GRG 84/9 Succession duty 'Old Act' files

This series contains succession duty files recording succession duties (death duties) levied under the Probate and Succession Duty Act, 1876 - 1892 (Old Act).

Most files contain a 'Form A' statement that gives name of deceased, a summary of personal property and real estate, persons to whom property was bequeathed, degree of relationship of deceased to beneficiaries, and duties paid; and a 'Form B' statement of particulars that gives a detailed description of property in the estate and its value, including deductions for debts, funeral expenses and other lawful deductions.

Contents of the envelopes vary over time.

Series date range	1876 to 1892
Index date range	1876 to 1892 ('Old Act' files)
Series contents	arranged numerically (1-OA to 12096-OA)
Index contents	alphabetical by surname (A-Z)

How to view the records

Use the index to locate name(s) and note the file number. The file number is needed to view the records online as the files online are arranged numerically (e.g. 1-OA) where OA is 'Old Act'.

- » online copies hosted by [FamilySearch](#) (free registration required)
 - from file 1-OA to 8128-OA these are displayed on FamilySearch as single files and from 8132-OA onwards files are displayed along with all other files contained within the same unit (e.g. unit 88 contains files 8132-OA to 8209-OA)
- » digital copies at our [Research Centre](#), or
- » request a digital copy (fees may apply) through our [Online Enquiry Form](#)

Note: While every effort has been made to ensure the accuracy of special lists, some errors may have occurred during the transcription and conversion processes. It is best to both search and browse the lists as surnames and first names may also have been recorded in the registers using a range of spellings. Please advise State Records if you discover any errors in this list.
