OVERVIEW

RUCKUS customers can take advantage of discounts across both hardware (Wi-Fi 5 and Wi-Fi 6) and Cloud management licenses. To receive promotional pricing, customers must purchase a minimum of ten Access Points (APs) and ten (corresponding) 3-year Cloud Wi-Fi licenses. Cloud licenses must be activated within 60 days of purchase. Customers also have the option of adding a 3-year Cloud Switch license for managing our 7150 switches.

Additionally, when it's time to renew the 3-year Cloud license, customers will be offered the same promotional pricing for an additional 3-year Cloud license!
