

# ON-WALL SOLUTIONS

# ELECTRIC LIFT / WALL STANDS

Electric-lift, wall stand features an accessible, compact, low profile design that conceals all equipment and cabling.

- Fully adjustable motor control improves user experience and productivity for any size user for any work assignment.
- Saves on engineering, trades and permitting as there is no need to mount display to a wall.
- Constructed with powder coated welded steel.
- Custom finishes and custom matched wood panels are available.
- Compact, Telescoping design hides cables and equipment.
- Wire Management allows clean and uncluttered installation.
