# The Importance of Ergonomics

- Each day, you face a number of challenges in the workplace. Taking on new responsibilities, meeting deadlines and operating efficiently depend on your comfort and your health.
- 3M Workspace Solutions is at the centre of your workday, focuses on your well-being and offers products that contribute to your comfort, organization and productivity in the workplace, so you can produce your best work.

### POST-IT® ROTARY ORGANISER

Keeps your desktop organised and places office essentials within easy reach. Dispenses Post-It® Notes, Post-It® Flags and Scotch® Tape.

### MONITOR ARM

Lets you position your monitor at the ergonomically correct height so you can view your screen more comfortably - and it frees up desk space!

### NOTEBOOK RISER

Raises your notebook screen to an ergonomically correct height so you're not working hunched over - and you can link your notebook screen with an LCD monitor for a larger display and greater productivity.

### IN-LINE DOCUMENT HOLDER

Positions documents in-line between your keyboard and monitor to let you minimise head movement so you can refer to documents more comfortably.

### ERGONOMIC MOUSE

Is clinically proven to reduce pain and discomfort in your arm, hand or carpal tunnel region caused by traditional mice.

### ADJUSTABLE KEYBOARD TRAY

Lets you ergonomically position your keyboard and mouse at the right height and angle that's comfortable for you.

### HEIGHT AND TILT ADJUSTABLE FOOTREST

Provides sturdy support for your legs to help increase circulation and make your workstation more comfortable.

### GEL FILLED WRIST RESTS

Provide soothing gel comfort to encourage neutral wrist posture and to make working more ergonomically correct and comfortable.
