NMP-710-P8

The ViewSonic® NMP-710-P8 network media player delivers smart whiteboard functionality for ViewSonic interactive model CDE5560T, CDE6560T and CDE7060T. This slot-in PC module easily plugs into compatible displays and supports high-definition audio and video. With a powerful Intel® i5 processor, the NMP-710-P8 provides the computing power needed for educational, corporate, or scientific environments. In addition, an integrated optional Windows® 8 Pro operating system delivers Windows compatible touch functionality such as a pull-out charm bar and simple navigation to a variety of applications. The NMP-710-P8 is capable of storing and playing hours and hours of high-definition multimedia content thanks to its 4GB of built-in memory and 500GB HDD storage. Connectivity options include DisplayPort input, HDMI out, VGA out, five USB2.0 and two high-speed USB 3.0 ports as well as RJ45.

Packed with Powerful Intel Processor

Utilizing an Intel® Core™ i5 processor, the NMP-710-P8 provides additional computing power needed for fast-moving educational, corporate, or scientific environments.

Integrated Windows 8 Pro Operating System

Pre-installed with Microsoft® Windows® 8, the NMP-710-P8 provides access to MS Office Suite applications ideal for both corporate and educational use. A built-in browser provides users instant access to the internet, while Windows 8 compatibility creates an interactive and collaborative experience.

4GB of Internal Memory, 500GB HDD Storage

The NMP-710-P8 is capable of storing and playing hours and hours of high- definition multimedia content thanks to its 4GB of built-in memory and 500GB of HDD storage. This reliable media player will display dynamic content with no crashes, freezes, or lost content.

Easy Installation

The NMP-710-P8 can be easily plugged into compatible digital signage displays and provides simple configuration and maintenance of custom multimedia settings.

Compatible with ViewSonic® Large Format Displays

The NMP-710-P8 is specifically designed for use with the ViewSonic CDE5560T, CDE6560T and CDE7060T. When plugged into these compatible large format displays, the NMP-710-P8 provides additional computing power and interactive functionality.
