## GRAND KNIGHT REPORT

Dear Brother Knights. Many times you will hear the words Domestic Church. In short, it means the home. Your home! We encourage you to take time and work on your spiritual life. Pray at home. Pray the Rosary. Make a holy hour. Work on trying to carve out an hour a week. If now is not the time commit to the same hour every week, then just try and work it in when the time works for you. Work on sharing prayer within the family. Do you do evening prayers before bed? Say the rosary at home or in the car traveling somewhere. How is prayer before meals, at home or out to eat? I encourage you to try and be that visible example to the family and practice prayer. Our council also wishes that you can share more time in charitable works of the council. We don't ask for much and if shared amongst the 190 Knights in our Parish, the commitment isn't meant to be overwhelming. We try to provide a variety of activities to hopefully interest you in something. If you know of something or someone needing our attention and manpower, don't hesitate to bring it to our attention. If when you volunteer for an activity, if you have kids of appropriate age, bring them along and help teach them charity alongside you. The Knights are a family organization with the man being the head. We want to help you be a better, more spiritual person and hope that it will be shared within your Domestic Church. Let us help. We invite you to be involved and participate. You are always welcome.

Thanks to all the Knights that helped move boards from Deacon's shop back to the church. Also to all that helped cut trees and clean up branches out at Mark Scheel's place. Also, thanks to those that have worked a UNL football game so far. There are some games left so plenty of opportunities to assist and earn our council some charity moneys to work with. Contact me for more information. May God Bless.

P.S. It is still not too late to pay your dues. Any questions, please contact me or Al Schrader. Thanks

David Wilson, Grand Knight

**Don't Assume You Can't Afford Disability Income Insurance**

One of the biggest mistakes you can make regarding disability insurance is to assume you can't afford it or you won't qualify. Before you make that assumption, do some basic research and apply for coverage through the Knights of Columbus. The Order's Income Armor product gives you options that can help you fit this critical protection into your risk management budget.

Here are two ways you can reduce your premium:

**1. Choose a two-year or five-year maximum benefit period.**

Depending on your age, the best option is probably a policy that pays benefits until you reach age 67. But a two-year or five-year duration benefit period would cover disabilities you might encounter in your working life.

**2. Choose a longer elimination period.**

An elimination period is the number of days a total disability must exist before benefits begin to accrue. Typical elimination periods are 30, 90, or 180 days. Choosing a longer elimination period lowers the policy's premium. But be sure you have enough set aside in your contingency fund to account for the longer gap.

As your professional insurance agent, risk management is my specialty. Let's talk about how to protect your income, your retirement needs, and your family's financial future.
