Power adapters and Batteries

Keep your PC powered.

In or out of the office

Today's mobile world is influencing the way we work and play. Rechargeable battery technology is essential to getting the best performance from your notebook PCs. HP power adapters and batteries offer solutions that are efficient, convenient, long-lasting, and—because of this—kind to the environment.

HP 90W Smart Power Adapter

Provide optimal power and help offset power fluctuations to your HP notebook with a HP 90W Smart AC Adapter. Now available with a new right-angled (90°) connector that reduces cable stress and an optional 4.5 mm to 7.4 mm conversion dongle. As a replacement or back-up adapter, be prepared with the right connection.

Calculators

It all adds up with HP calculators.

Calculated to support you

You can count on accurate, durable, and stylish HP calculators to meet your needs at school and at the office.

HP Prime Educational Solutions

HP Prime Graphing Calculator

Experience math in the age of touch with the HP Prime Graphing Calculator, a sleek full-colour, multi-touch calculator that delivers touchscreen or keypad interaction, easy integration of multiple mathematical representations, quick formative assessment, and a long-life, lithium-ion rechargeable battery. Now with the added ability to integrate with the HP Prime Wireless Kit and StreamSmart 410.
G8X92AA
B10: 888182912379; B1S: 888182912362

HP Prime Wireless Kit

Improve classroom interactivity and make learning easier with the HP Prime Wireless Kit, which allows teachers to wirelessly push and pull content between the teacher PC and up to 30 HP Prime Graphing Calculators (G8X92AA). Create and edit programs, exam configurations, and data sets on the teacher PC and send polls to student calculators. View and project individual student calculator screens to the entire class.
F0K65AA
887758962503

HP StreamSmart 410

Visualise experiment results by streaming data in real time and make experiments come to life with the HP StreamSmart 410. Simplify the collection of real-world data and reduce experiment prep time with easy setup. Collect data with up to 40 Fourier Sensors and use the Statistics App to upload data to your HP Prime calculator (G8X92AA).
