Get the most out of your HP technology investment with genuine HP accessories.

HP offers all the accessories you need with high-performance features for today's mobile office productivity, including a wide selection of stylish and durable carrying cases for your business notebook and accessories.

Innovative, ergonomic accessory solutions for any work environment keep you powered up and connected on the fly. HP accessories are rigorously tested to work with HP business notebooks and tablets. Enjoy plug & play simplicity for on-the-go productivity. Rely on business-class testing standards for high performance. Get peace of mind with HP award-winning service and support.

HP Adapter Solutions

Be productive wherever you work best with HP power adapters. Whether you want something compact to carry, have a unique travel situation, or would just like another AC adapter for the office or home, HP offers an adapter for almost every computing situation.

AC Adapters

Expand your mobile office productivity

AC adapters from HP power your notebook and charge the internal battery simultaneously. These adapters provide you with the ability to power your notebook when away from the office or on the road. As a notebook user, you may also need your adapter to be as flexible as your business notebook. Be productive on the go throughout the day with versatile power solutions for office work or business travel.

Standard Smart AC Adapters

HP Smart AC adapters are great as a needed back-up for use with your HP Business Notebook, HP Ultrabook, HP Mini and Docking Station. Built-in surge protection helps guard your product by regulating power and offsetting electrical spikes.

Mini AC Adapters

Light weight for easy transport when you're on the go. Designed for use with select models of the HP Mini series of products.

HP Mini 40W Smart AC Adapter

BU203AA

Specialized Travel Adapters

Perfect for international travelers or “road warriors” who are always on the go.

Four international adapter plugs (U.S., EU, Japan, and UK) help make sure your travel adapter works wherever your work takes you. Convenient USB port charges other accessories while you work.

HP Smart 65W Travel AC Adapter

Product #: AU155AA

Minimize clutter and carry one adapter instead of multiple adapters when you travel. Slim and lightweight, it's a perfect travel companion that fits easily into your notebook carrying case. Integrated USB port makes it convenient to charge your phone, tablet, or other mobile device. Enjoy compatibility with three interchangeable tips to connect to your business notebook or Ultrabook™. DC and AC power cables deliver increased flexibility for use on the road, in the office, at home, or on an airplane.

90W Slim Combo Adapter with USB

Product #: H6Y84AA (New!)

Power your notebook in your car and charge the internal battery simultaneously. It works in both 12V and 24V auto power chargers.

HP 90W Smart Auto Adapter

Product #: ED493AA

Slim and lightweight, slip it into your carrying case alongside your notebook. Charge your phone, tablet, or other device while you work with the integrated USB port. Three interchangeable tips provide easy connection to your business notebook or Ultrabook™. Includes a DC cable to connect to your car's auxiliary power outlet and an AC power cable to connect at home, in the office, or on an airplane.

HP 90W Slim Combo Adapter with USB

Product #: H4A41AA

Get multi-brand compatibility with virtually every notebook PC. Includes 12 interchangeable tips for easy connection to a range of notebooks. Integrated USB port supports charging of tablets and various mobile devices.

HP 90W Universal Adapter with USB

Product #: H4A43AA#ABA; US only

Cables and Connectors

Expand what you can do with your business notebook

Add Ethernet and VGA connectivity with a single handy adapter. Connect the adapter to the notebook's side docking port and immediately get an Ethernet port for connecting to a wired network and a VGA port for connecting to an external display or projector. Compact and light, it's a breeze to carry alongside your notebook for extended access when you need it.

Dock Connectors

HP Dock Connector to Ethernet & VGA Adapter — New!

Product #: G7U78AA

Dimensions: (L x W x H): 5.91 x 2.36 x 0.59 in
(150 x 60 x 15 mm)

Weight: 0.081 lb (37 g) unpackaged

Maximize your business notebook's ports

Make the most of the available ports on your business notebook with a compact adapter that expands compatibility with displays and projectors. It fits easily in your carrying case alongside your notebook for mobile office productivity—available whenever and wherever you need it.

Output Ports

Convert your business notebook's HDMI output port to an analog VGA input so you can connect to an external VGA display.

Convert your business notebook's HDMI output to DVI for quick and easy connection to an external display.

HP Wireless Display Adapter

From your notebook, tablet or smart phone to a big screen, share content without wires.

Share your content with the whole room wirelessly

At an office meeting or a conference presentation, you can share your content wirelessly from your notebook, tablet or smart phone to a display or projector with 1080p video streaming and surround sound audio.

For on-the-fly productivity, the dongle, cable, HDMI-to-VGA adapter, and AC adapter fit into a compact pouch that you can store alongside your notebook, tablet or smart phone. Use Intel WiDi or Miracast to project content from a compatible tablet, notebook or smart phone. If Intel WiDi or Miracast are not available, use Presentation mode to wirelessly project screen or Web content onto a monitor or projector. Features include programmable access point (AP), HDMI V1.3a with HDCP protection, and USB 2.0 interface high speed. Supports dual band 2.4G / 5G radio, IEEE802.11a/g/n. No software installation is necessary on the computer.

Wireless Display Adapter

Product #: F7W95AA

Dimensions: (L x W x H): 3.70 x 1.20 x 0.55 in (94.10 x 30.50 x 14.20 mm)

Weight: 0.9 oz (28 g)

HP input/output device solutions

HP Input/Output devices provide additional desktop functionality for HP Business Notebooks.

Pens, Mice, Keyboards, Smart Card Readers, and Optical Storage

Gain flexibility and functionality for how you work best

HP offers an impressive slate of innovative and ergonomically designed input/output devices that can complement your work environment and work style. HP Input/Output devices with USB connections are compatible with all HP Business Notebook and docking products.

Pointing Devices

Experience pin-point accuracy to help improve productivity with the pen's capacitive tip. Write messages and notes in your own handwriting directly on your HP EliteBook Revolve 810 G2 or HP ElitePad 1000 G2 screen. (Not compatible with HP EliteBook Revolve G1.) Then save it or convert it to typed text to use in other applications.

HP Executive Tablet Pen G2

Product #: F3G73AA
Dimensions: (L x W): 5.65 x 0.47 in
(143.50 x 11.80 mm)
Weight: 1.06 oz (30 g)

Connect up to five HP-compatible devices with HP Link-5 technology. Power-smart, it keeps up with your work day. Low-profile, long-life, and designed for comfort.

HP Ultra Mobile Wireless Mouse

Product #: H6F25AA
Dots per inch (DPI): 1200
Dimensions: (H x L x W): 0.98 x 4.00 x 2.54 in
(2.50 x 10.17 x 6.46 cm)
Weight: 3.25 oz (92 g)

Mouse Devices

Enjoy easy wireless notebook and tablet navigation. The stylish mouse works with a range of operating systems, supports ambidextrous use, and is easy to pack and go.

HP Slim Bluetooth Mouse

Product #: F3J92AA
Dots per inch (DPI): 1200
Dimensions: (H x L x W): 0.98 x 4.00 x 2.54 in
(2.50 x 10.17 x 6.46 cm)
Weight: 1.55 oz (44 g)

Get additional flexibility and functionality and keep your workspace clutter-free with the world's first near field communication (NFC) wireless mouse that instantly pairs and connects to your Bluetooth®-enabled tablet or Ultrabook™.

HP Touch to Pair Mouse

Product #: H6E52AA
Dots per inch (DPI): 1600
Dimensions: (H x L x W): 1.52 x 4.21 x 2.88 in
(3.86 x 10.70 x 7.31 cm)
Weight: 2.65 oz (75 g) (w/o batteries)

Be more productive on the go. Sleek, stylish high-precision 1600 dpi laser sensor works on most surfaces. Works seamlessly with Bluetooth-enabled laptops, Ultrabooks™, and tablets without taking up a valuable USB port. The rubber-edge grips make the mouse comfortable and easy to handle in either hand.

HP X4000b Bluetooth Mouse

Product #: H3T50AA

Dots per inch (DPI): 1200-1600

Dimensions: (H x L x W): 1.52 x 4.21 x 2.64 in
(3.86 x 10.69 x 6.71 cm)

Weight: 4.3 oz (122.5 g)

Push the performance envelope with this 30-month battery life. Bold, modern design integrates seamlessly with HP Business Notebooks. HP Link-5 technology connects five HP-compatible devices through one nano receiver (included).

HP Comfort Grip Wireless Mouse

Product #: H2L63AA

Dots per inch (DPI): 800

Dimensions: (H x L x W): 1.52 x 4.21 x 2.64 in
(3.86 x 10.69 x 6.71 cm)

Weight: 4.3 oz (122.5 g)

Keyboard Devices

Gain wireless convenience, optimal portability, and the flexibility of one keyboard for your Windows and Android tablets.

HP Bluetooth Keyboard

Product #: F3J73AA

Dimensions: (H x L x W): 0.59 x 10.43 x 4.60 in
(1.50 x 26.50 x 11.70 cm)

Weight: 8.85 oz (251 g)

Enjoy the convenience, comfort, and elegance of optical mouse operation in a miniature size—an ideal solution while on the road. It features two buttons plus clicking scroll wheel, USB interface, and optical navigation driven by red LED.

HP Optical USB Travel Mouse

Product #: RH304AA

Dots per inch (DPI): 500

Dimensions: (H x L x W): 1.50 x 3.80 x 2.20 in
(3.8 x 9.60 x 5.5 cm)

Weight: 2.5 oz (70 g)

Rely on laser tracking technology that delivers variable speed precision on a variety of surfaces. The mouse wheel functions as a third button. The mouse has no ball or moving parts, for improved durability and reduced sticking and cleaning. The contoured shape can be used in either hand.

HP 3-Button USB Laser Mouse

Product #: H4B81AA

Dots per inch (DPI): 1000

Dimensions: (H x L x W): 1.47 x 4.53 x 2.47 in
(3.73 x 11.50 x 6.29 cm)

Weight: 3.36 oz (102 g)

Instantly pair and connect to any Bluetooth-enabled notebook or tablet. A thin and light keyboard for comfortable typing without cables getting in the way. Fast and convenient access to multimedia features with one-touch hot keys.

HP Slim Bluetooth Keyboard

Product #: H4Q44AA

Dimensions: (H x L x W): 0.60 x 10.30 x 4.60 in
(1.70 x 26.40 x 11.70 cm)

Weight: 9.5 oz (270 g)

Keyboard/Mouse Devices

Customize your desktop work space when you park your notebook at the office. The keyboard has programmable buttons that launch user-specified applications and pre-programmed buttons for easy access to useful business websites. User-selectable, zero-degree slope helps improve wrist posture and user comfort. The mouse has two-button controls, a scroll wheel that doubles as a third button, and smooth optical tracking.

HP USB Essential Keyboard/Mouse (APJ & Americas only)

Product #: H6L29AA

	Keyboard	Mouse
Dots per inch (DPI)		1000
Dimensions (H x L x W)	1.08 x 18.15 x 6.02 in (2.74 x 46.1 x 15.3 cm)	1.37 x 4.53 x 2.48 inch (3.50 x 11.50 x 6.30 cm)
Weight	20.60 oz (585 g)	3.74 oz (106 g)

Adjust keyboard slope to 0°, 6° or 12° and tilt legs to suit a variety of typing preferences. It's built for heavy usage with a lifecycle rating of up to 20 million keystrokes. Reduce damage from minor spills with the integrated spill-drain feature. The mouse's simple and elegant design includes the latest laser technology for variable speed precision on a variety of surfaces. It has no ball or moving parts, for improved durability and reduced sticking and cleaning. The contoured shape can be used in either hand.

HP USB Essential Keyboard/Mouse Bundle (APJ & Americas only)

Dimensions (H x L x W)	1.08 x 18.15 x 6.02 in (2.74 x 46.10 x 15.3 cm)	2.25 x 3.74 x 1.34 inch (5.72 x 9.49 x 3.41 cm)
Weight	20.60 oz (585 g)	2.08 oz (59 g)

Enjoy cordless keyboard and mouse and USB wireless receiver in a sleek, modern set that delivers convenience and comfort, reduces the tangle and clutter associated with wired peripherals, and helps prevent work interruptions with a low battery warning. Keyboard features proprietary key technology for virtually noiseless typing, modern lower-placed keys, and new Sleep and Multimedia keys. Wireless laser mouse with high-resolution technology (1000 dpi) has a convenient scroll wheel that doubles as a third button. USB wireless receiver works outside of line of sight with the paired mouse and keyboard; supports deployment of multiple sets across multiple users in the same office without interference. Set includes AA batteries.

HP Stylish USB Keyboard and Mouse

Product #: H4B80AA

	Keyboard	Mouse
Dots per inch (DPI)		1000
Dimensions (H x L x W)	0.98 x 18.0 x 6.40 in (2.50 x 45.8 x 16.3 cm)	1.47 x 4.53 x 2.47 in (3.73 x 11.50 x 6.29 cm)
Weight	31.70 oz (900 g) minimum	3.36 oz (102 g)

Get a cordless keyboard, cordless laser mouse, and USB wireless receiver in a single package. Gone is the tangle and clutter associated with wired peripherals. Keyboard and mouse feature quiet, tactile membrane switch technology for a high level of comfort and stress-free responsiveness. The mouse has a convenient scroll wheel that also functions as a third button. USB wireless receiver works outside of line of sight with dedicated keyboard and mouse; other workers in the same office can use their wireless keyboard and mouse sets without interference.

Smart Card Readers

Add an extra layer of security to your notebook or tablet. Simplify logins and prevent unauthorized access to data on your device or private network with a single USB cable connection. Simply connect the attached cable to any available USB port on your notebook or tablet and you're ready to go. Meets GSA FIPS 201 requirements for use with Windows notebooks and tablets and your choice of smart card and API. Carry the compact and lightweight reader in your carrying case with your notebook or tablet.

HP USB Smart Card Reader

Product #: F6V67AA

Dimensions: (H x L x W): 2.91 x 2.52 x 0.51 in
(74 x 64 x 13 mm)

Weight: 1.69 oz (48 g)

Optical Storage

Simply connect the drive with the included USB cable to any USB 2.0 or 3.0 port on your notebook and you're ready to go. No additional AC adapter is required. Get immediate read/write access to your optical media. Back up your data, move files, enjoy your multimedia, and read and write CDs and DVDs to your heart's content with a compact external ODD that's so thin and light you can carry it with your PC.

HP External USB Optical Drive

Product #: F2B56AA

HP Carrying Cases

Enjoy maximum mobility for your notebook or Ultrabook™ and everyday business essentials.

Carrying Cases

Stylish, easy to carry, plenty of room, and durable

Present a picture of polished elegance with high-quality stylish designs that are also durable enough to go wherever you go. From sleeves to carrying cases, totes, messenger cases, backpacks, and designer editions—there's a style to fit your busy day in and out of the office or around the world.

The case has two smooth carrying handles, a luggage pass-through, and a convenient crossbody strap for hands-free carrying.

HP Business Series Carrying Cases

A variety of durable nylon carrying cases and a rolling case that protects your notebook and enable easy transport.

Designed to store a notebook, up to 17.3 inches diagonal, in the large rear padded notebook and tablet compartment. There's a soft interior storage area for a tablet with an easy access slip pocket on the front. The backpack has room for business essentials—papers, books, chargers, cables, and more—in the other two compartments. The front slip pocket is great for quick storage and access to keys, phone or other frequently-used item. Foam padding in the back of the case and padded handles and shoulder straps make the backpack easy to lift, carry, or wear.

HP Business Backpack

Product #: H5M90AA

Dimensions: (H x W x D): 13 x 7.10 x 18.50 in
(33 x 18 x 4.70 cm)

Weight: 1.75 lb (0.97 kg)

Large enough to carry a laptop up to 17.3 diagonal inches and your cables and cords in the spacious, padded notebook compartment. Inside there is room to organize and store important files and business essentials in the divided sections of the outer compartment. The oversized compartment can be used for a change of clothes, shoes, and personal items. A retractable handle locks in two convenient heights. With the four spinner wheels that swivel and rotate 360 degrees it's easy to walk around the office, to the car or through the airport.

HP Business 4 Wheel Roller Case

Product #: H5M93AA

Dimensions: (H x W x D): 17 x 13 x 8.75 in
(43.20 x 33 x 22.23 cm)

Weight: 7.20 lb (3.27 kg)

Designed to keep a notebook (up to 15.6 diagonal inches) close at hand and securely store papers, business cards, cell phones and other supplies in the roomy top load carry case. A soft interior tablet pocket holds a tablet up to 10.6 diagonal inches. The convenient outer pockets with slip and zip designs give quick access to frequently-used items. Carry the case by hand with the two padded carrying handles or use the convenient cross body strap. Use the luggage pass through to carry on your luggage through the airport or on the street for easy transport.

HP Business Top Load Case

Product #: H5M92AA

Dimensions: (H x W x D): 16.25 x 11.52 x 3.50 in
(41.28 x 29.20 x 8.90 cm)

Weight: 1.51 lb (0.67 kg)

Designed to protect an Ultrabook™ (up to 14.1 diagonal inches) in and out of the office with the dual-compartment interior that includes a soft lining and high-density foam. The deceptively slim design still has enough room to hold folders, documents, and everyday accessories, and a zippered edge provides up to 2.50 inches of width if needed. Get convenient, quick access to phone, keys, and more with the slip pocket on the front of the case. Carry the case by hand with the two padded carrying handles or use the cross body strap to keep hands free for other tasks. A luggage pass through provides hands free stowage through the airport.

HP Business Slim Top Load Case

Product #: H5M91AA

Dimensions: (H x W x D): 14.10 x 10.50 x 1.50 in
closed (2.50 in open)

(35.81 x 26.67 x 3.81 cm) open (6.35 cm open)

Weight: 1.45 lb (0.66 kg)

HP Essential Carrying Cases

Designed for easy portability and notebook protection in your choice of three designs.

Light and durable case with a dual-compartment interior, inner and outer pockets, and high-density foam cushioning to protect your notebook while traveling. The case can hold notebooks with screens up to 15.6 diagonal inches.

Great for both students and business professionals. It has a padded protective area for a notebook (up to a 15.6 diagonal inch screen), padded shoulder straps for maximum carrying comfort, interior slip and zip pockets, and a pass-through for headphones.

HP Essential Top Load Case
