TOWN OF EAST TROY PLANNING COMMISSION MINUTES
November 2, 2022 at 6:30 P.M.

Chairman Cook called the meeting to order at 6:30 P.M. Commissioners Denhart, DeGrave, Celley, Gordon, Wucherer, and Smith all in attendance. Secretary Olson was also in attendance.

Chairman Cook explained the procedure of the proposal and explained that this Commission operates on a split meeting format and this is the Public Hearing portion of the March Planning Commission Meetings. The commissioner's viewing and decision-making meeting will be on November 16, 2022 at 6:30 P.M., if a decision is not made in this meeting. The petitioner or agent will present their request, then we will ask for people in favor or opposed to the petition and the petitioner will then have a chance for rebuttal. All comments need to be addressed to the commission and not the applicant.

1. Motion by Commissioner Wucherer, seconded by Commissioner Denhart to approve the October 5, 2022 minutes as presented. Motion passed unanimously.

1. Land Separation/CSM Request
N9243 Stringers Bridge Road
East Troy, WI 53120
Parcel No: PA 486400003, Lot 3
Gabriel and Holly Stoner, Owner

Gabriel and Holly Stoner, owners, spoke to their request for a separation of their 13.61 conforming C-2 property. The goal is to have two properties 7.02 acres and 6.59 acres. Commissioner Wucherer clarified that there is a single family dwelling on the property. Commissioner Smith asked what type of dwelling. Mr. Stoner stated that it is a small farm, mostly grass. Commissioner Smith stated that the current home has a drive way off of that strip, and asked if the new property would have access to that strip as well? Mr. Stoner said yes.

Commissioner Gordon made a motion to approve as written, Commissioner Smith seconded. Motion approved unanimously.

2. Land Separation/CSM Request
N8980 E. Miramar Drive
East Troy, WI 53120
Parcel No: P ET 1100032
Twilight Holdings/ Alex Alger, Owner
V2G Surveying, Applicant

No one was here to speak on behalf of the request.
Matter was tabled until December 7th, 2022 meeting

2. Other Business & Public Comments
None at this time

3. Adjourn
Motion made by Commissioner Denhart to adjourn at 6:40pm, Commissioner Smith seconded motion. Meeting adjourned unanimously.

Respectfully Submitted,
Jennifer Olson
Planning Commission Secretary
November 3, 2022

Communications Committee

December 5, 2022 6:30 pm

Town Hall

N9330 Stewart School Rd., East Troy, WI 53120

Meeting Minutes

- Review newsletter draft
 - Committee reviewed newsletter proof from Minuteman Press
 - Minor edits identified and Michele to contact Minuteman with the updates on Tuesday, 12/6
 - Committee recommends black printing on green paper
 - Mailing list discussed as Minuteman requires data in Exel format with separate columns for name, address, city, state and zip. file and Kim shared a .pdf file. Michele to reach out to Kim or County contact to see if data is available in another format. Michele will also ask about names on the mailing, or substitute with Resident.

- Content to be presented to Town Board on Dec 12, 2022 discussed and reviewed. Meeting minutes from 11/28 and 12/5 to be included in Town Board packet.
 - Reviewed budget to date and discussed opportunity to carryover remaining funds into 2023 to continue with recommendations from the Ad Hoc Committee recommendations. In particular consulting for the logo/mission/vision and any materials needed with the new logo (t-shirts/polos for staff, Town hall doors, vehicles or other? Michele to reach out to Kim about carryover option.
 - 2022 budget included technology/devices for the Board which was declined in 2022, committee agreed to revisit technology/devices in 2024 and plan budget accordingly.

Next meeting, Monday, Dec 19, 2022

- Focus will be on cleaning up the social media plan. Leah has been updating the shared file regularly. Michele to ask Kim about election notification dates to include in the plan. Barb to ask Jen for access to the shared document or another format for her review.
- Discussed including “website audits” on a recurring basis in the plan—validate links are still active, remove any outdated content, spot check calendars, etc.
- Review budget updates based on carryover options from Kim.

Town of East Troy
November 14, 2022
Public Hearing for 2023 Budgets

The Public Hearing and Special Meeting of the Electors, on the proposed 2023 Town of East Troy Sanitary District #3, Landfill and Town Budgets, was called to order by Chairman Klarkowski at 5:38 p.m. In attendance were Chairman Klarkowski, Supervisors Church, Reyes, Wales and Wucherer, Clerk/Treasurer Buchanan, Deputy Clerk/Treasurer Loth, DPW Superintendent Scheel, Police Chief Gorecki and 52 residents/guests. Discussion took place regarding the three proposed budgets.

Special Meeting of the Electors

Chairman Klarkowski called the Special Meeting of the Electors to order at 6:36 p.m.

For Sanitary District #3, Supervisor Church made a motion to approve the 2023 Sanitary District #3 Budget. Supervisor Wales seconded and the motion passed with a vote of 5 aye and 0 nay votes. (Only Town Board members and members of the Sanitary District are entitled to vote on this budget.)

Resident Bill Hudson moved to approve the 2023 Landfill Budget. Resident Pat Hudec seconded and the motion passed unanimously.

The 2023 Town Budget will increase by 12% with an 8% increase of the levy required. Resident Jon Jagielski made a motion to approve the 2023 Town of East Troy Budget of \$4,468,330.00 and adopt the 2022 Tax Levy of \$1,896,537.00 to be paid in 2023. Supervisor Church seconded and motion passed unanimously.

Chairman Klarkowski reviewed points of information regarding the need for the Town Police Garage building and . Following that, a motion by Pat Hudec, seconded by Bill Hudson, to build a new Town Police Garage per Section 60.10(2)(f) Authorize Town Board to increase the amount spent on previously authorized Police Garage from \$200,00 to \$500,000 to meet the needs of the Town DPW, Police Department and Administrative offices. Following the discussion, a paper ballot vote was taken with 41 Yes votes and 10 No votes. Motion passed.

Resident Pat Hudec moved to adjourn. Supervisor Church seconded and motion passed unanimously. Meeting adjourned at 7:11 p.m.

Special Town Board Meeting

A Special Town Board Meeting was called to order at 7:11 p.m. by Chairman Klarkowski. Supervisors Church, Reyes, Wales and Wucherer were in attendance. Also in attendance were Clerk/Treasurer Buchanan, Deputy Clerk/Treasurer Loth, DPW Superintendent Scheel, Police Chief Gorecki and 52 residents/guests.

Supervisor Church moved to adopt the 2023 Sanitary District #3 Budget as presented. Supervisor Reyes seconded and motion passed unanimously.

Supervisor Reyes moved to adopt the 2023 Landfill Budget as presented. Supervisor Church seconded and motion passed unanimously.

Chairman Klarkowski moved to adopt the 2023 Town Budget as presented. Supervisor Reyes seconded and motion passed unanimously.

Clerk/Treasurer Buchanan read Resolution 2022-11 Appropriating and Levying the necessary Funds for the Operation of the Government and Administration of the Town of East Troy for the Fiscal year 2023. Supervisor Church moved to approve Resolution 2022-11 with two corrections. Supervisor Wucherer seconded. Motion passed unanimously.

Motion by Supervisor Reyes, seconded by Supervisor Church to adjourn. Motion passed unanimously. Meeting adjourned at 7:15 pm

Respectfully Submitted
Jean Loth
Deputy Clerk/Treasurer

Official Town of East Troy Town Board Minutes
Regular Meeting
Monday, November 14, 2022

The meeting was called to order at 7:22 pm by Chairman Klarkowski. Supervisors Church, Reyes, Wales and Wucherer were in attendance. Clerk/Treasurer Buchanan, Deputy Clerk/Treasurer Loth, Attorney Mills, Chief Gorecki and DPW Superintendent Scheel were present and approximately 20 residents/guests were present.

The Pledge of Allegiance was recited.

Motion by Supervisor Church, seconded by Supervisor Wales, to accept the agenda as written. Motion passed unanimously.

Meeting Minute Approval

- Motion by Supervisor Wucherer, seconded by Supervisor Reyes, to approve the minutes of the October 10, 2022 Regular Town Board meeting as presented. Motion passed unanimously.
- Motion by Supervisor Church, seconded by Supervisor Wales, to approve the minutes of the October 7, 2022 Special Town Board meeting as amended. Motion passed unanimously.
- Motion by Supervisor Wucherer, seconded by Supervisor Church, to approve the minutes of the October 5, 2022 Planning Commission meeting as presented. Motion passed unanimously.

Treasurer's Report – Clerk/Treasurer Buchanan

- Motion by Supervisor Church, seconded by Supervisor Wucherer, to approve the Treasurer's reports as presented. Motion passed unanimously.

Committee/Department Reports

Chairperson's Report - Chairman Klarkowski

- Chairman Klarkowski conducted a site visit for a pier registration permit request at W1819 Lake Rd.

Department of Public Works – Superintendent Scheel

- Monthly report provided –
 - 1 Started getting Trucks ready for winter
 - 2 Started putting up snow fence
 - 3 Electronics recycling went good ½ dumpster full
 - 4 Had sanitary wet wells pumped and cleaned by Pats Sanitary
 - 5 Had to put new pump on brine system on small truck 950.00\$
 - 6 The 3 of us took a Salt Wise class at Walworth County hwy dept.
 - 7 Had a class put on by Lakeside International for new trucks and emissions coming out
 - 8 Shorewood drive road starting 11-10-22
 - 9 Boat launch is done collecting for the year signs are down
 - ~~10 Porta-pots are gone from launch and the park for the year~~
- All the new playground equipment was received and installed and children have already been playing on the new equipment!
- Bell School Road repairs will need to be revisited in the spring.

Police Report – Chief Gorecki

- An updated on the Walworth County Radio project was presented. If we sign a contract with Radicom by December 15, 2022, we will lock in a price structure. The Chief will get a contract from them and present it to the board for final review/approval at the December Town Board meeting. There is a WTA (Wisconsin Towns Association) meeting on December 8, 2022 that will be addressing this project as well.
- Chief Gorecki presented Scott Runge as his recommendation for the open Police Lieutenant position. The board will schedule a time to meet with officer Runge to keep the process moving forward.
- Kent Moon – pier permit at W1819 Lake Road. The permit was discussed as it currently violates the riparian zone and setback requirements. The board found no substantial hardship to the resident if they were to move the pier to a compliant location on the property. Supervisor Church, seconded by Supervisor Wales, moved to deny the Pier Registration Permit for Kent Moon at W1819 Lake Road as it did not present a significant hardship to the owner to bring the pier into compliance. Motion passed unanimously.

ETAESD Report – Supervisor Church

- Monthly report submitted-
Re: ETAESD November Town Board report
 - The Fire and Rescue is anticipating placing its Radio Communications order in mid-December with Radicom through the Walworth County Communications Director Captain Todd Newmann.
 - The Fire and Rescue reports from the month of November are attached. (These will be provided after the ETAESD Nov. 15, 2022 meeting.)
 - The ETAESD Board is anticipating meeting with the Town of Troy and the Town of LaFayette in the coming weeks to further discuss the respective municipalities Fire/Rescue contracts.
 - They received ETAESD Agreement suggestions from Attorney Scholze which includes the suggestions from Attorney Mills from the Town of East Troy, Attorney Geary from the Village of East Troy and former ETAESD President Matt Johnson, will be discussed and possibly voted on at the November 15 meeting.
 - The Fire and Rescue Department participated in the following community events:
 - The East Troy Fire and Rescue participated in the Miramar Subdivision Halloween celebration on October 29.
 - The East Troy Fire and Rescue participated in the Village of East Troy's Halloween celebration on October 31.
 - The East Troy Fire and Rescue Department hosted a blood drive at the Fire House on October 22.
 - The Fire and Rescue Department will participate in the following upcoming events:
 - The Electronic Railroad Santa Train and Village of East Troy Santa parade December 3, 2022.

Park Committee Report – Supervisor Reyes

- As noted by the DPW report, the new playground equipment for Jim Byrnes Memorial Park is installed and being used!

Booth Lake Memorial Park – Supervisor Wales

- Repairs and updates for the home and the concession area have been started with some electrical updates in full swing now.

Lake Beulah Management District – Greg Thomas – no report.

Recycling Committee Report – John Murphy – no report.

Library Report – John Murphy for Krystina Murphy

- They received a \$1500 donation from the East Troy Lions Club.
- The Lakeshore and Arrowhead library system merger has been approved and their new title is Prairie Lake System. Now all other libraries must approve an agreement with the newly formed system.

Communications Committee Report – Supervisor Reyes

- There are two community members that are seeking to become part of the committee. Discussion regarding the process was lengthy and a Special Town Board meeting will be held to address the process for consideration of new appointees to committees and the Town Board's expectation for committees.

Planning Commission Report – Supervisor Wucherer

- Supervisor Wucherer, seconded by Supervisor Church, made a motion to accept the request for a Land Separation/CSM approval for N9243 Stringers Bridge Rd., PA486400003, Gabriel & Holly Stoner – owner/applicant, as recommended by the Planning Commission. Motion passed unanimously.
- No action will be taken until December on the Land Separation/CSM Request for N8980 East Miramar Dr., PET1100032, Twilight Holdings/ Alex Alger – owner, V2G Surveying – applicant.

Public Comments

- John Stoss, N8831 Stringers Bridge Road. He is wondering why the Lake Beulah Management District does not post their meetings and he also presented a picture of cars parked at someone's house that he believes created a quorum of their board members present. He is very concerned about this. He also stated that at the Annual Electors meeting it was discussed that anybody that uses the Town Hall facility and receives tax dollars would be live streamed so that people could see what they were doing.
- Carla Giorgi, N8831 Stringers Bridge Road. She is curious as to whether anyone has considered the increase need for services by rescue with a big hotel going in.

Unfinished Business –

- Resolution 2022-10 Approving Town Board Appointments – no action at this time
- Comment by Supervisor Wucherer that, in his experience, when someone is interested in becoming part of a committee, there typically is a bit of a process to do so. The expectation may be as simple as a brief bio statement with an expression of why they want to be involved, or an interview with the governing body of the committee. The Town Board should certainly be reviewing their best practice as it relates to this topic. Typically, the Town Board approves appointees/volunteers for a committee.

New Business

- Recent WTA communications regarding bridge repair funding. We did not receive the grant for bridge repair funding, but very few applicants did. This is for the bridge/culvert on East Shore Drive by the Dockside restaurant. It is not considered by the state to be a bridge, therefore, the likely option will be to submit as road repairs and funding accordingly. Inspections for the bridges on Stringers Bridge Road and Beulah Heights Road will be conducted in 2023. There is currently a contract in place for obvious repairs needed on the Beulah Heights Road Bridge.
- Intergovernmental Agreement with the Town of Troy – Motion by Supervisor Church, seconded by Chairman Klarkowski, to accept the intergovernmental agreement on the maintenance and snowplowing of Townline Road with the two updates: removing the Town of Lafayette and adding Chairman Klarkowski’s middle initial to the agreement. Motion passed unanimously.
- Proposal from Symbiont for 2023 Groundwater Consulting Services for the landfill. Motion by Supervisor Church, seconded by Supervisor Reyes, to accept the contract with Symbiont in the amount of \$14,380 for 2023. Motion passed unanimously.
- 2023 Revaluation Proposal from Associated Appraisal Consultants - Motion by Supervisor Church, seconded by Supervisor Wales, to accept the revaluation contract with Associated Appraisal in the amount of \$15,000 for an Interim Market Update. Motion passed unanimously.

Attorney’s Report – Attorney Mills – no report

Public Comments

- Joe Jones, N9033 E Miramar Drive. Stated that he has been attending meetings since June and believes that the board needs to be more cohesive and organized.
- Bob Rice, W884 Shorewood Drive. He was part of the Ad Hoc Communication Committee and believes that if a board member believes a person that is willing to volunteer on a committee is good enough to volunteer, they should be able to approve/accept their assistance and input.
- John Stoss, N8831 Stringers Bridge Road. He spoke to quorums, negative quorums and what the consequences are to an entity should those rules be broken. It was stated that all actions taken in such a circumstance would typically become moot.

Licenses and Special Event Permits – no requests

Special and Pending Meetings

- | | | |
|--------------------------|-------------|----------------------------------|
| • November 24-25, 2022 | All Day | Town Hall Closed – Thanksgiving |
| • December 5 & 19, 2022 | 6:30 pm | Communication Committee |

Review Bills for Payment

Motion by Supervisor Church, seconded by Supervisor Reyes, to adjourn at 9:07 pm. Motion passed unanimously.

Respectfully Submitted by Jean Loth - Deputy Clerk/Treasurer

Special Town Board Meeting
Town of East Troy
Thursday, November 17, 2022 at 6:00 P.M.
East Troy Town Hall
N9330 Stewart School Road, East Troy, Wisconsin 53120

Chairman Klarkowski called the meeting to order at 6:00 P.M. Supervisors Church, Reyes, Wales and Wucherer were in attendance. Also in attendance were Attorney Mills, Clerk/Treasurer Buchanan, Chief Gorecki and Lieutenant candidate Scott Runge.

Clerk/Treasurer Buchanan stated that the meeting was posted in compliance of Open Meeting Law.

Chairman Klarkowski stated that the specific purpose for the Closed Session was to conduct the interview for Police Lieutenant.

Supervisor Reyes made a motion to move to Closed Session pursuant to WI Statute 19.85(1)(c) for the purpose of interviewing the police officer candidate. Supervisor Church seconded and motion was approved with a roll call vote: Klarkowski – aye, Church – aye, Reyes – aye, Wales – aye and Wucherer – aye. Meeting was adjourned to closed session at 6:01 P.M.

The Town Board interviewed the Lieutenant candidate Scott Runge. Officer Runge has over 10 years of experience with the Town of Delavan and has worked part-time for the Town of East Troy since April of 2020.

Supervisor Church moved to adjourn the closed session at 6:35 P.M. and reconvene in Open Session. Supervisor Reyes seconded. Motion passed with a roll call vote: Klarkowski – aye, Church – aye, Reyes – aye, Wales – aye, and Wucherer – aye.

Chairman Klarkowski announced that the Board was back in open session.

Chairman Klarkowski moved to extend a conditional offer for the Police Lieutenant's position to Scott Runge pending passing the background, physical, drug and psychological tests required. Supervisor Wucherer seconded the motion. Motion passed unanimously.

The Town received a request from the Fire District to purchase an older squad for their use as a command vehicle. The Town would be selling or trading in the vehicle after the 2022 Squad is up and ready for use. Chief Gorecki did some research and comparable vehicles average about \$13,000. Chief DeGaro is hoping the Fire District could purchase the vehicle for around \$11,000. Currently, he is paid mileage for the use of his personal vehicle. Chairman Klarkowski, Supervisor Wales and Supervisor Reyes all suggested a compromise of \$12,500. Supervisors Church and Wucherer thought that the \$11,000 would be appropriate. After further discussion a consensus was reached to offer the vehicle to the Fire District at a cost of \$12,000. This price seemed fair due to the fact that the vehicle is well maintained and is kept in the police garage and not out in the weather. Supervisor Church moved to sell the squad to East Troy Area Emergency Services

District for a total of \$12,000. Supervisor Wales seconded and motion passed unanimously.

The Town Board discussed procedures for meetings and reports, if verbal or written reports are needed, how volunteers are appointed to the committees, how many members should be on each committee, which committees need to post agendas and prepare minutes, what the Town Code requires of committees and appointees and if money is spent by a committee how it should be brought before the Town Board for approval. The Town Code should be updated to reflect which committees need to provide public notice and have minutes and other parameters for the Town committees.

Social media posts were also discussed and what Board oversight if any is needed. The social media posts that are posted are solely to build up the community and to be a positive platform of community information.

Supervisor Wales moved to adjourn at 7:29 P.M. Supervisor Reyes seconded and motion passed unanimously.

Respectfully submitted,
Kim M. Buchanan, WCMC
Clerk/Treasurer

Communications Committee

Meeting Minutes

- Follow-up on newsletter content
 - Content was reviewed, Michele to reach out to another printer since no response from Mukwonago Print Pack and Ship. Minuteman Press in Burlington identified as an option. Request quote, services and timeline, including design/layout, if available
 - Michele to add “welcome/intro section” to newsletter content.
 - Discussed possible software options for design/layout of newsletter—Mail Chimp, Constant Contact, or suggestions from Tate
 - Plan is to present draft of newsletter to Town Board on Dec 12, 2022
 - Identified 2023 newsletter publishing plan—agreed on May (election updates, spring/summer activities) and Sept (notice for fall elections, winter policies, activities, etc) with any year-end content to be included with the tax mailing in line with the county printing deadlines
 - Reach out to board members for any updates/content in newsletters for 2023 (tight timeline for 2022)
- Budget update on YTD expenditures
 - YTD expenses \$4809 (includes updated website + 3 yrs service, equipment purchased for videos. 2022 budget was \$13k which included devices for board members and possibly planning commission which was declined
 - Ample budget remains for newsletter printing
- Team update
 - Joe and Mary Jo Jones volunteered to join the committee, currently pending Board/Chairman review
 - Discussed social media plan shared file. Leah has populated ideas. Will review again before yearend.
 - Discussed looking into a written social media policy—look for samples from WTA, village or attorney Mills

Next meeting, Monday, Dec 5, 2022 to review newsletter content/layout to present at Board meeting on Monday, Dec 12, 2022

After every General Election, the Wisconsin Election Commission does a random drawing and selects different municipalities in each county to do a manual audit of their election equipment. This involves hand tallying four different offices on each ballot and verifying those results against what the voting equipment has given as results.

The ballots are removed from the sealed ballot bags and the seal numbers of those bags are verified from the Inspectors statement that is created on Election Day. Ballots are first counted to verify that the number of ballots matches both what the poll books state and what the machine has counted. They are then separated into stacks of 50 which a team of two auditors hand tallies the four offices that were required to be audited. The two auditors reconcile their counts after each office and after each set of 50 ballots audited before going on to the next set of 50 ballots.

When all ballots are tallied, a spreadsheet that compiles the results from all the audit teams is created. These results are compared to the machine tape totals that are printed out on election night. The spreadsheet as well as a copy of each auditors tally sheets is then filed with the WI Election Commission when the audit is completed.

Every municipality in Walworth County uses the ImageCast Evolution (ICE) equipment manufactured by Dominion Voting. The County after much research, testing and input from Walworth municipal Clerks purchased this equipment for each municipality. With each municipality in the County having the same equipment, it allows the County to take the lead on many election functions i.e. programming, ballot preparation, ballot printing on Election Day if needed, etc.

At no time on Election Day, prior to the results being modemed to Walworth County is the equipment connected to the internet. The ICE is pre-tested and publically tested prior to each election by myself and several Election Inspectors. A set of ballots is marked to show that each candidate receives a different number of votes. For example, Candidate A receives three (3) votes, Candidate B two (2) votes and Candidate C one (1) vote. The testing proves that the ICE is counting the casted ballots correctly.

On November 30th and December 2nd, I participated in two of these audits, one for the Town of Darien and the other for the Town of Linn. Because of my experience and background, I was requested to participate and help manage both of these audits. In both cases, the audit proved that the equipment manufactured by Dominion Voting counted the ballots exactly as they were cast on November 8, 2022.

Respectfully submitted,

Kim M. Buchanan, WCMC
Clerk/Treasurer
Town of East Troy

November
2022 Monthly Report

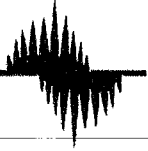

- 1 Trucks are all ready for winter it was expensive for all 3 to get ready
- 2 Had to salt roads on 11-18 for a light snow event
- 3 Brined roads on 11-17
- 4 Snow fence is all up except on Townline Rd due to crops still in the field

(414)353-4800

Thank you for the opportunity to provide you with the following quotation on a new International truck. I am sure the following detailed specification will meet your operational requirements, and I look forward to serving your business needs.

Model Profile
2024 HV513 SFA (HV513)

AXLE CONFIG:	4X2
APPLICATION:	Front Plow and Wing with Spreader
MISSION:	Requested GVWR: 50000. Calc. GVWR: 44800. Calc. GCWR: 125000 Calc. Start / Grade Ability: 33.78% / 3.14% @ 55 MPH Calc. Geared Speed: 88.7 MPH
DIMENSION:	Wheelbase: 191.00, CA: 107.50, Axle to Frame: 79.00
ENGINE, DIESEL:	{International A26} EPA 2021, 410HP @ 1700 RPM, 1450 lb-ft Torque @ 900 RPM, 2100 RPM Governed Speed, 410 Peak HP (Max)
TRANSMISSION, AUTOMATIC:	{Allison 4500 RDS} 6th Generation Controls, Wide Ratio, 6-Speed with Double Overdrive, with PTO Provision, Less Retarder, Includes Oil Level Sensor, On/Off Highway
CLUTCH:	Omit Item (Clutch & Control)
AXLE, FRONT NON-DRIVING:	{Dana Spicer D-2200W} Wide Track, I-Beam Type, 22,000-lb Capacity
AXLE, REAR, SINGLE:	{Meritor RS-30-185} Single Reduction, 30,000-lb Capacity, Driver Controlled Locking Differential, T Wheel Ends Gear Ratio: 4.56
CAB:	Conventional, Day Cab
TIRE, FRONT:	(2) 425/65R22.5 Load Range L XZY-3 (MICHELIN), 465 rev/mile, 65 MPH, All-Position
TIRE, REAR:	(2) 425/65R22.5 Load Range L XZY-3 (MICHELIN), 465 rev/mile, 65 MPH, All-Position
SUSPENSION, REAR, SINGLE:	31,000-lb Capacity, Vari-Rate Springs, with 4500-lb Capacity Auxiliary Multileaf Springs
PAINT:	Cab schematic 100WM Location 1: 0311, Omaha Orange (Std) Chassis schematic N/A

<u>Code</u>	<u>Description</u>
HV51300	Base Chassis, Model HV513 SFA with 191.00 Wheelbase, 107.50 CA, and 79.00 Axle to Frame.
1ANA	AXLE CONFIGURATION {Navistar} 4x2 <u>Notes</u> : Pricing may change if axle configuration is changed.
1CGE	FRAME RAILS Heat Treated Alloy Steel (125,000 PSI Yield); 11.25" x 4.00" x 0.500" (285.75mm x 101.6mm x 12.7mm); 480.8" (12212mm) Maximum OAL
1LLA	BUMPER, FRONT Swept Back, Steel, Heavy Duty
1UAM	FRAME EXTENSION, FRONT Integral; 27" In Front of Grille
1WDU	CROSSMEMBER, FRONT for Hydraulic Pump, Mounting Flange to Accommodate Pump
1WUB	WHEELBASE RANGE 163" (415cm) Through and Including 209" (530cm)
2AYT	AXLE, FRONT NON-DRIVING {Dana Spicer D-2200W} Wide Track, I-Beam Type, 22,000-lb Capacity
3AHR	SUSPENSION, FRONT, SPRING Parabolic Taper Leaf, Shackle Type, 23,000-lb Capacity, with Shock Absorbers
4091	BRAKE SYSTEM, AIR Dual System for Straight Truck Applications <u>Includes</u> : BRAKE LINES Color and Size Coded Nylon : DRAIN VALVE Twist-Type : GAUGE, AIR PRESSURE (2) Air 1 and Air 2 Gauges; Located in Instrument Cluster : PARKING BRAKE CONTROL Yellow Knob, Located on Instrument Panel : PARKING BRAKE VALVE For Truck : QUICK RELEASE VALVE On Rear Axle for Spring Brake Release: 1 for 4x2, 2 for 6x4 : SPRING BRAKE MODULATOR VALVE R-7 for 4x2, SR-7 with relay valve for 6x4/8x6
4732	DRAIN VALVE {Berg} with Pull Chain, for Air Tank
4AZA	AIR BRAKE ABS {Bendix AntiLock Brake System} 4-Channel (4 Sensor/4 Modulator) Full Vehicle Wheel Control System
4EBD	AIR DRYER {Wabco System Saver 1200} with Heater
4EXT	BRAKE CHAMBERS, REAR AXLE {Bendix EverSure} 36/36 SqIn Spring Brake
4EXV	BRAKE CHAMBERS, FRONT AXLE {Bendix} 24 SqIn
4GBM	BRAKE, PARKING Manual Push-Pull Pneumatic Parking Brake
4LAG	SLACK ADJUSTERS, FRONT {Gunite} Automatic
4LGG	SLACK ADJUSTERS, REAR {Gunite} Automatic
4SPM	AIR COMPRESSOR {Bendix BA-921 Head Unload} 15.9 CFM
4VCL	AIR TANK LOCATION (2) Mounted 25" Back of Cab, Outside Right Rail, with Ground Clearance
4VGN	AIR TANK Painted Aluminum, with Straight Thread O-Ring Ports
4VKA	AIR DRYER LOCATION Mounted Outside Right Rail, Back of Cab
4WBX	DUST SHIELDS, FRONT BRAKE for Air Cam Brakes
4WDM	DUST SHIELDS, REAR BRAKE for Air Cam Brakes
4XCZ	BRAKES, REAR {Meritor 16.5X7 P} Air S-Cam Type, Cast Spider, Cast Shoe, Double Anchor Pin, Includes Greaseable and Zinc Coated Anchor Pins, Size 16.5" X 7", 38,000-lb Capacity per Axle

<u>Code</u>	<u>Description</u>
4XDT	BRAKES, FRONT {Meritor 16.5X6 Q-PLUS CAST} Air S-Cam Type, Cast Spider, Fabricated Shoe, Double Anchor Pin, Size 16.5" X 6", 23,000-lb Capacity
5710	STEERING COLUMN Tilting and Telescoping
5CAW	STEERING WHEEL 4-Spoke; 18" Dia., Black
5PUE	STEERING GEAR (2) {Sheppard M100/M90} Dual Power
6DGR	DRIVELINE SYSTEM {Dana Spicer} 1810HD, for 4x2/6x2
7BES	AFTERTREATMENT COVER Polished Aluminum
7BLW	EXHAUST SYSTEM Horizontal Aftertreatment System, Frame Mounted Right Side Under Cab, for Single Vertical Tail Pipe, Frame Mounted Right Side Back of Cab
7SDK	ENGINE COMPRESSION BRAKE by Jacobs; for N13/A26 Engines, with Selector Switch and On/Off Switch
7WBA	TAIL PIPE (1) Turnback Type, Bright
7WBS	MUFFLER/TAIL PIPE GUARD (1) Bright Stainless Steel
7WCR	EXHAUST HEIGHT 10' 11"
8000	ELECTRICAL SYSTEM 12-Volt, Standard Equipment
	<u>Includes</u>
	: DATA LINK CONNECTOR For Vehicle Programming and Diagnostics In Cab
	: HAZARD SWITCH Push On/Push Off, Located on Instrument Panel to Right of Steering Wheel
	: HEADLIGHT DIMMER SWITCH Integral with Turn Signal Lever
	: PARKING LIGHT Integral with Front Turn Signal and Rear Tail Light
	: STARTER SWITCH Electric, Key Operated
	: STOP, TURN, TAIL & B/U LIGHTS Dual, Rear, Combination with Reflector
	: TURN SIGNAL SWITCH Self-Cancelling for Trucks, Manual Cancelling for Tractors, with Lane Change Feature
	: WINDSHIELD WIPER SWITCH 2-Speed with Wash and Intermittent Feature (5 Pre-Set Delays), Integral with Turn Signal Lever
	: WINDSHIELD WIPERS Single Motor, Electric, Cowl Mounted
	: WIRING, CHASSIS Color Coded and Continuously Numbered
8695	SNOW SHIELD (2) Chrome; for Dual Air Horns
8899	JUMP START STUD (2) Remote Mounted
8GXJ	ALTERNATOR {Leece-Neville AVI160P2013} Brush Type, 12 Volt, 160 Amp Capacity, Pad Mount
8HAB	BODY BUILDER WIRING Back of Day Cab at Left Frame or Under Sleeper, Extended or Crew Cab at Left Frame; Includes Sealed Connectors for Tail/Amber Turn/Marker/ Backup/Accessory Power/Ground and Sealed Connector for Stop/Turn
8HXT	HORN, AIR (2) Single Tone, Chrome, Roof Mounted, with Lanyard Pull Cord
8MMG	BATTERY SYSTEM {Deka/EAST PENN 9A31 AGM} Maintenance-Free, (3) AGM 12-Volt 2775CCA Total, Top Threaded Stud
8RGA	2-WAY RADIO Wiring Effects; Wiring with 20 Amp Fuse Protection, Includes Ignition Wire with 5 Amp Fuse, Wire Ends Heat Shrink and Routed to Center of Header Console in Cab
8RMV	SPEAKERS (2) 6.5" Dual Cone Mounted in Doors
8RPR	ANTENNA for Increased Roof Clearance Applications
8RPS	RADIO AM/FM/WB/Clock/Bluetooth/USB Input/Auxiliary Input
8THJ	AUXILIARY HARNESS 3.0' for Auxiliary Front Head Lights and Turn Signals for Front Plow Applications

<u>Code</u>	<u>Description</u>
8TKB	STOP, TURN, TAIL & B/U LIGHTS {Truck Lite} Super 44, with LED Lights for Stop, Turn & Tail Lights, Truck Lite Super 40 for Backup Lights, with Power Module, "International" Termination and Less Junction Box, Includes Incandescent License Plate Light
8VAY	HORN, ELECTRIC Disc Style
8VZS	SWITCH, BODY CIRCUITS, MID with (2) Remote Power Modules Mounted in Cab Behind Driver Seat, Up to 6 Outputs & 6 Inputs Each, Max 20 amp per Channel, Max 80 amp Total, Includes 2 Switch Packs with Momentary Switches
8WDG	BACK-UP ALARM {Preco 1059} Electronic; Solid State, Dual Function, 112 dBA
8WGL	WINDSHIELD WIPER SPD CONTROL Force Wipers to Slowest Intermittent Speed When Park Brake Set and Wipers Left on for a Predetermined Time
8WPH	CLEARANCE/MARKER LIGHTS (5) {Truck Lite} Amber LED Lights, Flush Mounted on Cab or Sunshade
8WPZ	TEST EXTERIOR LIGHTS Pre-Trip Inspection will Cycle all Exterior Lamps Except Back-up Lights
8WRB	HEADLIGHTS ON W/WIPERS Headlights Will Automatically Turn on if Windshield Wipers are turned on
8WXD	ALARM, PARKING BRAKE Electric Horn Sounds in Repetitive Manner When Vehicle Park Brake is "NOT" Set, with Ignition "OFF" and any Door Opened
8WXG	STARTING MOTOR {Mitsubishi Electric Automotive America 105P} 12-Volt, with Soft-Start
8XAH	CIRCUIT BREAKERS Manual-Reset (Main Panel) SAE Type III with Trip Indicators, Replaces All Fuses
8XDZ	BATTERY BOX Steel, 2-3 Battery Capacity, Mounted Inside the Cab, Under Passenger Seat
8XGT	TURN SIGNALS, FRONT Includes LED Side Turn Lights Mounted on Fender
8XNY	HEADLIGHTS Halogen
9585	FENDER EXTENSIONS Rubber
9AAB	LOGOS EXTERIOR Model Badges
9AAE	LOGOS EXTERIOR, ENGINE Badges
9ANG	HOOD, HATCH (01) for Servicing
9HBM	GRILLE Stationary, Chrome
9HBN	INSULATION, SPLASH PANELS for Sound Abatement
9WAC	BUG SCREEN Mounted Behind Grille
9WBK	FRONT END Tilting, Fiberglass, with Three Piece Construction, Includes Long Hood
10021	CHASSIS COATING Corrosion Resistant E-Coat Primer Coating for Single Frame Rails
10060	PAINT SCHEMATIC, PT-1 Single Color, Design 100
	<u>Includes</u>
	: PAINT SCHEMATIC ID LETTERS "WM"
10761	PAINT TYPE Base Coat/Clear Coat, 1-2 Tone
10AGB	COMMUNICATIONS MODULE Telematics Device with Over the Air Programming; Includes Five Year Data Plan and International 360
10SLV	PROMOTIONAL PACKAGE Government Silver Package
10WCY	SAFETY TRIANGLES
10WKN	KEYS - ALL ALIKE, ID I-1624 Compatible with Z-250

<u>Code</u>	<u>Description</u>
10XAN	FIRE EXTINGUISHER 5 lb Class A B C
10XAP	FIRE EXTINGUISHER BRACKET Mounted Left Side Driver Seat
11001	CLUTCH Omit Item (Clutch & Control)
12703	ANTI-FREEZE Red, Extended Life Coolant; To -40 Degrees F/ -40 Degrees C, Freeze Protection
12850	PTO EFFECTS, ENGINE FRONT for N13/A26 Engines, Less PTO, Unit, Includes Adapter Plate on Engine Front Mounted
12BEV	ENGINE, DIESEL {International A26} EPA 2021, 410HP @ 1700 RPM, 1450 lb-ft Torque @ 900 RPM, 2100 RPM Governed Speed, 410 Peak HP (Max)
12THT	FAN DRIVE {Horton Drivemaster} Two-Speed Type, Direct Drive, with Residual Torque Device for Disengaged Fan Speed <u>Includes</u> : FAN Nylon
12VAG	AIR CLEANER Single Element, with Integral Snow Valve and In-Cab Control
12VJK	EMISSION, CALENDAR YEAR {International A26} EPA, OBD and GHG Certified for Calendar Year 2023
12WBR	FAN OVERRIDE Manual; with Electric Switch on Instrument Panel, (Fan On with Switch On)
12WEG	COLD STARTING EQUIPMENT Automatic; with Engine ECM Control
12WPZ	OIL PAN Stainless Steel, for N13/A26 Engines
12WTA	FAN DRIVE SPECIAL EFFECTS Fan Cooling Ring with Fan Shroud Effects, Engine Mounted
12WZE	CARB IDLE COMPLIANCE Federal, Does Not Comply with California Clean Air Idle Regulations
12XBD	RADIATOR Aluminum, Welded, Cross Flow, Front to Back System, 1292 SqIn, with 1008 SqIn Charge Air Cooler <u>Includes</u> : DEAERATION SYSTEM with Surge Tank : HOSE CLAMPS, RADIATOR HOSES Gates Shrink Band Type; Thermoplastic Coolant Hose Clamps : RADIATOR HOSES Premium, Rubber
12XBR	BLOCK HEATER, ENGINE {Phillips} 120V/1150W
12XCS	CARB EMISSION WARR COMPLIANCE Federal, Does Not Comply with CARB Emission Warranty
13BEK	TRANSMISSION, AUTOMATIC {Allison 4500 RDS} 6th Generation Controls, Wide Ratio, 6-Speed with Double Overdrive, with PTO Provision, Less Retarder, Includes Oil Level Sensor, On/Off Highway
13WAW	OIL COOLER, AUTO TRANSMISSION {Modine} Water to Oil Type
13WDZ	SHIFT CONTROL PARAMETERS {Allison} 3000 or 4000 Series Transmissions, S1 Performance in Primary and Fixed Programming in Secondary
13WET	TRANSMISSION SHIFT CONTROL Column Mounted Stalk Shifter, Not for Use with Allison 1000 & 2000 Series Transmission
13WLM	TRANSMISSION OIL Synthetic; 63 thru 76 Pints
13WUC	ALLISON SPARE INPUT/OUTPUT for Rugged Duty Series (RDS) and Regional Haul Series (RHS), General Purpose Trucks, Construction, Package Number 223
13WVV	NEUTRAL AT STOP Allison Transmission Shifts to Neutral When Service Brake is Depressed and Vehicle is at Stop; Remains in Neutral Until Service Brake is Released
13WYH	TRANSMISSION TCM LOCATION Located Inside Cab

<u>Code</u>	<u>Description</u>
13XAL	PTO LOCATION Customer Intends to Install PTO at Left Side of Transmission
14ASD	AXLE, REAR, SINGLE {Meritor RS-30-185} Single Reduction, 30,000-lb Capacity, Driver Controlled Locking Differential, T Wheel Ends . Gear Ratio: 4.56 <u>Notes</u> : Axle Lead Time is 60 Days
14SAL	SUSPENSION, REAR, SINGLE 31,000-lb Capacity, Vari-Rate Springs, with 4500-lb Capacity Auxiliary Multileaf Springs
15924	FUEL TANK STRAPS Bright Finish Stainless Steel
15BAA	DEF TANK COVER Stainless Steel
15DYP	DEF TANK 9.5 US Gal (36L) Capacity, Frame Mounted Outside Left Rail, Under Cab
15LKX	FUEL/WATER SEPARATOR {Davco Fuel Pro 382} 12 VDC Electric Heater, Includes Pre-Heater, Includes Water-in-Fuel Sensor
15LMW	LOCATION FUEL/WATER SEPARATOR Mounted Outside Left Rail, 34" Back of Cab
15STM	FUEL TANK Polished Aluminum, 26" Dia, 100 US Gal (379L), Mounted Left Side, Under Cab
16030	CAB Conventional, Day Cab
16975	HEATER HOSES Silicone
16BAM	AIR CONDITIONER with Integral Heater and Defroster
16GED	GAUGE CLUSTER Base Level; English with English Electronic Speedometer <u>Includes</u> : GAUGE CLUSTER DISPLAY: Base Level (3" Monochromatic Display), Premium Level (5" LCD Color Display); Odometer, Voltmeter, Diagnostic Messages, Gear Indicator, Trip Odometer, Total Engine Hours, Trip Hours, MPG, Distance to Empty/Refill for : GAUGE CLUSTER Speedometer, Tachometer, Engine Coolant Temp, Fuel Gauge, DEF Gauge, Oil Pressure Gauge, Primary and Secondary Air Pressure : WARNING SYSTEM Low Fuel, Low DEF, Low Oil Pressure, High Engine Coolant Temp, Low Battery Voltage (Visual and Audible), Low Air Pressure (Primary and Secondary)
16HGG	GAUGE, OIL TEMP, ENGINE
16HHE	GAUGE, AIR CLEANER RESTRICTION {Filter-Minder} with Black Bezel, Mounted in Instrument Panel
16HKT	IP CLUSTER DISPLAY On Board Diagnostics Display of Fault Codes in Gauge Cluster
16JPY	SEAT, DRIVER {National 2000} Air Suspension, Hi Back, Cloth Facing/Vinyl Boxing, 1 Inboard Arm Rest, Isolator, Adjuster, 3 Chamber Lumbar, 6 Way Front Adj, 3 Way Rear Cushion Adj, -3 to 14 Degree Back Angle Adjustment, Adjust Side Bolster, Vinyl Suspension Cover, Heat
16SEE	GRAB HANDLE, EXTERIOR Chrome, Towel Bar Type, with Anti-Slip Rubber Inserts, for Cab Entry Mounted Left Side at B-Pillar
16SJX	MIRROR, CONVEX, HOOD MOUNTED {Lang Mekra} (2) Right and Left Sides, Bright, Heated, 7.5" Sq.
16SMX	SEAT, PASSENGER {Seats, Inc.} Non Suspension, High Back, Fixed Back, Integral Headrest, Cloth, for use with Batteries in Cab
16SNU	MIRRORS (2) Aero Pedestal, Power Adjust, Heated, Bright Heads, Black Arms, 6.5" x 14" Flat Glass, Includes 6.5" x 6" Convex Mirrors, for 102" Load Width <u>Notes</u> : Mirror Dimensions are Rounded to the Nearest 0.5"
16VKK	CAB INTERIOR TRIM Diamond, for Day Cab

<u>Code</u>	<u>Description</u>
	<u>Includes</u> : CONSOLE, OVERHEAD Molded Plastic with Dual Storage Pockets, Retainer Nets and CB Radio Pocket; Located Above Driver and Passenger : DOME LIGHT, CAB Door Activated and Push On-Off at Light Lens, Timed Theater Dimming, Reading Lights; Integral to Overhead Console, Center Mounted : SUN VISOR (3) Padded Vinyl; 2 Moveable (Front-to-Side) Primary Visors, Driver Side with Vanity Mirror and Toll Ticket Strap, plus 1 Auxiliary Visor (Front Only), Driver Side
16VLV	MONITOR, TIRE PRESSURE Omit
16VSL	WINDSHIELD Heated, Single Piece
16WHJ	HOSE CLAMPS, HEATER HOSE {Breeze} Belleville Washer Type
16WJU	WINDOW, POWER (2) and Power Door Locks, Left and Right Doors, Includes Express Down Feature
16WLS	FRESH AIR FILTER Attached to Air Intake Cover on Cowl Tray in Front of Windshield Under Hood
16WSK	CAB REAR SUSPENSION Air Bag Type
16XJP	INSTRUMENT PANEL Wing Panel
16XTK	ACCESS, CAB Bright Aluminum, Driver & Passenger Sides, Two Steps per Door, for use with Day Cab or Extended Cab
16XWE	SUNSHADE, EXTERIOR Bright Finish, with Integral Clearance/Marker Lights
27DBA	WHEELS, FRONT {Accuride 29374} DISC; 22.5x12.25 Rims, Extra Polish Aluminum, 10-Stud, 285.75mm BC, Hub-Piloted, Flanged Nut, with Steel Hubs
29AEM	BRAKE DRUMS, FRONT {Webb} Cast HD, Size 16.5" x 6"
29WLK	WHEEL BEARING, FRONT, LUBE {EmGard FE-75W-90} Synthetic Oil
32DHY	WHEELS, REAR SINGLE DISC; 22.5x13.00 Rims, Non-Polished Aluminum, 10-Stud, 285.75mm BC, Hub-Piloted, Flange Nut, with Steel Hubs
7652663208	(2) TIRE, FRONT 425/65R22.5 Load Range L XZY-3 (MICHELIN), 465 rev/mile, 65 MPH, All-Position
7652663208	(2) TIRE, REAR 425/65R22.5 Load Range L XZY-3 (MICHELIN), 465 rev/mile, 65 MPH, All-Position

Price

Net Sales Price:

\$377,375.00

Please feel free to contact me regarding these specifications should your interests or needs change. I am confident you will be pleased with the quality and service of an International vehicle.

PRICE QUOTED IS CURRENT PRICE OFFERED BY THE MANUFACTURER. BE AWARE FINAL PRICE AT DELIVERY COULD CHANGE DUE ADDITIONAL COSTS BY MANUFACTURER.

PRICE GUARANTEE DOES NOT INCLUDE GOVERNMENT MANDATES AND ASSOCIATED COSTS, SPECIFICATION CHANGES, FREIGHT, VENDOR PRICE INCREASES AND COMPONENT AVAILABILITY OR MODEL DISCONTINUATION, AND MATERIAL SHORTAGE SURCHARGES. THE AVAILABILITY OF THE TIRES QUOTED CANNOT BE GUARANTEED. INTERNATIONAL RESERVES THE RIGHT TO SUBSTITUTE ANY OR ALL OF THE TIRES, WITH TIRES OF COMPARABLE SIZE FROM ANOTHER MANUFACTURER. INTERNATIONAL AND AFFILIATED DEALERS ARE NOT RESPONSIBLE FOR THE EXPENSE OF CHANGING THE TIRES TO ANOTHER BRAND OR TREAD DESIGN.

This proposal (quote) is valid if chassis is produced by 12/31/23 (price does not guarantee cost of freight or surcharges). Chassis built after 12/31/23 will receive new pricing once build date has been determined. The future cost of Freight, surcharges and 2024 emission charges, are unknown currently, your Lakeside representative will communicate these new increases as soon as we are notified.

Kent Moon Pier Registration request @ W1819 Lake Road

Facts:

1. Pier existed prior to 4/17/12 and therefore is grandfathered.
2. Existing pier is 487 SF, proposed refurbished pier is 487 SF no increase.
3. Since the new pier refurbishment is not an enlargement, a new permit is not required. However, registering the new layout is advisable.
4. Pier Registration on file is not representative of layout since prior to 2010.
5. This pier is not located in a Lake Beulah Sensitive Area.
6. The new pier layout is not being enlarged, and can be reconfigured and must be located totally within the riparian zone.

Analysis

1. Ordinance Chapter 16.10.090(9). If a pier is grandfathered, the riparian owner may relocate or reconfigure the pier as long as the pier is not enlarged. Also, the pier does not interfere with the riparian rights of other riparian owners and is not detrimental to the public interest.

Recommendation

Approval is the recommendation.

Julie & Mark Hosfield Pier Registration request @ N9156 Humphrey Lane

Facts:

1. Pier existed prior to 4/17/12 and therefore is grandfathered.
2. Existing pier is being enlarged so a new pier registration is required.
3. Pier Registration on file since prior to 2005 is no longer representative.
4. This pier is located in a Lake Beulah Sensitive Area.
5. The WDNR has signed off on this pier.

Analysis

1. The pier enlargement includes a loading platform of 150 SF. The Ordinance states that the platform cannot exceed 200 SF. Also, the pier does not interfere with the riparian rights of other riparian owners and is not detrimental to the public interest.

Recommendation

Approval is the recommendation.

Joseph S. Klarkowski, PLS

Hi Julie,

It looks like based on the information you provided the pier would fall under our pier exemption and would not require a permit.

The Town has received your pier registration form. Due to our new ordinance, which requires some additional procedures on our part, we have adopted a new form to use. Part of our procedure includes scanning document. Therefore, **YOU MUST USE A DARK COLORED PEN TO FILL OUT THE FORM AND DRAWINGS.** Light colored pens and pencils will not scan. We have copied the form you sent us originally and we included it for your reference. Please fill out the new form that is enclosed, and return it to us at your convenience. If you have any questions, please call the Town Hall at the above number. Thank You.

This will suffice for the WDNR Review. We will need the standard Pier Permit Application filled out with the map attached. This will record the current pier as a legal pier with a current permit.

Hey Joe, hope you're well. Below is the email thread between Allison and myself. Would this email suffice for obtaining my pier permit? Let me know if you need something more "formal" from the wdnr. Thank you! Julie Hosfield

> Hey Allison, I'm just circling back to you to see what you found out about the pier at N 9156 Humphrey Ln. in East Troy on lake beulah. This is the permanent pier that we built in 2019. we did keep it in the same configuration and location, but made it longer to accommodate a new pontoon boat. It is located in a Bay -zone four. if the pier is OK and doesn't need any further attention from you , I was wondering if I could have you write me an email that i will forward to the town of East Troy saying that they (east troy) are cleared to give me a legal permit for the pier as it stands. Thanks for all your assistance. Julie Hosfield 847- 609-9630

Standard Terms and Conditions

Axon Enterprise Inc. Sales Terms and Conditions

Axon Master Services and Purchasing Agreement:

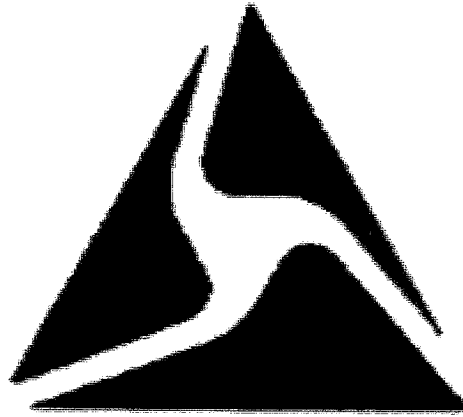

This Quote is limited to and conditional upon your acceptance of the provisions set forth herein and Axon's Master Services and Purchasing Agreement (posted at www.axon.com/legal/sales-terms-and-conditions), as well as the attached Statement of Work (SOW) for Axon Fleet and/or Axon Interview Room purchase, if applicable. In the event you and Axon have entered into a prior agreement to govern all future purchases, that agreement shall govern to the extent it includes the products and services being purchased and does not conflict with the Axon Customer Experience Improvement Program Appendix as described below.

ACEIP:

The Axon Customer Experience Improvement Program Appendix, which includes the sharing of de-identified segments of Agency Content with Axon to develop new products and improve your product experience (posted at www.axon.com/legal/sales-terms-and-conditions), is incorporated herein by reference. By signing below, you agree to the terms of the Axon Customer Experience Improvement Program.

Acceptance of Terms:

Any purchase order issued in response to this Quote is subject solely to the above referenced terms and conditions. By signing below, you represent that you are lawfully able to enter into contracts. If you are signing on behalf of an entity (including but not limited to the company, municipality, or government agency for whom you work), you represent to Axon that you have legal authority to bind that entity. If you do not have this authority, please do not sign this Quote.

To: Town of East Troy Board

From: Barbara Church, Town Supervisor

Date: December 12, 2022

Re: ETAESD November Town Board report

- The ETAESD's Fire Department responded to 24 fire calls in the month of November. Ten of those calls were in the Town. The District's Rescue Department responded to 103 EMS calls in the month of November and 33 of those calls were in the Town.
- Johnson Block presented the 2021 Audit. They encouraged the District to work towards maintaining 15-20% in its fund balance. The ETAESD is slightly below 15%. Johnson Block stated the District's 5-year plan for capital was an improvement for the District and its municipalities. Johnson Block also noted the budgetary increases for 2022 due to payroll and other employee-related expenses.
- The ETAESD Board has a meeting scheduled for Tuesday, December 13 with the Town of Troy to further discuss the municipality's Rescue contract. The meeting will be at the Town of Troy.
- Chief DeGaro placed the ETAESD order for radios with the County. Receipt of the equipment is anticipated in August, 2023. At the December 6th meeting Trustee Smalley reported Walworth County approved spending some of its ARPA money to reimburse a percentage of the radio bill to the municipalities who worked with the County. More information regarding the reimbursements will be given at a later date.
- The ETAESD agreed to purchase the retired Police Squad from the Town for \$12,000. Please add a copy of the letter from Chief DeGaro. Church will read this letter at the December 12th Board meeting.
- Fire and Rescue Department participated at the:
 - The Electronic Railroad Santa Train and Village of East Troy Santa parade December 3, 2022
 - There is a blood drive scheduled for Saturday, December 17 from 8 AM-1 PM at the Fire House.

East Troy Fire Department

To, ETAESD Board

Attached you will find the sales quotes for our new radios. I have signed and sent these in with a delivery date of 8/1/2023. Below you will see the total for this order and the total savings we obtained by ordering them now and through the county. If you have any questions, please do not hesitate to contact me if you have any questions.

Total cost for equipment: \$316,379.01

Total Savings for equipment: \$113,409.90

(County negotiation savings: \$98,351.90)

(Order before December 15th savings: \$15,058)

Chief Joe DeGaro

Project: XL-200 Control Station Dual Band

REMARKS

Control Station is customized for East Troy Fire as a Dual-Band radio for Walworth County.

NOTE ...this quote expires on December 15th, 2022.

There is no charge for reprogramming to the new P25 radio system if the radio is purchased prior to December 15th, 2022.

If the same Fire Apparatus mobile radio template is used to program this radio, then the template development charge found on this quote (\$750) will be removed from the invoice.

Radios will be invoiced upon delivery. East Troy will set the delivery date/year.

Due to ongoing chain supply and cost increases from manufacturers, there may be future price changes from the manufacturer after December 15th, 2022.

NOTE: a small magnetic mount antenna is part of this package. The mag-mount antenna will be mounted above the ceiling. If there are any radio reception/propagation issues, a full antenna system would need to be quoted separately for this control station.

Parks Committee Update

December 12, 2022

Thank you to Jen for identifying the opportunity to become a place to view the annual Santa train from The Elegant Farmer to the heart of East Troy. Jen reached out to Todd to see what decorations could be displayed for the train to slow as it passed our Town park. Jean helped by finding some decorations of FB Marketplace and Todd put it all together!

Thanks for the team effort and now we should be set-up for next year!

Communication Committee December 2022 Update

The committee has been focused on the first edition of the printed newsletter over the past 4-6 weeks. Attached is the draft for your review/edits and approval. All quotes below are within the 2022 budgeted funds still available (\$13,000 budget --\$4809 YTD expenditures = \$8,191 balance). Please review and get any edits to the newsletter content back to Supervisor Reyes no later than 12-14-2022.

Kim has provided a mailing list for this newsletter so we don't have to utilize direct mailing to every address in the East Troy area (direct mailing would result in ~4,000+ copies being mailed out and reaching residents from Burlington, Spring Prairie, Mukwonago and the village of East Troy in addition to Town residents). With the tax mailing list we are sending to the ~2580 residences in the Town. That also means we must use a bi-fold or tri-fold format for the newsletter. Only direct mailing can be cardstock of various sizes.

The printing cost for black ink on colored paper is ~\$455.

The postage cost is either \$0.32 or \$0.40 ea, so \$825-\$1,000.

The design fees are expected to be ~\$50.

So the entire project is ~\$1500.

If we wanted color printing on white paper, the printing cost increases from \$455 to \$850. At this time we are recommending black print on colored paper, being budget conscientious. I would ask that action be taken at the Dec board meeting in order for us to proceed with the mailing in 2022, utilizing our open budget. We are recommending black print on colored paper, please confirm the board is in agreement.

We expect to print a newsletter in May and Sept moving forward. May will include election results, spring updates, summer activities, etc and Sept will remind residents of any fall election activities and preparations for winter. Any additional content in a calendar year can be coordinated with the tax mailings in the future. We also plan to include an option to receive the newsletter electronically in the May 2023 edition, which we anticipate will reduce printing costs moving forward.

I would also like to request that the Board take action on the 2 volunteers, Joe and Mary Jo Jones who are interested in joining the communications committee. They would replace the 2 members that we lost (Grace Bird and

Dani Skenadore-Foster) earlier this year. You have all seen Joe and Mary Jo attending and participating in our monthly board meetings for the last 4-6 months consistently. They have had property in East Troy for over 15 years. Mary Jo has served on the Potter's Lake Rehabilitation District Board and was treasurer for 1 term. She now sits on the board as the Walworth County representative. They both have business backgrounds and have shared valuable insights regarding the website, topics for communication, etc. They are willing to invest their time in the Town and are interested in the communications committee therefore I would welcome their efforts. As stated previously, I am confident they would be great resources for the committee. I don't see updating of the Board appointments as a cumbersome activity that should delay this valuable addition to the committee.

I would like to thank Kim, Jean and Jen for their speedy assistance in the posting of the Communications Committee agendas for the Nov 28th and Dec 5th meetings as I was adjusting to the schedule! They went above and beyond to make up for my ramping up and tardiness! I promise to be more timely moving forward!

The committee has also spent some time building the annual social media plan in a monthly calendar format along with some high level posting guidelines, as mentioned last month. We plan to present that content in January 2023. The intent is to give the Board members visibility to the types of information to be shared on the Facebook page and website as well as help simplify the process for Jen moving forward (idea generation, pre-planning, etc).

Budget update is provided above with the newsletter details.

Action items requested of the Board on Dec 12, 2022:

- Approve the newsletter (with edits as needed) for distribution in December, please specify black or color printing.
- Approve the appointment of Joe and Mary Jo Jones replacing Grace Bird and Dani Skenadore-Foster on the communication committee.

Town of East Troy

Walworth County, Wisconsin

Technology Updates:

The Town of East Troy has an official Facebook page. Please find and "like" our page to receive updates. We will share information that is also posted on the website, along with useful community information, and time sensitive notices.

Our website has been updated and is all new for 2023. Please check it out at townofeasttroy.com and let us know what you think. We will be upgrading to a more secure website in the near future, and when that happens the website will change to townofeasttroy.gov. Until then, continue to use the .com address. You will automatically be redirected to the new website once it is live.

As of October, live video of all Town Board meetings is available to view on our Facebook page and website. Videos of past meetings are also available to watch on our Facebook page. We are still working on the audio quality, and welcome any feedback from the community.

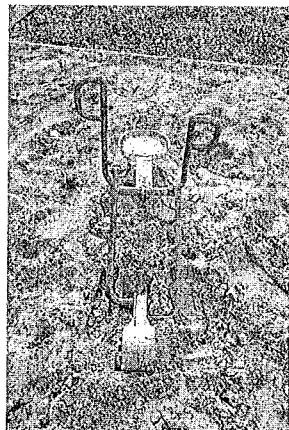

New Park Equipment:

New equipment has been installed at Jim Byrnes Memorial Park for the enjoyment of all residents! We added two bouncy riders--a fire truck and a ladybug, a backhoe in a sand pit for digging adventures and a bouncy "teeter totter". Be sure to bring your kids or grandkids to the park this spring to enjoy the new equipment in addition to the jungle gym. There is plenty of seating for adults while the

kids play. You can also walk the path to and around the soccer fields on your own or with your dog (please remember to pick-up after pets).

The Jim Byrnes Memorial Park can be reserved by Town residents for any family reunions, birthday parties, etc at no fee (non-residents pay only \$20). There is the covered pavilion with several picnic tables, some grills and electrical outlets to accommodate your needs. The reservation form is located on the Town website in the "How do I" section.

There are also two new posting boards, one at Jim Byrnes Memorial Park which shows any reserved dates and can be used to share other park activities. There is a similar posting board at the Lake Beulah boat launch entrance where you will find all Town meetings posted with the agendas. The new boards

keep the postings secured and protected from the elements.

Please reach out to Town Supervisor Michele Reyes if you have suggestions for future enhancements to our parks (mreyes@townofeasttroy.com).

New Police Garage:

Thank you to everyone who attended the November 2022 budget hearing. At that meeting citizens approved moving forward with the new budget of approximately \$500k for the police garage. The new building will be located behind the existing town hall and will include garage space for the police vehicles as well as offices for the police chief and staff. Any public interaction with the police department will continue to take place in the Town Hall. This additional building will allow the DPW team to utilize the current police bay for much-needed additional storage space of their equipment used to maintain our facilities (plows, mowers, etc).

The next steps for the new police garage will be to prepare the specifications to be sent out for 3 or more bids. Updates will be shared at monthly town board meetings and posted on our Town of East Troy website.

Drug Take-Back Box

A MedReturn Drug Collection Unit found a new home in mid-July in the vestibule of the Town of East Troy's Town Hall. This dark green metal drug take back box was a donation from the Walworth County Drug & Alcohol Coalition (Walcodac.com). Emma Madura, a Board Member on Walworth County's Drug & Alcohol Coalition (WalDAC) secured the MedReturn Collection Unit by applying for Wisconsin's State Opiate Response (SOR) Grant coupled with funds from the WalDAC (SOR) grant and some funding from Walworth County's Health and Human Services Substance Abuse Block Grant in order to cover all the expenses.

This unit allows residents to purge their expired and unused medications 24/7! The collection box is just inside the Town Hall's main doors. "Our main purpose (for the box) is to get rid of prescriptions," said Madura. "Overall, the boxes add to the community's protection and safety."

Welcome to the first edition of the Town of East Troy newsletter! The communications committee has had a busy 2022 as you will see from some of the technology updates below. Going forward this newsletter will be published in May and September and any year-end updates will be included with the tax billing.

The Town Board meets the second Monday of every month at 6:30 p.m. (there may be exceptions during election months) in the Town Hall and all residents are welcome to attend.

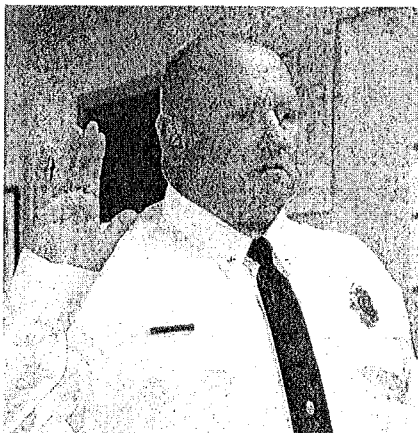

<<endorse>>

<<address>>
<<address2>>
<<city>>, <<st>> <<zip>>

Here is the best way to remove these items from your home: First, it is recommended that you leave the items in their original containers until you reach the MedReturn Drug Collection box. Next, bring an empty Ziploc bag to fill with all pills from their original containers. Then, seal the Ziploc bag so the pills don't spill out. Finally, pull back on the handle at the top of the box. Place your items on the platform once the door is opened. Gently allow the door to close and your items will drop into the belly of the unit. You can recycle the empty pill containers, but be sure to use a black permanent marker to blacken out your name, medication and Rx number. Only the police

department has a key to harvest the materials dropped into the box.

By eliminating your expired and unused medications, supplements, creams and veterinary medications you have reduced the risk of an accidental poisoning. Additionally, you have reduced the risk of contaminating the environment by not flushing or throwing away these chemicals.

Everyone is encouraged to regularly check through your medicine cabinet and safely remove these items from your home!

Welcome Police Chief Gorecki:

On September 26th, Alan Gorecki officially took charge of the Town's Police Department. Then, at the October Town of East Troy meeting, Gorecki was publicly sworn in as the Town's next police chief. Gorecki joins the Town's Police Department after serving 25 years with the Walworth County Sheriff's Department.

Not only might Chief Gorecki be a familiar face to many because of his involvement in the community as a member of the Sheriff's Department, but he and his wife have been long-time employees at the Alpine Valley Music Venue! At the Town's October meeting Gorecki told the board he was, "Glad to be the Chief in the Town."

Gorecki has been out and about meeting residents, many of whom he has come across while they have been out walking their dogs.

Among Gorecki's many tasks he is focused on adding members to the Department's staff and overseeing pier applications. Gorecki also hopes to continue to meet residents and provide service to the residents of the Town of East Troy.

Thank you! We hope you enjoyed this newsletter and found it helpful. If you have additional topics of interest or feedback for the Communications Committee, please reach out to Supervisor Michele Reyes at mreyes@townofeasttroy.com.

NOTICE OF JOINT MEETINGS OF THE TOWN BOARD OF THE TOWN OF EAST TROY AND THE TOWN PLANNING COMMISSION

On Wednesday, December 7, 2022, the Town Planning Commission of East Troy will meet at the Town Hall, N9330 Stewart School Road, at 6:30 pm, the following agenda item(s) would be considered:

AGENDA

1. Review & Approval of Planning Commission Minutes –
November 2, 2022.

Motion was made by commissioner Denhart,

Seconded by Commissioner Gordon.

Agenda was approved unanimously.

2. Land Separation/CSM Request

N8980 E. Miramar Drive

East Troy, WI 53120

Parcel No: P ET 1100032

Twilight Holdings/ Alex Alger, Owner

V2G Surveying, Applicant

Michael Greeson, V2G Surveying, spoke on behalf of the request. The property owner is hoping to split this R-2 Lot into thirds. The minimum square footage is 15,000 for each lot and they are each slightly over. The frontage requirement is also met. There is a ditch located between lots two and three, they did have the DNR come out and evaluate it and it was noted not to be an issue to their moving forward. There are two existing homes on the property. The one small home (to the east) is small, in poor repair and currently being used for storage. The owner is fixing it up currently. County stated that if anything happened to either property they would have to be made conforming. The plan is to keep the existing structures and repair them as much as possible. Chairman Cook asked if this is an existing lot or if it required removing portions of the farm field; Mr. Greeson stated that this is an existing lot and that it would require no further land other than this lot. Chairman Cook stated that there are other lots in the neighborhood of the same size as proposed and these would not seem out of proportion in the area. Commissioner Smith asked if we as a commission had any way to evaluate if this would stress the already burdened sewer system. The general consensus among commissioners is that it would be a District 2 customer and that the Village would have to evaluate that during construction and if they were unable to sustain the additional strain that the owner would have to put in their own septic system.

No members of the public spoke for or against the request.

Motion made by Commissioner Smith to approve as presented

Seconded by Commissioner Denhart

Request was approved as presented unanimously

3. Conditional Use Request
N8651 Stone school Road
East Troy, WI 53120
Parcel No: PGRE 00006

Gary Dierks, Owner
Wenke Construction, Applicant

Travis Wenke, Wenke Construction, spoke on behalf of this request. Owner, Gary Dierks is also in attendance. The applicant is looking to build a walk out garage that works with the natural topography of his land which has an 11 foot slope from the front of his home to the back of his home. In using the design presented the structure will only be 3 feet taller than his current home. This 11¼ acre piece of land presents unique limitations due to the shape, being within a naturally wooded area, having the wetlands in the back 6 acres of the property and sloping topography. The only other area where they would be able to put the out building would essentially be in front of the house and that would look poor in the applicant's opinion. The applicant does have the other option of loading 100 pounds of fill to make the area level and then build a structure much taller than his home, but the applicant stated that he is looking to keep the natural feel of the property and nestle the garage into that hillside keeping the new structure with size alignment of the existing home. They had issues with some very large oak trees dying and the space where they once stood will provide a unique space for this walk out garage to sit and allow for a workshop below it nestled into the hillside with minimal disturbance to the natural scape of the property or the view of the home itself. The property sits 850 feet off of Stone School Road and the applicant has noted neighbor support and their visibility of the proposed structure is minimal. Commissioner Gordon asked if the building would be an issue for the airport. Applicant stated that the structure would not come near taller than the trees. Commissioner Smith pointed out that zoning regulations do not really account for grade.

Motion made by Commissioner Gordon to approve request as proposed

Seconded by Commissioner Denhart

Request was approved as presented unanimously

4. Conditional Use Request

W1758 & W1762 South Shore Drive

East Troy, WI 53120

Parcel NO: PCT 00001

Beulah Sunsets LLC, (Steve Menza) Owner

Michael Abraham, Architect

Michael Abraham, architect spoke on behalf of the request. Owners Patti and Steve Menza are also in attendance. The applicants are looking to build a new single family home on their 3.52 acre R-1 property which has been in their family for the last 170 years. The property has an existing conditional use for the three worn structures on it as well as landscaping improvements that were grandfathered in, as it predated the zoning commission. The proposal is to demolish the existing structures in the Southwest half of the peninsula and for the two structures at the Northeast tip to remain. Proposed is a 10,216 square foot, two story single family home including four interior parking stalls. The proposed impervious area of 8,488 square feet overall 6.25% site total. There is a current shoreline restoration project has been approved and a permit issued through Walworth County. Work includes repair to approximately 1156 feet of ice shove along the shore. Grading, removal of damaged, diseased, dead, invasive and leaning trees is also included in this project.

The Applicants are requesting a revised Conditional Use for their proposed new construction as the previous Conditional use only covered the structures that will be raised. The residence has access from Shore Line Road, has an onsite well and sewer will be treated on site. A drainage and grading plan has also been included.

Chairman Cook pointed out that they have been a good civic partner and have come to us through out each step of their project. Mr. Abraham asked if it would be out of reach to come back before the commission to discuss keeping the existing non-conforming driveway for use with the new residence, Chairman Cook said he would have bring the proposal at the time and he was unable to say if it would or would not be approved.

Motion made by Commissioner Wucherer to approve request as proposed.

Seconded by Commissioner Gordon

Request was approved as presented unanimously

5. Land Separation/CSM Request

N9135 Stringers Bridge

East Troy, WI 53120

Parcel No: P ET 700005B

B. Stritzke Owner/Applicant

Bernie Stritzke , owner, spoke on behalf of the request. The applicants recently purchased the parcel to the north of their 50 acre property. They are requesting to divide land out of their northern property to create a driveway that will allow their farming equipment access to their A-1 property that is actively farmed. The hardship is that the topography of their current driveway does not allow access to their farm equipment due to tree growth, hells and a ditch. They have relied on the kindness and cooperation of their neighbors in years past to allow equipment access through their land. The applicants being future focused would like to add a driveway between the two parcels so that in the even that they sell the northern property at any time, the farmland will still have road access. The non-conforming northern property will remain 5 acres as was requested for the A-1 property.

Chairman Cook noted that they are really requesting more of a lot line adjustment. Commissioner Wucherer asked how much of the south ern property was A-1. Mr. Stritzke stated that there are 25 acres of A-1 and 25 acres of C-2 land on that parcel.

Motion made by Commissioner Celley to approve the request as presented

Seconded by Commissioner Denhart

Request was approved as presented unanimously

6. Variance Request

N9425 Island Drive

Mukwonago, WI 53120

Parcel No: PI 00007

Kathy N. Kiernan Trust, Owner

Mariani Inc/RMH, Applicant

Kathy Kiernan, owner, spoke on behalf of the request. Applicant is asking make adjustments to her landscaping after having raised the home built by her parents in 1976. The home was raised to repair a non-standard basement. In doing so it destroyed the 50 year old landscaping. The proposal is asking for a modification to the landscaping wall. The raised grade caused by the new basement allows them to remove the top level of the wall and grade the land down to level two which would be in the same footprint but raised 3 feet. This would then lead down to the final level of the wall which will again remain in the same footprint, but be raised 12 inches. They are also asking to change the shape of the stairs to be square and move them over five feet to the west for safety. Ms. Kiernan also brought with her the fourth part of her request to add frost coverage for her existing frost wall. Commissioner Wucherer pointed out that the walls will help with runoff. The property hardship is unique due to its substandard lot size of less than 150 feet in width. The home is the original structure to the lot and resides on the property of the original boat house (still standing) of what was once Jesuit Island. It has more than one setback to meet within the parameters of its width.

Motion made by Commissioner Wucherer to approve request as presented

Seconded by Commissioner Gordon

Request was approved as presented unanimously

Request to adjourn was approved unanimously

Can the Town of East Troy provide snow-plowing services on private roads?

To: Town Board

From: Attorney James R. Mills

Date: November 17, 2022

For the reasons stated below, it is my legal opinion that the Town of East Troy can provide snow-plowing services on private roads:

1. It is expressly authorized by Wis. Stat. §86.105. “The governing body of any county, town, city or village may enter into contracts to remove snow from private roads and driveways”. A second state statute, Wis. Stat. §66.0627, a tax levying statute, states that snow removal under §86.105 may be charged by a municipality for services provided.
2. 67 Wis. Att’y Gen. Op. 304 (1978) gave the opinion that §86.105 should be construed narrowly. It further stated that “Plowing of private parking lots is not authorized. Only in exceptional circumstances would plowing private driveways be permissible”. The Town of East Troy does not plow private parking lots or driveways.
3. A more recent Attorney General Opinion from January 2020 provides an updated analysis. In quoting *State ex rel. Kalal v. Circuit Court for Dane Cty.*, 271 Wis.2d 633, 681 N.W.2d 110, “Statutory language is interpreted in the context in which it is used; not in isolation but as part of a whole...” and “If this process of analysis yields a plain, clear statutory meaning, then there is no ambiguity, and the statute is applied according to this ascertainment of its meaning”. Similarly, an attorney general opinion is not the vehicle for determining factual matters, including if a particular arrangement would be permissible. There is no ambiguity in either state statute referencing plowing private roads or charging a tax for said service.
4. The above referenced Attorney General Opinion from 2020 states “there is no specific language in the state constitution establishing the public purpose doctrine”. The Wisconsin Supreme Court has explained that the doctrine places a limit on the “*expenditure of public funds*”. See *Town of Beloit v. County of Rock*, 259 Wis.2d 37, 657 N.W.2d 344 (2003). While a public aim would be necessary if the government expends funds or gives away valuable public property, that constitutional concern is absent where there is no expenditure or gift in the first place. In the Town of East Troy, the town residents on private roads are paying the Town a separate tax for the snow plowing service. That separate tax is paid in addition to the same taxes the private road residents pay to pay DPW wages, gas, and equipment maintenance as every other resident living next to a public road. Thus, there is no harm done to town residents living on public roads as their tax dollars are not being used to provide a service to those living on private roads.

5. In *Heimerl v. Ozaukee County*, 256 Wis.2d 151, 155, 40 N.W.2d 564 (1949), while the court ruled that the expenditure of public funds for a private purpose is unconstitutional as applied to a County seeking to build private roads under §86.106 (emphasis added), the court went on to state “Sec. 86.105, Stats., provides that a governing body of any county, town, city, or village may enter into contracts to remove snow from private roads and driveways. It is common knowledge that when public highways are snowplowed, large amounts of snow are piled into private driveways and thereby creating a greater obstruction than already existed. Then, too, this section is distinguished from sec. 86.106, Stats., for the removal of snow is an emergency situation and the public safety of the community in general is directly affected”. In the Town of East Troy, there are private roads that lead to public roads. Similarly, a public safety situation after a snow event, if private roads are not plowed and ambulance or even garbage service (for which the private road residents pay taxes) cannot occur, exists.

In my opinion (based in part on the 2020 Attorney General Opinion) because the Town of East Troy’s historical practice of charging to plow private roads is not an “expenditure of public tax monies”, the constitutional public purpose analysis is not triggered. If the analysis is not triggered, you would not have decide if other alternatives existed.

I would suggest that Todd take another look at the cost of plowing the private roads to determine if the amount taxed is consistent with the cost of gas and wages. Even if the cost to snowplow private roads is the same today, I would suggest that a new Resolution be drafted incorporating the points outlined in this opinion.
