FOR THE ATTENTION OF ALL VENDORS AT SOCIETY SALES

To protect the integrity of the breed it is important that sheep presented at Society events represent the best the Suffolk can offer. With this in mind members' attention is drawn to the following:

1. **ARTIFICIAL COLOURING** - No artificial colouring of hair on heads/legs, dressing, bleaching or chemical agent (except Department of Environment, Fisheries and Rural Affairs' approved and recognised show dip and colourless oil on the head) shall be used on or applied to sheep entered in this show/sale. In the event that any sheep is found by the Inspectors or veterinary surgeons to have been artificially coloured, the owner shall upon being so required by the stewards forthwith remove such sheep and all other sheep in the same consignment from the Society Sale and the sale ground and the breeder will be banned from entry into any Society Sale or Society Show held during the next calendar year.
2. **HAIR SAMPLES** - Hair samples will be taken from each pen by the veterinary surgeon(s). A number of these will be selected at random at a later date and tested under clinical conditions for non-approved artificial colouring. Where found, the breeder will be notified in writing of the findings and banned from entry into any Society Sale or Society Show held during the next calendar year.
3. **INCORRECT MOUTHS/TESTES** - The veterinary surgeons will, without limitation, inspect for correct mouths and evidence of mouth tampering and, in the case of rams, testes. Any sheep which is not approved by the Inspectors and/or veterinary surgeons shall upon being so required by the stewards forthwith remove such sheep and shall not be entered at any other Society sale and cannot be registered with the Society. The decisions of the Inspectors and veterinary surgeons on all such matters are and shall be final and binding, and (in the absence of bad faith) without any responsibility or liability on their part.

PLEASE NOTE: There will be no appeal to these decisions on the day

DISPUTES

1. All disputes of differences of any kind which arise at or in relation to the auction either between the vendor and the purchaser or amongst bidders themselves shall be referred to the auctioneer and his decision shall be final and binding on all parties.

CONDITIONS OF SHOW OR SALE

1. Each item must be bona fide the property of the exhibitor.
2. The highest bidder to the buyer, and if any dispute arises between the bidders, the decision of the Auctioneer shall be final, or at his discretion the lot in dispute shall immediately be put up again and re-sold. The Auctioneer reserves the right of refusing the bid of any person and regulates the bidding, and no bidding is to be retracted.
3. The purchasers to give their names and places of abode in writing and pay the full purchase money for each lot at the fall of the hammer (if required); in default of which the lot or lots so purchased may immediately be put up again and re-sold.
4. No lot or lots shall be removed from the premises before the sale, or till paid for, but each and every lot shall, immediately at the fall of the hammer, be considered as delivered, and be and remain in every respect at the absolute risk of the respective purchasers thereof, and shall be removed from the place of sale at the purchaser's expense.
5. If any purchaser shall fail to comply with the above conditions, or any part of them, the Auctioneers shall be at liberty either to recover in full the amount of the lot or lots bought by such purchaser, without reference to any delivery or acceptance of the lot or lots other than first delivery by the fall of the hammer, or to re-sell any lot or lots bought by the purchasers, either by public or private sale; and the full amount of the purchase money at the present sale, or the deficiency (if any) arising from such second sale, shall be made good by the defaulter at the present sale, and be recoverable as and for liquidated damages.
6. No money will be paid to the proprietor for any lot sold, unless the account be cleared by the purchaser, and the Auctioneers will not be answerable for any deficiency that may arise on the re-sale of any uncleared property.
7. Animals are present on the sole responsibility of owners, whose duty it is to keep each exhibit under proper control at all times, whether in pen or in show or sale rings, or in transit within the centre. Neither the Auctioneers, the organisers nor the Sponsors, nor any of their officials or employees will be liable for damage or injury caused by any animal's behaviour, including overnight.
8. Purchasers are to understand that, although every reasonable precaution will be taken to ensure the safety and welfare of the animals exhibited, the Auctioneers will not be reasonable for loss, or accidents of any kind, that may occur. Nor will the Auctioneers or vendors be accountable for any accident that may occur to any person attending the sale, whether as a visitor, or in any other capacity.
9. The pedigree, history and description of each animal is guaranteed by the owner, and no liability whatsoever is undertaken by the Auctioneers for the statements in the catalogue or announcements made at time of sale. The vendor who supplies such statements is alone responsible.
10. No undertaking of the Auctioneers or vendors or their servants to take charge of the lots or animals for sale, or to forward them to their destination, shall be held to impose any legal obligation or vitiate any of the foregoing conditions.
11. Any Medical Treatment to any animals must be advised by the Auctioneer for announcement at time of sale. The presence of any chemical or pharmaceutical substance in or on an animal or in its milk during the withdrawal period may render its sale void.
12. Should any question arise not provided for in the forgoing conditions, the decision of the Auctioneers shall be final, from which there shall be no appeal.
13. Neither the Auctioneers nor the sponsors incur liability of the return of Auction Fees where a claim is made for return of purchase price of any lot sold at the sale.
14. The sale will be conducted in Guineas. Purchasers will pay VAT on Fees.
15. After Sale release of livestock or goods is by Pass Out issued by the Sale Office. This also includes unsold lots.
16. Each and every lot must be presented for sale in the auction ring in catalogue or numerical order. No Sale may be contemplated before such presentation. Lots not sold in the auction or present for demonstration purposes and subsequently sold privately on the premises must be recorded through the auctioneer's office and are subject to commission.

17. No electrical device may be connected to any socket in the show or sale premises unless it is fitted with an approved circuit breaking control. All equipment must be in up to date state of safety. Note: Sockets on sale rostrum are not suitable for blow driers.
18. Neither the Auctioneers, the Organisers, nor the Sponsors shall incur any liability for loss or inconvenience arising from postponement or cancellation of the event.

NOTE: No animal is considered to be delivered to the Show and Sale until placed in the pen or place of tying allotted. Access doors will permit vehicles and trailers to enter the building for loading or unloading. Delivery to purchaser will also be effected when the purchaser removes the animal from the pen, or otherwise takes charge of the animal. Under no circumstances may any animal be taken out of the building for loading. The trailer or lorry must be backed inside the doorway and the screen doors closed the vehicle.

Please remember to collect your Movement Permit before leaving. And please remember that a new purchase should be introduced to company when taken home – and not placed in solitary confinement on arrival in strange surroundings after transport!

N.B: All stock must be paid for on day of sale. Cheque facilities are only for approved customers:- otherwise payment must be made by debit card, credit card or cash.
