Datasheet

HP Stream 11 Pro G3 Notebook PC

Upgrade classroom learning with the thin, light, and powerful HP Stream 11 Pro. Take learning to the next level with Windows 10 Pro[1] while maximizing collaboration using optional Microsoft OneDrive cloud storage[2] and stable and reliable WLAN[3] connectivity.

HP recommends Windows 10 Pro.

• Windows 10 Pro[1]

Ready to work
From the start of class to after-school homework, stay productive with the Stream 11 Pro's long battery life.

Budget friendly, classroom ready
This budget friendly notebook is built for learning with WLAN[3] for easy connectivity in the classroom, hardware and firmware TPM[4] for security, fast boot-up time, and 5th Gen Intel® Celeron® processing power[5].

Sleek style, quiet operation.
The ultra-slim quiet fan-less design helps keep classrooms focused without the ambient noise from multiple machines.

Extra security
The embedded Trusted Platform Module 2.0 (TPM)[4] provides hardware-based encryption keys to help secure data, e-mail, and login credentials.

Featuring
• Get up to speed with Windows 10 Pro[1] and optional OneDrive[2] cloud storage that delivers productivity and enable studying online and offline with compatible applications.
• Enable teams to collaborate and excel at projects with a VGA webcam and an enhanced microphone that helps reduce noise and echoes.
• Gain fast, reliable wireless with built-in Intel® Wi-Fi and Bluetooth® technology[7].
• Add your choice of peripherals, connect to a display, and expand your storage options with a range of ports.
• Rest easy with support you can trust and keep everything running smoothly with HP's world-class one-year limited warranty. Extend your protection with optional HP Care Pack[8].
• Customize workspaces with a range of optional accessories[6], including the HP USB Ethernet Adapter and HP HDMI to VGA Adapters.

HP Stream 11 Pro G3 Notebook PC Specifications Table

Available Operating System	Windows 10 Pro 64 – HP recommends Windows 10 Pro. [1] Windows 10 Pro 64 (National Academic only) [1]
Processor Family	Intel® Celeron® processor [2]
Available Processors	Intel® Celeron® N3060 with Intel HD Graphics 400 (1.6 GHz, up to 2.48 GHz, 2 MB cache, 2 cores) [2]
Chipset	Chipset is integrated with processor
Maximum Memory	4 GB DDR3L-1600 SDRAM (Transfer rates up to 1600 MT/s. Single channel support for up to 2 GB. Dual channel support for up to 4 GB max on-board system memory. Internal component upgrades to memory are not available. 4 GB not available with 32 GB eMMC.)
Internal Storage	32 GB or 64 GB eMMC [3]
Display	11.6" diagonal HD SVA WLED anti-glare (1366 x 768) 29.46 cm (11.6") diagonal HD SVA WLED anti-glare (1366 x 768)[5]
Available Graphics	Integrated: Intel® HD Graphics 400
Wireless Technologies	Intel® Dual Band Wireless-AC 7265 802.11a/b/g/n/ac (2x2) WiFi and Bluetooth® 4.2 Combo [4]
Expansion Slots	1 multi-format digital media reader (Supports micro SD, SDHC, SDXC)
Ports and Connectors	1 USB 3.0; 1 USB 2.0; 1 stereo headphone/microphone combo; 1 AC power
Input Device	Full-sized textured black island-style keyboard; Clickpad with multi-touch gestures enabled, default on for 2-finger scroll, pinch, rotate, 2-finger click, 3-finger flick, taps enabled as default.
Camera	VGA webcam
Available Software	Buy Office; HP Touchpoint Manager; McAfee Checkbox; McAfee LiveSafe; HP ePrint; HP Support Assistant; HP JumpStart [6,8,9,10]
Security Management	TPM 2.0; security lock slot (lock must be purchased separately)
Power	45 W Smart AC adapter 2-cell, 37.69 Wh Li-ion polymer
Dimensions	11.81 x 8.09 x 0.71 in 30 x 20.56 x 1.8 cm
Weight	Starting at 2.57 lb Starting at 1.17 kg (Weight will vary by configuration.)
Environmental	Low halogen [7]
Energy Efficiency Compliance	ENERGY STAR® certified

HP Stream 11 Pro G3 Notebook PC

Accessories and services (not included)

HP Chromebook 11 Black Always-On Case

This rugged protective case is designed to protect the 11" notebook from most accidental damages that occur in a mobile environment like schools, businesses, and other institutions. The case is designed with features that enable the user to work directly from the case with full accessibility to ports and viewing angles while protecting the notebook.
Product number: M7U12AA

HP Chromebook 11 Blue Always-On Case

This rugged protective case is designed to protect the 11" notebook from most accidental damages that occur in a mobile environment like schools, businesses, and other institutions. The case is designed with features that enable the user to work directly from the case with full accessibility to ports and viewing angles while protecting the notebook.
Product number: M7U13AA

HP 3-button USB Laser Mouse

The impressively sleek and durable HP 3-Button USB Laser Mouse is designed for everyday performance and to complement your HP Business Notebook.
Product number: H4B81AA

HP 45W Smart AC Adapter

Be productive throughout the day and keep an extra adapter on hand with the lightweight and versatile HP 45W Smart AC Adapter.
Product number: H6Y88AA

HP 30-Notebook Managed Charging Cart

Designed to securely store and charge notebook PCs—from minis up to a 15.6 screen size—inside the classroom, these innovative carts have a large compartment with up to 30 individual, smooth-edged shelves for easy, quick, and safe loading and unloading by teachers and students, and a separate, locked IT compartment to store notebook power adapters (Charging and Managed Charging Carts) and Ethernet connectors (Managed Charging Carts). The HP 30-Notebook Managed Charging Cart stores and charges 30 units and include Ethernet cables for convenient batch installation of software updates or virus protection.
Product number: QL490AA

HP School Pack 2.0 Stand Alone

Meet and exceed the global requirements of learners with HP School Pack 2.0, an out-of-the box solution of digital tools and content designed for collaborative, standards-aligned, and personalized learning. The bundle includes HP Adaptive Learning created by Fishtree[1], HP Touchpoint Manager for Education Basic[2], HP Classroom Manager[3], HP Prime Graphing Calculator App, Classlink[4], Codecademy[5], Corinth Classroom[6], Curriculum Matrix[7], OUP Advanced Learner's Dictionary, and SPARKvue.
Product number: V1E70AA

Messaging Footnotes

[1] Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See http://www.windows.com.
[2] Requires internet access and subscription for OneDrive.
[3] WLAN requires wireless access point and internet service. Availability of public wireless access points limited.
[4] Firmware TPM is version 2.0. Hardware TPM is v1.2, which is a subset of the TPM 2.0 specification version v0.89 as implemented by Intel Platform Trust Technology (PTT).
[5] Multi-Core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance will vary depending on your hardware and software configurations. Intel's numbering is not a measurement of higher performance.
[6] Sold separately or as optional feature.
[7] Wireless and Bluetooth may be optional features. Wireless requires separately purchased access point and internet service. Availability of public wireless access points limited.
[8] Service levels and response times for HP Care Packs may vary depending on your geographic location. Service starts on date of hardware purchase. Restrictions and limitations apply. For details, visit www.hp.com/go/cpc. HP services are governed by the applicable HP terms and conditions of service provided or indicated to Customer at the time of purchase. Customer may have additional statutory rights according to applicable local laws, and such rights are not in any way affected by the HP terms and conditions of service or the HP Limited Warranty provided with your HP Product.

Technical Specifications Footnotes

[1] Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See http://www.windows.com.
[2] Multicore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering is not a measurement of higher performance.
[3] For storage drives, GB = 1 billion bytes. TB = 1 trillion bytes. Actual formatted capacity is less. Up to 30 GB (for Windows 10) is reserved for system recovery software.
[4] Wireless requires wireless access point and Internet service. Availability of public wireless access points limited. The specifications for the 802.11ac WLAN are draft specifications and are not final. If the final specifications differ from the draft specifications, it may affect the ability of the notebook to communicate with other 802.11ac WLAN devices.
[5] HD content required to view HD images.
[6] HP Touchpoint Manager requires purchase of a subscription and supports Android™, iOS and Windows 7 or higher operating systems and PCs, notebooks, tablets and smartphones from various manufacturers. Not available in all countries see www.hp.com/touchpoint for availability information.
[7] External power supplies, power cords, cables and peripherals are not low halogen. Service parts obtained after purchase may not be low halogen.
[8] Internet access required to receive updates. First update included. Subscription required for updates thereafter.
[9] HP ePrint requires an internet connection to HP web-enabled printer and HP ePrint account registration (for a list of eligible printers, supported documents and image types and other HP ePrint details, see www.hp.com/go/businessmobileprinting.
[10] Internet access required.
