# Xerox® VersaLink® B400 Printer and Xerox® VersaLink® B405 Multifunction Printer

Whether stand-alone or as a part of your extended fleet, the Xerox® VersaLink B400 Printer and VersaLink B405 Multifunction Printer – featuring Xerox® ConnectKey® Technology – take your team to new levels of productivity. Work the way you want – from any device – with maximum security and easy connectivity to and from both cloud and network-based locations.

## Easy, optimised productivity.

Right out of the box, you'll count on your Xerox® VersaLink® B400 Printer or VersaLink B405 Multifunction Printer to consistently and flawlessly perform the tasks that make your business work more efficiently. From IT-free installation wizards, to step-by-step configuration options, you're ready to go – hassle free.

And count on day in, day out reliability thanks to our trusted paper path technology.

VersaLink devices are loaded with features and time-saving Xerox technologies designed to speed up information sharing and reduce inefficient workflows. Ensure information accuracy with Scan and Fax preview<sup>1</sup>, and do more with scanned documents with built-in optical character recognition (OCR)<sup>1</sup>.

Print with total peace of mind knowing that VersaLink devices deliver a spectrum of stringent security features, including Secure Print and card authentication to control access.

## An entirely new way to work.

With the customisable 5-inch colour touchscreen, you can tap, swipe and pinch your way through tasks and functions with mobile-like ease.

Preloaded Xerox® ConnectKey® Apps help optimise office efficiency, and on-screen access to the extensive Xerox® App Gallery provides expanded functionality – like the Xerox® Easy Translator Service app<sup>1</sup>, which quickly translates scanned documents into numerous languages.

Speed through tasks by saving common settings as presets for simple, single-touch job setup. With Simple ID, individual users and groups enter a user ID and password once, and then enjoy fast, secure, easy access to task-specific presets and commonly used apps on a personalised home screen.

## Upward mobility for every work style.

The VersaLink B400 Printer and VersaLink B405 Multifunction Printer give you the freedom to work where and how you want – with direct connectivity to Google Drive™, Microsoft® OneDrive® and DropBox™, and access to additional options through the Xerox® App Gallery.

The ability to connect and print from multiple devices is key for today's worker, and VersaLink devices meet the challenge with optional Wi-Fi and Wi-Fi Direct, plus Apple® AirPrint®, Google Cloud Print™, Xerox® Print Service Plug-in for Android™, Near Field Communication (NFC) Tap-to-Pair and Mopria®.

**Introducing touch screen superiority.**

Meet our tiltable, 5-inch capacitive colour touch screen – the user interface that sets a higher standard for customisation, personalisation and versatility.

By presenting a familiar “mobile” experience – with support for gestural input and task-focused apps that share a common look and feel – fewer steps are needed to complete even the most complex jobs.

A highly intuitive layout guides you through every task from start to finish, with a natural hierarchy placing critical functions near the top of the screen and commonly used options front and centre. Don't like where a function or app is located? Customise the layout to make it yours.

This unmatched balance of hardware technology and software capability helps everyone who interacts with the VersaLink B400 Printer or VersaLink B405 Multifunction Printer get more work done, faster.
