Welcome to Blue Cross and Blue Shield of Texas STAR

Esta información está disponible en español a partir de la página 3.

This directory lists hospitals, primary care providers (PCPs), clinics, specialists, behavioral health providers and ancillary providers. It lists primary care and specialist providers first by specialty, then by city.

Please choose a PCP or clinic that meets your family's needs. You may want to choose a PCP or clinic with an office close to your home or with staff who speak your language. You do not have to call the doctor's office before you make your choice. If you do not choose a PCP within 30 days, Blue Cross and Blue Shield of Texas (BCBSTX) will choose one for you.

For each PCP listed you will find:

1. The doctor's specialty (family practice, internal medicine, pediatrics or OB/GYN).
2. The hours for the office, center, group or clinic.
3. The languages the doctor or staff can speak and interpret for you.

Choosing a PCP is easy:

- When you enroll, just pick a PCP for yourself and for your children from the list in this book.
- Family members do not have to go to the same doctor. You can choose a different doctor or clinic for each family member.

Please read your STAR Member Handbook. It tells you how your health plan works. It also tells you which services are covered and which are not.

*BCBSTX works hard to keep our provider information up to date so you know which providers you can see. Provider information can change. We want to hear from you when you call a provider in our directory and you are not able to make an appointment. Please call the Customer Advocate department at **1-888-657-6061** and tell us. We can have someone reach out to the provider and even help you get an appointment with that provider or another provider.

Call the Customer Advocate Department at **1-888-657-6061** or TTY: **711** if:

- You need help choosing a doctor.
- You want to know if your doctor is with BCBSTX.
- Your doctor is not listed. (You may need to choose a new doctor.)
- You need a behavioral health, pharmacy or vision provider.

For the most up-to-date list of BCBSTX STAR PCPs, please call us or visit www.bcbstx.com/star and go to 'Find a Doctor, Hospital, or Pharmacy.'

This list is not a recommendation of any health professional. This list may change at any time.

Le damos la bienvenida al programa STAR de Blue Cross and Blue Shield of Texas

Este directorio contiene una lista de hospitales, proveedores de atención primaria (PCP), clínicas, especialistas, proveedores de salud mental y de servicios auxiliares. Los proveedores de atención primaria y los especialistas aparecen primero por especialidad y luego, por ciudad.

Elija un PCP o una clínica que satisfaga las necesidades de su familia. Quizá desea elegir un PCP o una clínica que tenga un consultorio cerca de su casa o personal que hable su idioma. No tiene que llamar al consultorio del médico antes de elegir. Si no elige un PCP en un plazo de 30 días, Blue Cross and Blue Shield of Texas (BCBSTX) lo hará por usted.

Por cada PCP de la lista usted encontrará:

1. La especialidad del médico (práctica de familia, medicina interna, pediatría u obstetricia/ginecología).
2. El horario de atención del consultorio, centro, grupo o clínica.
3. Los idiomas que el médico o el personal pueden hablar e interpretar.

Es sencillo elegir a un PCP:

- Cuando se inscriba, simplemente elija un PCP para usted y para sus hijos de la lista que se encuentra en este libro.
- Los miembros de la familia no tienen que ir al mismo médico. Puede elegir un médico o una clínica diferente para cada miembro.

Lea el manual del asegurado del programa STAR. Este describe cómo funciona su plan médico, qué servicios están cubiertos y cuáles no.

* En BCBSTX nos esforzamos por mantener nuestro directorio de proveedores al día para que usted sepa con seguridad a qué proveedores puede acudir. La información de los proveedores puede cambiar. Queremos que nos informe cuando no tenga éxito al intentar hacer cita con uno de los proveedores del directorio. Para notificarnos, por favor llame al departamento de Especialista en Servicio al Cliente al **1-888-657-6061**. Nuestro personal puede comunicarse con el proveedor para programar una cita para usted, ya sea con ese proveedor o con otro.

Llame a un especialista en Servicio al Cliente al 1-888-657-6061 o TTY: 711 si:

- Necesita ayuda para seleccionar un médico.
- Desea saber si un médico forma parte de la red de BCBSTX.
- Su médico no se encuentra en la lista. (Es posible que necesite escoger un nuevo médico).
- Necesita un prestador de servicios médicos para la vista, beneficios farmacéuticos y salud mental.

Para obtener la lista más actualizada de los PCP de BCBSTX STAR, llámenos o visítenos en espanol.bcbstx.com/star y vaya a "Buscar un médico, hospital o farmacia".

Esta lista no pretende ser una recomendación de ningún profesional de la salud. Esta lista puede cambiar en cualquier momento.
