 MANIFEST

THIS MEMORANDUM is an acknowledgment that a Bill of Lading has been issued and is not the Original Bill of Lading, nor a copy or duplicate, covering the property named herein, and is intended solely for filing or record RECEIVED, subject to the classification and tariffs in effect on the date of the receipt by the carrier of the property described in the Original Bill of Lading

FROM OLIN CORPORATION

The property described below, in apparent good order, except as noted (contents and condition of contents of packages unknown), marked, consigned, and destined as indicated below, which said carrier (the word carrier being understood throughout this contract as meaning any person or corporation in possession of the property under the contract) agrees to carry to its usual place of delivery at said destination, if on its route otherwise to deliver to carrier on the route to said destination. It is mutually agreed, as to each carrier of all or any of said property over all or any portion of said route to destination, and as to each party at any time interested in all or any property, that every service to be performed hereunder shall be subject to all the terms and conditions of the Uniform Domestic Straight Bill of Lading set forth in Uniform Freight Classification in effect on the date of this is a rail or a motor shipment, or (2) in the applicable motor carrier classification or tariff if this is a motor carrier shipment.

I hereby certify that he is familiar with all the terms and conditions of the said bill of lading, including those on the back thereof, set forth in the classification or tariff which governs the transportation of this and the said terms and conditions are hereby agreed to by the shipper and accepted for himself and his assigns.

Where the rate is dependent on value, shippers are required to state specifically in writing the agreed or declared value of the property. The agreed or declared value of the property is hereby specifically stated by the shipper to be not exceeding _____

Subject to Section 7 of this agreement, if this shipment is to be shipped to the consignee or their return to the shipper, the consignee shall sign the following statement:
 The carrier shall not be liable for the shipment unless payment of freight and all other charges are received.

Signature of Consignee: _____

FREIGHT CHARGES
 PREPAID COLLECT

RECEIVED. Subject to the classifications and tariffs in effect on the date of the issue of this Bill of Lading, the property described above in apparent good order, except as noted (contents and condition of packages of packages unknown), marked, packaged, and destined as indicated above which said carrier (the vessel carrier being understood throughout this contract as meaning any person or corporation in possession of the property under the contract) agrees to carry to its usual place of delivery at said destination, if on its route, observing to deliver to another carrier on the route to said destination. It is mutually agreed as to each carrier of oil or any of said property over all or any portion of said route or destination and as to each party of any firm interested in oil or any said property, that every service to be performed hereunder shall be subject to all the bills of lading terms and conditions in the governing classification on the date of shipment. Shipper hereby certifies that he is familiar with all the bill of lading terms and conditions in the governing classification and the said terms and conditions are hereby agreed to by the shipper and accepted for himself and his agents.
