Bluetooth® Illuminated Keyboard K810

Performance shines through in style.

- Illumination
- Bluetooth®
- Stylish Design
- Comfortable Performance
- Rechargeable Battery

Introducing the Logitech Bluetooth® Illuminated Keyboard K810 - performance shines through in style. Day or night, you'll enjoy sharp, bright illumination that automatically adjusts to any light. With Logitech easy switching Bluetooth® technology, you can quickly change between typing an email on your PC, sending a text on your smartphone or taking notes on your tablet - with the touch of a button. Even recharging is easy. Simply plug in the USB cable and recharge even while you work. The real, brushed aluminum finish and minimalist size will fit both your style and your desk space. Plus the unique Logitech key design means you'll enjoy comfortable, whisper-quiet typing hour after hour. Simply brilliant - in more ways than one.

Bluetooth® Illuminated Keyboard K810
