**AGGREGATE AWARD PERIOD:** May 7, 2021 – May 6, 2022

**CONTACT:** OGS.sm.PS.AggregateBuy@ogs.ny.gov

**CONTRACT NO.:** Various      **CONTRACTOR:** Various

### ALL STATE AGENCIES AND OTHERS AUTHORIZED TO USE STATE CONTRACTS:

Authorized Users should be aware that multiple news outlets and advisory groups have been reporting on ongoing CPU supply shortages resulting from multiple factors, including shutdowns in production and increased demand from consumers and businesses.

Authorized Users should also be aware that the CPU supply shortage may impact other components necessary to build out complete PC systems including, but not limited to, WiFi cards, display panels, and power management units. Ongoing shortages could potentially impact the delivery of desktops, tablets, and notebooks on the Aggregate Buy.

Authorized Users should notify the Aggregate Buy Team at [OGS.sm.PS.AggregateBuy@ogs.ny.gov](mailto:OGS.sm.PS.AggregateBuy@ogs.ny.gov) of significant delays related to component shortages.

All Authorized Users are advised to take the foregoing information into account when planning procurements. OGS encourages Authorized Users to forecast demand for their agency and submit single large orders vs. submitting multiple small orders wherever possible.

Authorized Users should plan accordingly, including aggregating purchases and placing orders as early as possible. Additionally, if Authorized Users are aware of any large forthcoming purchases (such as those involved in a system refresh), it is strongly advised to share that information with the OGS Aggregate Buy team at [OGS.sm.PS.AggregateBuy@ogs.ny.gov](mailto:OGS.sm.PS.AggregateBuy@ogs.ny.gov).
