, to modern discos and steamy nightclubs. Restaurants and tavernas abound, serving a range of local, regional and international dishes.

The old town, with its medieval castle, the site of the royal wedding in the Middle Ages between Richard the Lionheart and Berengaria of Navarre, radiates out from the old fishing harbour. Many important antiquities, Byzantine and Frankish monuments are found in the Lemesos area, evidence of its long history.

Having a fun-loving reputation, Limassolians stage some of the island's best-known festivals, such as the annual Wine Festival in September, when the various wineries offer free samples of their products and the Carnival in February with masquerade parties and a grand parade.

Pafos, in the west coast of Cyprus, was the legendary birthplace of the Greek goddess of beauty and love, Aphrodite. It is out of the seas of Pafos that Aphrodite is said to have risen, and it was in her Temple at Palaipafos (Kouklia), one of the most celebrated places in the ancient Greek world, that the worship of the goddess flourished.

For six centuries during the Hellenistic and Roman periods this western town was the island's capital. Because of its importance, the whole town of Pafos has been included in UNESCO's world heritage list. Remnants of exquisite floor mosaics depicting scenes from Greek mythology are considered to be some of the best in the eastern Mediterranean as are underground tombs, carved out of solid rock and decorated with Doric pillars. St. Paul together with St. Barnabas, the founder of the Church of Cyprus, visited Pafos, where the Apostle converted the Roman governor to Christianity.

Today Pafos is a charming town, with every amenity, as well as a romantic harbour with a medieval castle where one can enjoy culture under the stars, such as an annual opera performance.

Inland and in the mountainous regions lay superb monasteries and tranquil villages, where old traditions and customs have been kept alive since time immemorial.

Pafos Archaeological Park (Mosaics)

Polis, which in Greek means 'town', is situated on a beautiful sweep of bay, with the rugged Akamas peninsula to the west and the pine clad Troodos Mountains as its backdrop.

Known as Marion in antiquity, the town was probably founded by an Athenian warrior called Akamas, the son of Theseus, who arrived here after the Trojan War. Rich in gold and copper ore, it attracted considerable trade, especially with Athens, which in turn exported many pots to the area. The town was destroyed in the battle between the successors of Alexander the Great until a new city was formed by Philadelphus, a member of the Ptolemy dynasty, who gave it the name of his wife, Arsinoe. From medieval times onwards the town was known as Polis and today it is the administrative centre of the region and a small town of much character with an old town centre of stone buildings with internal arches, decorated doorways and hanging balconies.

The fishing shelter of Polis, Latchi, with its waterfront promenade and long sand and pebble beach offering all kinds of water sports, is now being expanded into a 200 berth marina.

The Akamas peninsula, with its tabletop mountain, spectacular views between pines to turquoise waters down below and the famous Baths of Aphrodite, is an excellent place to admire nature on foot or by bike. The area is ideal for hiking, cycling, diving and swimming in crystal clear waters.

LARNAKA

Built on the site where ancient Kition once stood, Larnaka is the successor of one of the ancient city-kingdoms of Cyprus. Kition was the birthplace of Zeno, the founder of the Stoic school of philosophy and the second home of St. Lazarus, who lived here after his resurrection and later became its first Bishop. The foundation legend of Kition is associated with Kittim, Noah's grandson who named it after himself. In the 13th century BC Mycenaean Greeks settled in the town, while Phoenicians moved here from the 9th century BC. Medieval Kition, then called Larnaka or Salines, became an important port with increasing commercial activity between East and West. In the 18th century it became a flourishing trading centre, the place where all European consuls established their missions.

Contemporary Larnaka, with its palm-lined sea-front promenade known as Foinikoudes and picturesque yachting marina, has a charm of its own. In the winter months thousands of flamingos, wild swans and other migrating birds make their annual stopover at the nearby salt lake.

The district of Larnaka has many interesting places to visit, particularly ancient, Byzantine and Moslem monuments.

AGIA NAPA

AGIA NAPA

Golden sandy beaches abound on the eastern coast of Cyprus, in the free part of the Ammochostos (Famagusta) area. The popular holiday resort of Agia Napa, once a sleepy fishing village, buzzes with life being a true paradise for lovers of the sea, water sports and nightlife. The night life and clubs are a major attraction for all age groups, while the many restaurants offer both local delicacies and international cuisine.

Some of the most renowned beaches are Nissi Beach, Makronissos Beach and Kryo Nero (Harbour) Beach. One can also visit the south-eastern tip of the region (Cape Gkreko) with its secluded coves, impressive cliff top views and sea caves. But there is more to the area. Inland one can also admire a number of Byzantine and Frankish monuments and museums. The magical landscape was an inspiration to Greek Nobel poet laureate, George Seferis. The region is the main potato producing area on the island and is known as Kokkinochoria, meaning "red soil villages", thanks to the fertile red earth in which they are grown. The villages of this area are equally renowned for their folk poets and traditional song performers, who are regarded as the most inspired on the island.

Main places of interest:

Monastery of Agia Napa

Thalassa Marine Museum

Cape Gkreko National Park

Sea Caves

Potamos fishing shelter

Liopetri village

PARALIMNI - PROTARAS

The name "Paralimni" means "by the lake" since it is situated next to a lake (that dries up during the summer). It has been the administrative centre of Ammochostos (Famagusta) district since the Turkish invasion in 1974, when it became the temporary administrative, economic and cultural centre. It is also the district's main shopping hub offering a big selection of shops.

Protaras, the seaside resort of Paralimni, has been developed as a tourist resort in the last 20 years. It is well-known for its golden sandy beaches, safe and crystal clear waters, water sports activities and the hundreds of windmills in the sprawling fields. Some of the best beaches are Fig Tree Bay, Konnos Bay and Perneria Beach.

Worth seeing are the many Byzantine and medieval churches in the wider Paralimni area and in surrounding villages.

Main places of interest:

Church of Panagia (Virgin Mary)

Church of Profitis Elias

Dherynia Folk Art Museum

Sotira Byzantine churches and Ecclesiastical Museum

Avgorou Ethnographic Museum

HILL RESORTS

HILL RESORTS

The imposing Troodos mountain range, home of our very own Mount Olympus, raises its highest peak to 1951m above sea level and stretches across most of the southern and western part of Cyprus. The lower slopes of the Troodos alternate between terraced vineyards and the Phoenician juniper maquis found in abundance near the coast, sprinkled in places with pink rock rose and wild lavender. Bright green pine trees and tall cedars dominate in the higher elevations. This is a region of cool air, abundant nature trails and villages of red-tiled roofs where the pace is refreshingly relaxed. This tranquil region provides a cool refuge for hiking, skiing, mountain biking, nature study and picnics among idyllic pine scented forests. Byzantine monasteries and charming villages, some with cobbled streets and preserved folk architecture are built on terraced hillsides amid vineyards and orchards. Nestled in the Troodos Mountains are some of the most beautiful hill resorts of the island, with mountain streams and refreshing alpine atmosphere. The Troodos is also home to ten painted Byzantine churches, all on UNESCO's World Heritage List.

TRADITIONAL HOUSES

TRADITIONAL HOUSES

Travelling inland almost anywhere in Cyprus one comes across old villages with traditional architecture where the traditions themselves have changed little over the centuries. One can slip into the simple, serene rhythms of rural life thanks to the Cyprus Agrotourism Programme, which promotes the restoration of traditional houses in the island's hospitable rural villages so they are fully equipped to receive visiting guests. Spacious lodgings create a warm and distinctly Cypriot atmosphere for independent travellers. A stay in a traditional house is both an invigorating and calming experience, thanks to the cosy custom decor and absence of urban distractions. And there is a plethora of surprises right outside the door: thousands of different fragrances unique to the countryside, images of unparalleled beauty, walks down nature trails, visits to historical monasteries and archaeological sites, the real life of the country. There is no better or more direct way to experience the life of the countryside, with its folk customs, daily activities, the authentic taste of traditional cuisine and wholesome hospitality, than through the agrotourism programme. Agrotourism is not something you describe but something you experience.
