

HP Pavilion All-in-One PC 24-a250na

Always the center of attention

Gather around and experience the power of your family's new centerpiece. The HP Pavilion All-In-One brings style and security to the center of your home. It's got the performance you need to accomplish every task safely and securely.

Powerfully secure

With an industry-leading Intel® processor¹ and the privacy of a camera that pops up only when it's in use, you can work powerfully and safely.

An entertainment standout

The ultra-thin bezel on this 60.5 cm (23.8") diagonal Full HD IPS display² packs big screen content in a much smaller footprint. And with custom audio tuning by B&O PLAY, this machine makes all your entertainment shine.

Designed to show off

This All-in-One is styled to be the centerpiece of your home. The small footprint of its sleek design takes up less space, while adding a modern touch to your desk.

HP Lounge, get closer to the Artists you love

With unlimited access to music and exclusive content for HP customers, there's no need to search for it, as it comes to you.¹⁷

¹ Multi-core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. ² Full high-definition (FHD) content required to view FHD images. ¹⁷ Unlimited access to Universal Music's portfolio for 12 months, free to HP customers. Internet access is required.
