RESELLER EDUCATION PROMOTION FLYER

REGION:

All Regions where Ruckus Cloud Wi-Fi is available for purchase

PROMOTION PERIOD:

April 1, 2018 - December 31, 2018

PROMO CODE:

2018-CloudEDU-Bundle

OVERVIEW

Grow revenues and retain customers with Ruckus Cloud Wi-Fi and the Cloudpath™ Enrollment System.

Ruckus Cloud Wi-Fi and Cloudpath is a WLAN solution bundle for businesses or schools with 100+ users that want easy, cloud-managed Wi-Fi together with secure network onboarding of users and devices. Special pricing for a 5-year bundle is available for a limited time on this solution that delivers:

- Best-in-class performance, simplified management, and secure network access for any user or device
- Remote management of Cloud Wi-Fi and Cloudpath by either the customer or partner
- Aggressive, competitive pricing to win deals

About Ruckus Cloud Wi-Fi

Ruckus Cloud Wi-Fi makes it easy for organizations of any size to deploy, monitor and manage a distributed Wi-Fi network. Customers get both simplified wireless LAN management together with high-performance Ruckus access points (APs).

- Monitor and manage Wi-Fi network from anywhere using an intuitive, "single-pane-of-glass" web interface and full-featured mobile app
- Instantly create guest networks with custom branding and multiple options for secure authentication
- Improve network planning with usage insights from real-time and historical analytics
- Ability for network to be customer-managed, or outsource management to authorized Ruckus partner

About Ruckus Cloudpath Enrollment System

Cloudpath is a software/SaaS platform that delivers secure wired and wireless network access for BYOD, guest users and IT-owned devices.

- Increases security for users, devices, data and the network
- Streamlines network onboarding for any user / any device with easy self-service workflows
- Dramatically reduces helpdesk tickets related to network access
