Features

Design For Everyday Use

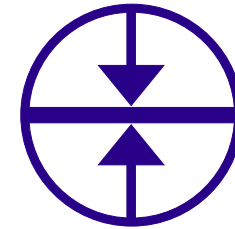

Enclosed with metal feel coating in gold finish, this card holder shape power bank is the handy gadget that you will take along for every day, every occasion.

Charge 50% Faster

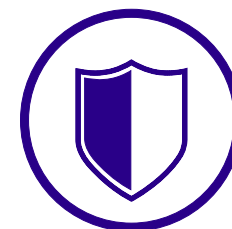

With the advanced charging solution, TL-PBB3000 can deliver up to 5V/1.5A output that charges 50% faster.

*As measured by the charging time on Galaxy S6 edge comparing to a 3200mAh power bank supporting 5V/1A output only. Exact charging time may vary subject to actual situations.

7.9 mm Ultra Slim

Slimmer than your palm and as big as a credit card, TL-PBB3000 designs to fit comfortably in your hand, neatly in your pocket or unnoticed in your bag.

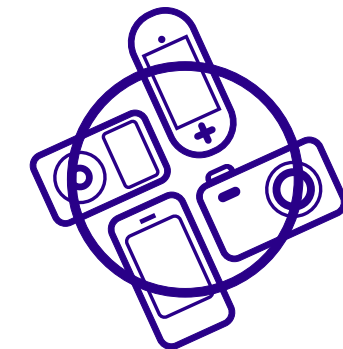

Completed Safety Features

Elite series power banks incorporate the latest safety features to protect your devices and power bank against short circuit, over voltage, over current, over charging and over heating.

1.5A Fast Charging Speed

TL-PBB3000 delivers up to 5V/1.5A output.

Universal Compatibility

Compatible with smart devices running iOS, Android, Windows and most other USB-charged devices, from devices with large battery like tablets, to gadgets with tiny battery like smart wearable devices.
