moving you forward

WorkFit-B Sit-Stand Base, HD

- Create a stand-up computer desk, a height adjustable work bench, or a sit-stand conference table
- Includes mounting template and required fasteners to easily adapt your own worksurface to the WorkFit desk base
- Offers the most flexibility for customizing a sit-stand furniture solution to match your space and needs
- Open-architecture design is scalable for future computer equipment
- Durable, robust structure, designed to ANSI/ BIFMA X5.5-2008 standards
- Easily add accessories to your worksurface to complete your ergonomic workspace

SIT-STAND FOR WELLNESS AND PRODUCTIVITY

WORKFIT™

Convert your cubicle or work area into a height-adjustable standing workstation. This sit-stand platform provides all the benefits of our popular WorkFit-D Desk while allowing you to attach your existing worksurface.

Features up to 20" (51 cm) of vertical motion—patented Constant Force™ technology allows instantaneous, tool-free, non-motorized re-positioning while you work! Integrated brake secures table in place and with just a touch releases for height adjustment.

WORKFIT™

- Minimum height: 32" (82 cm)
Maximum height: 51.5" (132 cm)
Assumes worksurface thickness of .87" (2,2 cm)
- Patented Constant Force motion technology
- Four leveling glides establish a firm footing and adjust to install the unit on uneven floors
- Complies with all international environmental regulations related to its design, manufacture and packaging.

For proper ergonomic keyboard placement, Ergotron's Neo-Flex Underdesk Keyboard Arm is recommended (97-582-009)

Add Ergotron LCD and laptop display mounts as needed to accommodate individual workflows
