**NORTHSIDE INDEPENDENT SCHOOL DISTRICT  
PURCHASING GENERAL TERMS AND CONDITIONS**

**The following terms and conditions are incorporated into this quote and incorporated into any formal written agreement between NISD and the successful Proposer(s) under the referenced awarded cooperative contract.**

1. All bids must be submitted utilizing the Bonfire software located at <https://nisd.bonfirehub.com/portal>. No telephone, fax, mail or personal delivery of bids will be accepted. Supporting documentation, descriptive literature or any other documentation submitted as part of a bid response must be attached electronically to the bid response in Bonfire. Any such documentation submitted by other means will not be considered.
2. Vendors are to bid their best firm price on the items listed in the bid. Vendors may bid on one, several, or all of the items listed.
3. All offers are firm. Check your bid response carefully because errors cannot be corrected after proposals are opened. It is a condition to any award under this proposal that bidders shall deliver at prices quoted.
4. The bid is a firm offer which shall be irrevocable and open for acceptance for 120 calendar days unless otherwise specified from the date set for submission of bids.
5. No quantities are guaranteed or implied. Items will be purchased on an as-needed basis.
6. Bid prices remain firm for one year. Northside reserves the right to extend this contract with the same terms and conditions if agreeable to both the District and vendor(s). Renewal of the contract will be in accordance with Local Government Code 271.903 concerning non-appropriation of funds for multi-year contracts. The Board of Trustees of Northside Independent School District, or its designee, reserves the right to rescind the contract at the end of each fiscal year if it is determined that there are insufficient funds to extend the contract.
7. Vendor **must** notify Purchasing Department immediately if items are placed on back order, and before making substitutions.
8. Non-Performance. Vendor shall perform to the satisfaction of the Northside Independent School District (District) and comply with the terms and conditions stated herein for the length of the service period. Non-compliance and/or unsatisfactory performance can result in termination of respective services with said vendor prior to the end of the service period given thirty (30) days written notice.
9. Termination. The District reserves the right to terminate, without cause and for any reason, the Agreement resulting from this **solicitation** upon thirty (30) calendar days prior written notice, or five (5) days prior written notice for cause. NISD also has the right to terminate the Agreement for convenience, without penalty, for non-appropriation or non-availability of funds by delivery to the Supplier of a "Notice of Termination" specifying the extent to which performance hereunder is terminated and the date upon which such termination becomes effective. In the event of termination prior to completion of the Project, compensation shall be prorated on the basis of work actually performed, and the Supplier shall only be entitled to receive just and equitable compensation for any satisfactory work completed up to the date of termination, unless otherwise mutually agreed upon by District and Supplier.
10. All unit packages must be labeled in a conspicuous place with size, weight, and identification, or any other pertinent information. The purchase order number must also accompany each delivery. All containers shall be labeled to identify the source or supply. All containers shall be stamped with the date of manufacture. The label shall include simple directions covering the use of the item. All items must be labeled to comply with local, state and federal regulations, including OSHA.
11. When a brand name is used, it is for the purpose of establishing quality. Although certain manufacturer or distributor item numbers may be specified, alternates will be considered. The bidder, by bidding an alternate, warrants that products being bid meet or exceed all stated specifications. When an alternate is bid, the bidder must document alternate bid within the line item notes and furnish complete and descriptive literature on item(s) bid. If an alternate is bid and descriptive literature is not included, the bid may be considered invalid. Vendors should provide a link to information about alternate items bid. The inability of District staff to verify that items being bid meet specifications due to company catalog or website not containing the items may be subject to rejection.
12. Manufacturer or distributor information listed is for the purpose of providing vendors with an understanding of what items the District seeks to purchase. This information is not intended to limit bids only to that distributor but is provided for informational purposes only.

13. If not bidding the specified item, a sample is required for considerations of the award, to be delivered upon request; otherwise, that particular item is subject to rejection. The sample should come at no expense to the District and will only be returned to the vendor at their expense. Samples must be labeled with the vendor name, marked with the bid number and bid name, and should be received at the Northside Independent School District, Purchasing Department, 607 Richland Hills Drive, Suite #700, San Antonio, Texas 78245.
14. If bidding on a make or model other than specified, the bidder is to list make and model of the item being bid and must state any deviations from the item specified. The burden of proof of compliance with this specification will be the responsibility of the vendor. Samples of items which are not as specified must be available to the District upon request.
15. District reserves the right to determine “equals”, or whether an alternate is of equal quality. All District decisions are final.
16. If an awarded vendor ships items that do not comply with the general conditions of the bid or items specifications, such merchandise will not be accepted and a call tag will need to be issued at the vendor’s expense for the items to be returned.
17. The District reserves the right to reject any and/or all bids and to make awards on the individual items as they may appear to be advantageous to the District, to include award of different items to different vendors, and to waive all formalities in bidding.
18. The term “As Specified” or “A/S” will not be accepted. If bidding on a make or model other than specified, bidder/proposer is to list make and model of item being bid and must state any deviations from the item specified. The burden of proof of compliance with this specification will be the responsibility of the vendor. Samples of items which are not as specified must be available to the District within 72 hours after our request.
19. Bidder/proposer hereby affirmatively states that it has not participated in any act of collusion, favoritism, gratuity, or inside dealings with any member of the staff of Northside or its Board of Trustees.
20. Delivery shall be FOB Destination and all bids or proposals shall include the cost of transportation to various locations within Northside Independent School District.
21. Time of delivery will be a consideration in making awards. Delivery must be stated in terms of days, weeks, or months.
22. Freight will be prepaid by the vendor. Inside delivery is required.
23. If shipping items on a pallet, a truck with a liftgate will be required at the expense of the vendor.
24. The vendor shall provide an expected delivery date, reason for the delay and an alternate product if one is available.
25. Changes: Northside ISD requires written notification in the event of a model and/or price changes and discontinuations. Original bid price will stay firm for 30 days after written notification of the change. The District reserves the right to re-bid the item(s) listed at any time.

27. Payment: Unless otherwise stated, payment terms will be Net 30 after acceptance of delivery or receipt of correct invoice, whichever comes later.
28. The District utilizes Electronic Funds Transfer (EFT) to pay for goods and services. Vendors awarded a contract as a result of this solicitation will be required to provide appropriate banking information to receive payment.
29. Northside Independent School District considers cash discounts or discounts for prompt payment when evaluating bids.

- c. Adopted Contract Management. The adopting district shall be responsible for the management of the new contract and all payments to the contracted vendor. The originating district shall have no responsibilities under the new contract agreement. If a member district chooses to utilize this solicitation and subsequent contract, contracts will be awarded individually by those districts. ONLY IF ALLOWING OTHER DISTRICTS the district would contact the vendor to discuss the extension of services. Upon adoption of the contract by the adopting CTPA member district, the original term of the contract and any renewal or extension options allowed under the original contract shall then transfer to the adopted contract, and such renewals options may be executed by the adopting member district at its sole discretion and independently of the originating member district's decision to execute such renewal options on the original contract.
31. Bidder hereby affirmatively states that it has not participated in any act of collusion, favoritism, gratuity, or inside dealings with any member of the staff of Northside Independent School District or its Board of Trustees.
32. Contact, either directly or indirectly, between bidders/proposers and District staff, including the District Board of Trustees, other than those in the Purchasing Department during the bidding process or evaluation process is prohibited. Any attempt by a bidder/proposer to contact District staff outside the Purchasing Department may result in disqualification.
33. Jurisdiction and venue for litigation of any dispute, controversy or claim arising as a result of this bid solicitation will be in the appropriate court having subject matter jurisdiction in Bexar County, Texas.
34. As required in Texas Education Code §44.031(b), in determining to whom to award this contract, the District shall consider: the purchase price, the reputation of the vendor and the vendor's goods or services, the quality of the vendor's goods or services, the extent to which the goods or services meet the district's needs, the vendor's past relationship with the district, the impact on the ability of the district to comply with laws and rules relating to historically underutilized businesses, the total long-term cost to the district to acquire the vendor's goods or services, whether the vendor or the vendor's ultimate parent company or majority owner: A) has its principal place of business in Texas or B) employs at least 500 persons in Texas and finally, any other relevant factor specifically listed in the request for bids or proposals.
35. A person commits an offense (Class C misdemeanor) if they knowingly violate Section 176.006, Local Government Code.
36. Effective January 1, 2016, all contracts executed by the Northside ISD Board of Trustees', regardless of the dollar amount, will require completion of Form 1295 "Certificate of Interested Parties", per the new Government Code Statute §2252.908. The Vendor shall also defend and indemnify the Northside Independent School District against claims by any subcontractor, supplier, laborer, materialman or mechanic for payment for work or materials provided on behalf of the Vendor in the performance of the services contemplated herein, and all such claimants shall look solely to the Vendor and not Northside Independent School District for satisfaction of such claims.
