FUJITSU

Data Sheet Fujitsu LIFEBOOK U9311X

World's Lightest Convertible With A Pen

Available in red and black, the FUJITSU Tablet LIFEBOOK U9311X is a lightweight 360-degree foldable device. All-day battery runtime and global LTE ensure highest productivity in any place, while security features such as the integrated PalmSecure[™] sensor keep your business data protected. Powerful performance and full connectivity with Intel[®] Thunderbolt[™] 4 offer you best-in-class user experience.

Ultra-slim and lightweight Convertible

The very slim and light housing make it very comfortable to carry the device. Thanks to its 360° foldability, it can be immediately turned from a Notebook to a Tablet – and back.

- Available in red or black
- Weighing from 1 kg with a robust magnesium housing
- Durability is MIL-STD-810H tested
- Intel[®] Iris[®] Xe Graphics

Security at its best

No compromises in security and data protection – the integrated PalmSecure[™] sensor turns your unique palm vein pattern into your personal key.

- PalmSecure[™]
- Fingerprint & Full HD IR Camera supporting Windows Hello
- SmartCard reader
- Kensington Lock support

Excellent connectivity and usability

Newest interfaces and convenient features. All ports are full-sized – even the LAN port. No adapters, that can be lost and cause additional costs, needed.

- Complete set of full-sized interfaces: HDMI, LAN and USB Type-C with Intel® Thunderbolt™ 4
- 13.3 inch FHD anti-glare touch display with pen input
- Pen garage with inductive charging function
- 5 MP rear camera

Convenient mobility supporting usage on the go

- Highest productivity on business trips without empty batteries or waste of time
- All-day battery runtime offers you the exceptional mobility that you need when on the move
- Anytime USB charging functionality for your peripheral devices, even when system is turned off
- Always connected and instantly ready

Battery notes	Battery runtime information is based on worldwide acknowledged BAPCo® MobileMark® 2018. Refer to www.bapco com for additional details. The BAPCo® MobileMark® Benchmark provides results that enable direct product comparisons between manufacturers. It does not guarantee any specific battery runtime which actually can be lower and may vary depending on product model, configuration, application and power management settings. The battery capacity decreases slightly with every re-charge and over its lifetime.

Warranty	
Warranty period	2 years (for countries within EMEIA)
Warranty type	Bring-in Service / Collect & Return Service (depending on country)
Recommended Service	9x5, Onsite Response Time: Next Business Day
Spare Parts availability	at least 5 years after shipment, for details see https://support.ts.fujitsu.com/

Recommended Accessories

Thunderbolt [™] 4 Port Replicator	First Thunderbolt [™] Port Replicator on the market providing enhanced Order Code: security and full support of Intel® AMT (vPro®). FPCPR401BP The universal port can easily connect almost everything with a single cable and high speed-data transfer. This smart workspace solution keeps your desk clean and tidy.
USB Type-C Port Replicator 2	Connect to your peripherals. Adapt to the task on demand. The universal USB Type-C interface supports you to get your peripheral devices connected easily. Multiply your USB ports to connect your peripherals as well as your external display via HDMI, DisplayPort or VGA. You also can charge your external USB devices without the need of any additional charger.
Thunderbolt [™] 3 Port Replicator	With Thunderbolt™ 3 you can connect almost everything with only on cable. Enhance your USB connection options, connect your displays viaOrder Code: S26391-F3357-L100Thunderbolt™ 3, HDMI or DisplayPort while charging your device.S26391-F3357-L100
USB Type-C AC Adapter	Recharge your notebook or tablet at work, at home or on the road with this Order Code: USB Type-C power source easily. S26391-F3326-L502

AES Pen with replacement stylus tips	Take your creativity to the next level, with the most natural pen experience Order Code: with the AES Pen with replacement stylus tips. With pen nibs that are very S26391-F3149-L500 thin, you can experience the writing and signing behavior of an ink pen.
Car Adapter USB-C-QC	One Car Adapter fits all. Independent of your mobile device charging method this car adapter will fulfill all major requirements and standards for fast charging vendorbrand- independent notebooks and all mobile devices. The Car Adapter USB-C- QC supports USB PD with PPS, Quick Charge (QC), Apple- and Samsung charge.
PLEVIER TACAN 14	The Plevier Tacan 14 leather notebook bag provides a diverse range of features to optimize your carrier needs. With a shoulder strap, fast access pocket on the rear side and two compartments for your device and additional accessories, the bag provides multifunctional and protective space for your belongings. Its brown leather design creates a sleek finish to create a carrier that is high quality in both functionality and appearance.
CANVAS HANSEN 14	The PLEVIER CANVAS HANSEN 14 leather and canvas case is a compact and Order Code: classic carrier for on the go. Available for notebooks up to 14 inches with S26391-F1193-L67 two compartments and two accessory sections, protection for your device ensured. A subtle design canvas and nappa leather shade.
Wireless Mouse WI860 BTC	The Wireless Mouse WI860 BTC can be paired with up to 3 different clients, Order Code: 2x Bluetooth and 1x wireless USB Type-C dongle. S26381-K474-L100 With the blue optical sensor, it works on nearly all surfaces with an 3-step adjustable DPI selector (800/1600/2400). The mouse charges wirelessly through Qi or by USB Type-C cable. A utility button on the side is programmable. The default functions are optimized for Teams calls.

More information

In addition to Fujitsu LIFEBOOK U9311X, Fujitsu provides a range of platform solutions. They combine reliable Fujitsu products with the best in services, know-how and worldwide partnerships.

Dynamic Infrastructures

With the Fujitsu Dynamic Infrastructures approach, Fujitsu offers a full portfolio of IT products, solutions and services, ranging from clients to datacenter solutions, Managed Infrastructure and Infrastructure as-a-Service. How much you benefit from Fujitsu technologies and services depends on the level of cooperation you choose. This takes IT flexibility and efficiency to the next level.
