

Epson EB-1925W

DATASHEET

The Epson EB-1925W is the perfect solution for stress-free mobile presentations.

All of the features that make the EB-1925W a premium mobile projector make it even easier to set in any size meeting room when you are on the move. Automatic vertical and horizontal keystone correction, automatic focus, and Screen Fit function take the stress out of setting up.

With the EB-1925W you can plug in the power, put in your USB flash memory device and get straight down to business. There is no fussing with cables, waiting for set-up or fiddling with focus. Just place the projector, even in daylight and you'll be ready to start in seconds.

With its rich features and connectivity, the EB-1925W allows you to broaden your multimedia experience and impress the audience with smart and stylish presentations.
