HP x2 210 G2 Detachable PC

Who has time for a device that just does one thing? When work demands flexibility, you need a mobile PC that can keep up. Designed to fit the way field sales force, small businesses, and mobile professionals work, the versatile HP x2 210 Detachable PC gives you five modes for the price of one.

HP recommends Windows 10 Pro.

- Windows 10 Pro[1]

An adaptable detachable.

Go beyond notebook and tablet functions with write, share, and watch modes that are ideal for business professionals in the office, and in the field. Create content, view and share documents, finish proposals, work e-mails, and more. [2]

PC-like productivity.

Maximize productivity in and out of the office with a detachable equipped with essential ports and a range of optional accessories including the HP Elite USB-C™ Dock.[3]

Easy to buy and maintain.

Be confident with the HP x2 210's modern manageability features, business-class warranty, TPM security, and protection options from HP support and services.[4]

Affordable, tablet-first design.

Get a cost-effective business 2-in-1 that combines dependable productivity with tablet-class thinness for the maximum mobility craved in sales and business environments.

Featuring

- Help protect from today's security threats and maximize management and productivity features for business with Windows 10 Pro.[1]
- Get a true business laptop experience for that important presentation, proposal or project with a durable keyboard base and 135° reflex hinge.
- An Intel® Atom™ Quad-Core processor[5] efficiently supports your business applications. Get the job done with up to 4 GB of memory and up to 128 GB of storage.
- Quickly charge your HP x2 210 with the fast charging battery that also provides you long battery life when you're on the road.
- Web conference[6] with clients and colleagues with a HD front camera, and capture images with a 5MP rear camera..
- Wirelessly project HD content in a conference room or client site with or Miracast.[7]
- Create content, close deals, and finalize projects in the field with accessories[3] that fit your needs.
- Proactively monitor and troubleshoot IT-related issues with HP Touchpoint Manager.[8]
- Optional HP Care Packs with Accidental Damage Protection help you avoid out-of-pocket repair or replacement costs and can deliver service right to your door.[4]

Messaging Footnotes

[1]Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers and/or software to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See http://www.microsoft.com.
[2]Includes Word Mobile, Excel Mobile, PowerPoint Mobile and OneNote.
[3]Sold separately or as an optional feature.
[4]HP Care Services are optional. Service levels and response times for HP Care Services may vary depending on your geographic location. Service starts on date of hardware purchase. Restrictions and limitations apply. For details, visit www.hp.com/go/cpc. HP services are governed by the applicable HP terms and conditions of service provided or indicated to Customer at the time of purchase. Customer may have additional statutory rights according to applicable local laws, and such rights are not in any way affected by the HP terms and conditions of service or the HP Limited Warranty provided with your HP Product.
[5]Multicore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering is not a measurement of higher performance.
[6]Internet access required and sold separately.
[7]Intel® Wireless Display available on Intel® products only. Requires a separate Wireless Display receiver with a USB port and an HDTV or Monitor with HDMI input. High definition (HD) content is required to view high-definition images.
[8]HP Touchpoint Manager requires purchase of a subscription and supports Android™, iOS and Windows 7 or higher operating systems and PCs, notebooks, tablets and smartphones from various manufacturers. Not available in all countries see www.hp.com/touchpoint for availability information.

Technical Specifications Footnotes

[1] Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See http://www.microsoft.com.
[2] Multi-Core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering is not a measurement of higher performance.
[3] For storage drive, GB = 1 billion bytes. Actual formatted capacity is less. Up to 6 GB (for Windows 10) is reserved for system recovery software.
[4] Wireless access point and internet service required and not included. Availability of public wireless access points limited.
[5] Miracast is a wireless technology your PC can use to project your screen to TVs, projectors, and streaming media players that also support Miracast. You can use Miracast to share what you're doing on your PC and present a slide show. For more information: http://windows.microsoft.com/en-us/windows-8/project-wireless-screen-miracast.
[6]Integrated Intel Wi-Di feature is available on select configurations only and requires separately purchased projector, TV or computer monitor with an integrated or external Wi-Di receiver. External Wi-Di receivers connect to the projector, TV or computer monitor via a standard HDMI cable, also sold separately.
[7] HD content required to view HD images.
[8] HP Touchpoint Manager supports Windows operating systems, and PCs, notebooks, tablets, and smartphones from various manufacturers. Not available in all countries. See www.hp.com/touchpoint for availability information. HP Touchpoint Manager requires purchase of a subscription.
[9] HP ePrint requires an internet connection to HP web-enabled printer and HP ePrint account registration (for a list of eligible printers, supported documents and image types and other HP ePrint details, see www.hp.com/go/businessmobileprinting.
[10] HP Support Assistant: Internet access required.
[11] External power supplies, power cords, cables and peripherals are not low halogen. Service parts obtained after purchase may not be low halogen.
[12] HP School Pack is sold separately or as an optional feature.
[13] Windows 10/MM14 battery life will vary depending on various factors including product model, configuration, loaded applications, features, use, wireless functionality, and power management settings. The maximum capacity of the battery will naturally decrease with time and usage. See www.bapco.com for additional details.
