His Excellency

The Honorable Stephen L. R. McNichols

Governor of Colorado

138 Capitol Building

Denver 2, Colorado

Dear Governor McNichols:

In accordance with the provisions of 72-1-8, Colorado Revised Statutes, 1953, I have the honor to submit the Seventy-Fifth Annual Report of the Insurance Commissioner of Colorado.

Departmental receipts, which are allocated to the general fund, continue to increase and did, indeed, reach the all time high of \$3,902,452.52, an increase of slightly under \$400,000 over the previous high. Total premiums subscribed to by the people of the State of Colorado amounted to \$203,614,568 as compared with \$183,684,308 in 1955 and \$168,677,483 in 1954.

Sir, there are seven hundred twenty-two insurance companies licensed to operate in our State and of this number fifty-four are Colorado insurance companies. Total premiums paid to all of these companies are as follows:

	1956	1955
Life, Accident and Health	\$104,853,323.00	\$94,700,073.00
Fire .....	5,181,065.00	6,484,501.00
Casualty, Miscellaneous....	26,356,413.00	26,184,222.00
Multiple Line .....	67,223,767.00	56,315,512.00

The total expenses of the Department for the year 1956 were \$133,132.55, the percentage of expenses to receipts being 3.41%, one of the lowest expense ratios in the United States.

With the increase in volume of insurance written in Colorado and with the advent of new companies, both foreign and domestic, comes the problem of increasing the department personnel to meet these added demands. By your past action, we know we shall have the continued cooperation of you and your staff when competent personnel becomes available and as the situation warrants. The action of the Civil Service Commission, the Legislature and yourself in obtaining increases for Department personnel has been most timely and gratifying.

In your recent message to all Department heads, you did prescribe certain changes in the handling of departmental budgets and legislation. We shall welcome the opportunity of discussing our budget with your representative and we do indeed subscribe most wholeheartedly to this needed change. We solicit the opportunity of discussing with you certain recommended legislation; amongst the recommendations would be:

1. Upward revision of capital, surplus and/or guaranty fund requirements for permission to do business in Colorado.
2. Domestic title insurance companies should be brought under insurance laws rather than banking or corporation law as is their present option.
3. Enactment of legislation and repeal of other to the end that the Blue Cross and Blue Shield Plans would be regulated by your Insurance Department.
4. A new law making it a felony to submit a false statement of condition to the Insurance Department.
5. We do repeat the recommendations of previous Commissioner that the laws concerning mortuaries' prepaid funerals, Article 17, should be repealed and that these funds be placed under the supervision of another department.

Participation in the affairs of the National Association of Insurance Commissioners is continuing on the part of your Insurance Department. Colorado has been honored by my election to the chairmanship of the Zone Five States, consisting of Kansas, Texas, Nebraska, Wyoming, New Mexico, Oklahoma and Arkansas. I am presently chairman of the Laws and Legislation Committee of the N. A. I. C., Co-chairman of the Unauthorized Insurance Committee. In addition I am a member of the Federal Liaison Committee, the Accident and Health Committee, as well as being a member of several sub-committees. It is felt that active participation in this organization is most important and in the best interests of the citizens of our State.

The personnel of the Insurance Department has extended full support to your Commissioner in carrying on their assignments and this cooperation has been foremost in bringing about the accomplishments of the past year. Without their continued support and enthusiasm, it would not be possible to have attained the results we do report to you.

In submitting this seventy-fifth Annual Report, permit me to express to you and your excellent staff my sincere gratitude for your unfailing cooperation and assistance.

Respectfully submitted,

SAM N. BEERY  
Commissioner of Insurance
