VESP-30 Surplus Fiber Spool Panel
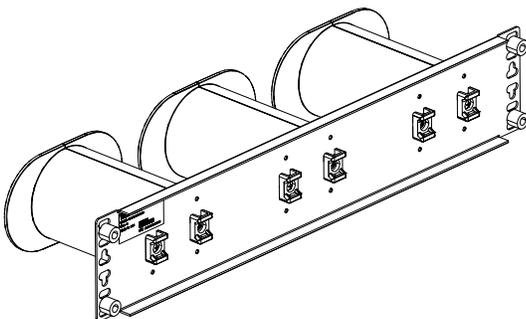

## 2-RU, Rack-Mount, 3-Spool Panel for Fiber Cable Slack

Westell's space-saving, 2-RU, surplus fiber spool panel allows for safe and efficient storage of slack fiber in a mounting that can be either wall mounted or mounted in 19" or 23" equipment racks.

Safely managing fiber cables is a constant concern. The VESP-30 offers 3 fiber spools, each with a safe fiber cable bend radius and a wide front lip to safely contain the surplus fiber. Cables may be wrapped around the spools in various configurations or combinations, or, each spool may be designated for a single cable. Westell's fiber management solutions are designed to be reliable, flexible, compact and cost-effective for all types of installations, from Telco Central Offices and data centers to remote cabinets and customer premises applications. For outdoor installations, Westell also offers a complete line of cabinet solutions optimized for Cell Sites, MDU's, strip malls and business complexes.

FIBER DRAWER

Part #	Description
24 Port Series Fiber Termination Drawers	
A90-FTD24P-SA22	1-RU fiber drawer with 2 splice trays, 24 SC/APC couplers, two 12-fiber SC/APC fan-outs & composite cable management
A90-FTD24P-SAR22	1-RU fiber drawer with 2 splice trays, 24 SC/APC couplers, two 12-fiber ribbon SC/APC fan-outs & composite cable management
A90-FTD24P-SU	1-RU fiber drawer with 24 port coupler panel, empty
A90-FTD24P-LA22	1-RU fiber drawer with 2 splice trays, 24 LC/APC couplers, two 12-fiber LC/APC fan-outs & composite cable management
A90-FTD24P-LU22	1-RU fiber drawer with 2 splice trays, 24 LC/UPC couplers, two 12-fiber LC/UPC fan-outs & composite cable management
A90-FTD24P-LUR22	1-RU fiber drawer with 2 splice trays, 24 LC/UPC couplers, two 12-fiber ribbon LC/UPC fan-outs & composite cable management
48 Port Series Fiber Termination Drawers	
A90-FTD48P-LA22	1-RU fiber drawer with 2 splice trays, 48 LC/APC couplers, four 12-fiber LC/APC fan-outs & composite cable management
A90-FTD48P-LU22	1-RU fiber drawer with 2 splice trays, 48 LC/UPC couplers, four 12-fiber LC/UPC fan-outs & composite cable management
A90-FTD48P-LAR22	1-RU fiber drawer with 2 splice trays, 48 LC/APC couplers, four 12-fiber ribbon LC/APC fan-outs & composite cable management
A90-FTD48P-LUR22	1-RU fiber drawer with 2 splice trays, 48 LC/UPC couplers, four 12-fiber ribbon LC/UPC fan-outs & composite cable management
Rack Mount Fiber Slack Storage Drawer	
A90-FTDSS-00	1-RU rack-mount, fiber slack storage drawer for 19" or 23" racks
