Ergotron vs. Tripp Lite

Ergotron	Tripp Lite
Sells direct to end users	Only sells through the channel – NO EXCEPTIONS!
Competitive pricing but no deal registration programs	Competitive pricing and deal registration programs
Fewer features and options for customisation	More features and customisable products
Products are more difficult to integrate into existing infrastructures	Vendor-neutral solutions that integrate easily into existing infrastructures
Only in business since 1982	More than 95 years of manufacturing excellence
Fewer website resources and options for support	Better sales tools, website resources and award-winning customer support
Focuses on digital display mounting and mobility products	More than 4,500 products, allowing customers to standardise on a single-source solution

TRIPP LITE HAS YOUR COMPLETE SOLUTION!

UPS | PDU | RACKS | COOLING
CONNECTIVITY | KVM | CHARGING
