HP Barcode Scanner for Retail Systems

Retail Solutions

August 2013

Barcode scanners designed to help you customize the exact retail solution you need.

Designing a robust retail solution requires putting together the right mix of components. The barcode scanner is used every day, all day, so it's important to pick the best product for your specific environment. HP has a range of scanners to help you find the perfect fit.

HP Wireless Barcode Scanner

Get a smart wireless barcode scanner that charges while it works. Minimize clutter in the workspace with a smart wireless scanner that reads a range of codes and recharges in the included presentation stand.

HP Linear Barcode Scanner

Take function and comfort to the next level with this handheld scanner that can read most common 1D barcodes, barcodes presented on mobile devices, and even barcodes that are poorly printed or damaged. Associates can use the scanner by hand or easily set it in the stand for presentation use.

HP Imaging Barcode Scanner

This extended functionality scanner reads 1D and 2D barcodes and barcodes from mobile devices and captures images. The versatile design can be used by hand or in hands-free presentation mode. User-friendly features include omnidirectional scanning, an intuitive aiming pattern, and excellent motion tolerance. Plastic molding helps protect against minor drops while the comfortable grip supports long hours of use.

HP Presentation Barcode Scanner

This on-counter presentation scanner offers a sleek design, small footprint, and efficient capture of most common 1D and 2D barcodes, including barcodes from mobile devices. Mounting brackets on the base of the scanner allow it to be mounted to most surfaces so you can flexibly place it where you need it.

Supported by the brand you trust

The comprehensive suite of HP retail peripherals can help you design a complete retail solution that's just right for your business. HP's worry-free maintenance includes a standard three-year limited warranty and a range of HP Care Pack Services.¹
