

Portable. Sturdy. Elegant.

Portable Storage | StoreJet[®] 300/500/600 for Mac[®]

Transcend's StoreJet[®] for Mac[®] series is specifically designed for your Mac computers. The SJM300 is a portable hard drive, whereas the SJM500 and SJM600 are portable solid state drives. The SJM300 and SJM500 are equipped with a Thunderbolt and USB 3.1 Gen 1 interface, while the SJM600 features the USB Type-C and USB 3.1 Gen 2 interface. All three models are natively formatted in HFS+ file system, and fully supports Time Machine[®] backup.

Immense storage space

USB Type-C port (SJM600)

- High-quality metallic design
- Excellent shock resistance
- Supports UASP (SJM500 and SJM600)
- Daisy-chain up to 6 Thunderbolt devices* (SJM300 and SJM500)
- Exclusive Transcend Elite software
- HFS+ pre-formatted and supports Time Machine[®]

*As the SJM300 and SJM500 have only one Thunderbolt pass-through port, they must be the last device on a daisy-chain.
