HP EliteBook Folio G1 Notebook PC

Exquisite craftsmanship and exceptional performance are united in the HP EliteBook Folio. With hand-selected materials and premium features optimized for collaboration, it's the choice for those who value a flawless experience.

HP recommends Windows 10 Pro.

- Windows 10 Pro¹
- Screen Size: 12.5" diagonal

Elevating durable design

 Cutting-edge design, innovative engineering, and refined materials come together in the sophisticated and durable HP EliteBook Folio. Confidently take on the workday with this elegant PC that passed MIL-STD 810G testing.²

Premium collaboration

 Engage teams, clients, and vendors with the crystal-clear audio by Bang & Olufsen and the high-performance HP Premium Collaboration Keyboard that allows you to launch calls and video chats at the touch of a button on the HP EliteBook Folio.

Leave passwords behind

 Use the IR camera with Windows Hello to use your face as your password to unlock a Windows 10 Pro¹ device or browse the web.

Featuring

- Power through your day with Windows 10 Pro¹ and the powerful, collaboration ready HP EliteBook Folio.
- The HP EliteBook Folio handles high-performance requirements with a 6th Gen Intel[®] Core[™] processor,⁴ PCIe SSDs, 8 GB of memory, and long battery life.
- Make conferencing from your PC as simple as the touch of a button with the backlit HP Premium Collaboration Keyboard.
- Pick the right display for the way you work with crystal-clear UHD^s or FHD touch display options.^s
- Protect, detect, and recover from malicious BIOS attacks with HP Sure Start with Dynamic Protection the industry's first self-healing BIOS that monitors and corrects BIOS corruption in real-time.³
- Help boost efficiency with optional accessories like the HP Elite Thunderbolt™ 3 Dock,⁵ the HP Executive Travel Dock,⁵ and Elite Displays⁵ that complement the sophisticated style of the HP EliteBook Folio.
- Stay productive with essential USB-C[™] ports for charging mobile devices and more.
- The HP EliteBook Folio is precision engineered to the finest detail and passed MIL-STD 810G testing.²

HP recommends Windows 10 Pro.

Recommended Accessories and Services

Messaging Footnotes

¹ Not all features are available in all editions or versions of Windows. Systems may require ungraded and/or separately purchased bardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See http://www.microsoft.com.

² MIL-STD testing is not intended to demonstrate fitness for U.S. Department of Defense contract requirements or for military use. Test results are not a guarantee of future performance under these test conditions. Damage under the MIL STD test conditions or any accidental damage requires an optional HP Accidental Damage Protection Care Pack.

³ Dynamic Protection monitors and corrects BIOS every 15 minutes. ⁴ Multi-Core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering is not a measurement of higher performance. ⁵ Sold separately or as an optional feature.

² Multicore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering is not a measurement of higher performance.

³ Some VPro functionality of this technology, such as Intel[®] Active management technology and Intel Virtualization technology, requires additional 3rd party software in order to run. Availability of future "virtual appliances" applications for Intel vPro technology is dependent on 3rd party software providers. Microsoft Windows required.

⁴ For storage drives, GB = 1 billion bytes. Actual formatted capacity is less. Up to 30 GB (for Windows 7 and 10) is reserved for system recovery software.
⁵ Wireless requires wireless access point and Internet service. Availability of public wireless access points limited.

⁶ HD content required to view HD images ⁷ BIOSphere features may vary.

⁸ The Wireless Hotspot application requires an active internet connection and separately purchased data plan. While HP Wireless Hotspot is active, on-device applications will continue to work and will use the same data plan as the wireless hotspot. Wireless Hotspot data usage may incur additional charges. Check with your for plan details. Requires Windows. 9 HP Mobile Connect is available in select EMEA countries and requires prepaid service purchase. Find coverage and availability for your service area at www.hp.com/go/mobileconnect.

¹⁰ HP Support Assistant requires Windows. ¹¹ ePrint requires an Internet connection to HP web-enabled printer. HP ePrint account registration required. For a list of eligible printers, supported documents and image types, and for complete details, see www.hp.com/go/businessmobileprinting.

¹² Absolute subscription required, see http://www.absolute.com/landing/2012/computrace-hp for complete details. Absolute Data Protect agent is shipped turned off, and must be activated by customers. Service may be limited, check with Absolute for availability outside the U.S. The optional subscription service of Absolute Recovery Guarantee is a limited warranty. Certain conditions apply. For full details visit:

http://www.absolute.com/company/legal/agreements/computrace-agreement. If Data Delete is utilized, the Recovery Guarantee payment is null and void. In order to use the Data Delete service, customers must first sign a Pre-Authorization Agreement and either create a PIN or purchase one or more RSA SecurID tokens from Absolute Software.

¹³ File Sanitizer: For the use cases outlined in the DOD 5220.22-M Supplement. Does not support Solid State Drives (SSDs). Initial setup required. Web history deleted only in Internet Explorer and Firefox browsers and must be user enabled. With Windows 8.1, user must turn off Enhanced Protection Mode in IE11 for shred on browser close feature. ¹⁴ Integrated Intel WiDi software is available and requires separately purchased projector, TV or computer monitor with an integrated or external WiDi receiver. External WiDi receivers connect to the projector, TV or computer monitor via a standard VGA, HDMI cable, also sold separately.

¹⁶ Skype for Business subscription required.
 ¹⁶ This product ships with TPM 1.2 with option to upgrade to TPM 2.0. Upgrade utility is expected to be available by the end of 2015 via HP Customer Support.
 ¹⁷ External power supplies, power cords, cables and peripherals are not low halogen. Service parts obtained after purchase may not be low halogen.

¹⁸ Windows 10 MM14 battery life will vary depending on various factors including product model, configuration, loaded applications, features, use, wireless functionality, and power management settings. The maximum capacity of the battery will naturally decrease with time and usage. See www.bapco.com for additional details.
