

HD330 EXTERNAL HARD DRIVE

## DASHINGLY TOUGH

### HD330 External Hard Drive

The ADATA HD330 external hard drive with up to 5TB capacity keeps your data safe with a silicone casing on the outside, and ADATA's proprietary shock sensors and HDDtoGO software with AES 256-bit encryption on the inside. However, despite its durable nature the HD330 still maintains a slim 16.2mm\* form factor that's nice to look at and easy to carry around.

#### Tough Outer Defense

The HD330's tough defenses start from the outside with a robust, shock-absorbing silicone casing that can withstand the knocks, drops, and bumps of everyday life.

#### Keep Errors and Bad Sectors at Bay

With ADATA's proprietary shock sensors, all drive activity will cease when a physical shock is detected. Once in the clear, activity resumes. You're kept fully informed with a clear status indicator.

## More space to back you up

In an era of 4K UHD and 8K video content gigabytes just don't cut it anymore. With up to a massive 5 TB of storage space the HV300 has you covered and ready to back up all your music, movies, photos and more.
