

## ADATA Sync & Charge Lightning Cable

ADATA's Apple MFi-certified Sync & Charge Lightning Cable provides a hassle-free way to charge your iPhone, iPad, and iPod, and sync data across devices for highly efficient mobility! You can plug it and charge your device using several simple ways: wall charger, any powered USB port, and a power bank. With strong multi-layered construction and tinned copper, the ADATA Sync & Charge Lightning Cable is highly durable and provides rapid charging up to 2.4A while preventing harmful EMI. If you also have an Android device, you can choose the 2-in-1 version with a microUSB port. The Sync & Charge Lightning Cable is a stylish mobile accessory that's available in several vivid and metallic colors to meet your personal style, and comes with a color-matched cable tie for easy storage.

### Apple MFi-Certified
