

June 2023 Note: As a result of action points from the Joint Local Plan Examination December 2021 Hearing Meeting, the Councils undertook to supply the Inspectors with the information in this document. It was provided in April 2022. This has now been published ahead of the Further Hearings Sessions in June 2023. The Councils have also identified a duplication of the site "Land South of Eye Airfield Phase 1, Eye" (Mid Suffolk) for 280 dwellings which appears in error on the Neighbourhood Plan site list.

## **BMSDC estimated committed housing supply 2022**

All figures in dwellings. Data supplied is best available and provided as unofficial interim data only, benchmarked to approximately Jan 2022. Official data for end of 2021/22 monitoring year, anticipated to be available around late June 2022 once full data is collated and internally validated.

Detailed Excel sheets for each category provided with this summary.
