ROYAL PORCELAIN

Classic white

Is Thailand's Royal Porcelain Manufactory, founded in 1983 and today one of Asia's leading porcelain manufacturers using state-of-the-art German, Japanese and English machinery.

We have been carrying this product for 22 years and have not had a single complaint to date. High edge strength and a high firing temperature guarantee the quality requirements of every gastronomy. We give you a edge protection of 5 years on every single product and a post-purchase guarantee of 10 years.

The white is very similar to many other manufacturers' products and can therefore be easily integrated into other manufacturers' inventories.

The depth and breadth of the range cover all wishes and possible combinations. In the event of dissatisfaction, we will take back any unused product without complaint and without discussion.

FILIPPA

Classic chic

Is the second born daughter of our managers in the Netherlands and we have named this simple and elegant series after her.

Produced in a factory with more than 200 years of experience, managed in the fourth generation. In 2015 we visited the factory and decided to let the production, the tradition, the working conditions and the raw materials produce our own wishes and designs. Here too, we provide edge protection and a 10-year availability guarantee.

NIPPON WHITE

Japanese signature collection

This series is the result of the cooperation with our customers "Fischereihafen Restaurant Kowalke" in Hamburg. Meet the individual requirements was a challenge and we are proud to be able to offer you this series. A special process allows the dishwasher suitability of the golden rim. Four restrained designs harmonize in their simple elegance. The variety of all articles cover the entire needs of the gastronomy. 10 years availability guarantee is of course also guaranteed. In the event of dissatisfaction, we will take back any unused product without complaint and without discussion.
