

S20000D POWER BANK

A POWERHOUSE AT YOUR FINGERTIPS

S20000D Power Bank

The S20000D is a lightweight, lithium-polymer-powered power bank with a high-conversion rate that'll keep you going indefinitely with a whopping 20000mAh of power. With Dual-USB ports that dish out up to 2.1A of power combined, you'll be able to charge up two mobile devices in a snap. Equipped with a digital display, it shows you exactly how much power you've got left as well as its charging and discharging status. What's more, it comes with a handy LED flashlight should you ever be caught in the dark.

Display Removes the Guess Work

The S20000D features a digital display that shows you the precise status of the power bank. Whether you're charging one device or two simultaneously, you'll know exactly how much power is left!

The Power is in Your Hands

Thanks to its lithium-polymer batteries and massive 20,000mAh capacity, the S20000D is compact yet powerful, ideal for long-distance travel. Never worry about feeling powerless on the road again! The S20000D has got enough juice to charge your smartphone up to four times over!

Dual-USB Output

The S20000D features two USB ports that output 2.1A total. Recharge two mobile devices simultaneously and cut down on the annoying wait!

Doubles as a Flashlight

A built-in high-intensity LED flashlight can help you find your way when needed, whether you're out camping or caught in the dark during a power outage.

Features
