Ropes

Mr. Wehrli's group shows their enthusiasm as they take time out for a group photo.

Mr. Feltham's group would really rather be enjoying the ropes course rather than posing for a picture.

"Help!" shouts A. Jones to J. Brownell and Mr. Mattingly, "I don't want to fall in the Alligator pond." A. Stevens stands way back for more room.

Mr. Davis' group has a hard task at hand, so they decide to talk it over first.

"I'll give it a try" announces N. Decker, "but this playpen is pretty high off the ground."

"The ride back down is a breeze" exclaims S. DeGroat.

C. Casey tests her balance and strength as she ascends to the top of the playpen.

On lookers R. Margarum and K. Scaffold are in awe of how well their teammates climb the wall.

COURSE

"At the top, do I dare look over?" contemplates B. Harmon.

Mr. Palmers' group might need a little help on the Meat Grinder.

"We can do this," encourages Mrs. Sanfords' group.

K. Layton "You're suppose to climb it, not try to take the knots out."

Congratulations! L. Raymond, you climbed the wall.

"Just ten more feet, then a ride like you wouldn't believe," anticipates D. Gould.

"Triple Trouble" N. Newbauer, T. Gould, and A. Bauerle.

Thanks for the help Mrs. Atkinson agree C. Dibble and G. Newbauer.

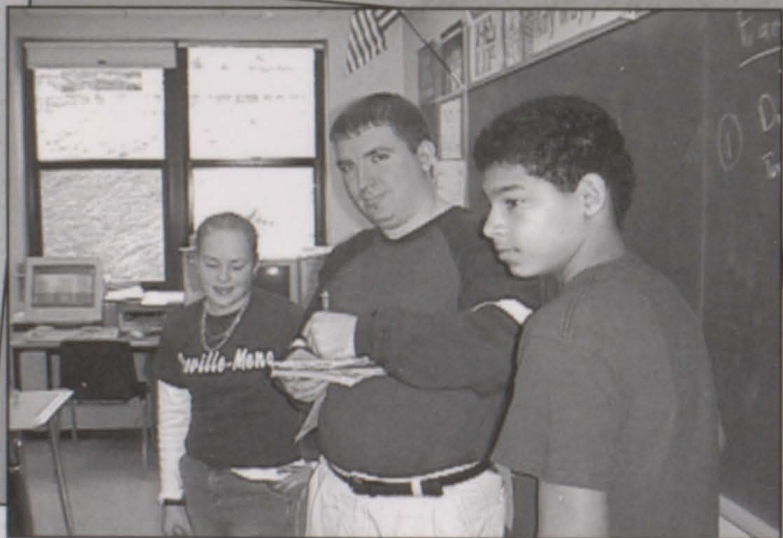

P.J.'s in school? A. Cutting, R. Thomas, C. Hartwell and B. Schmitz.

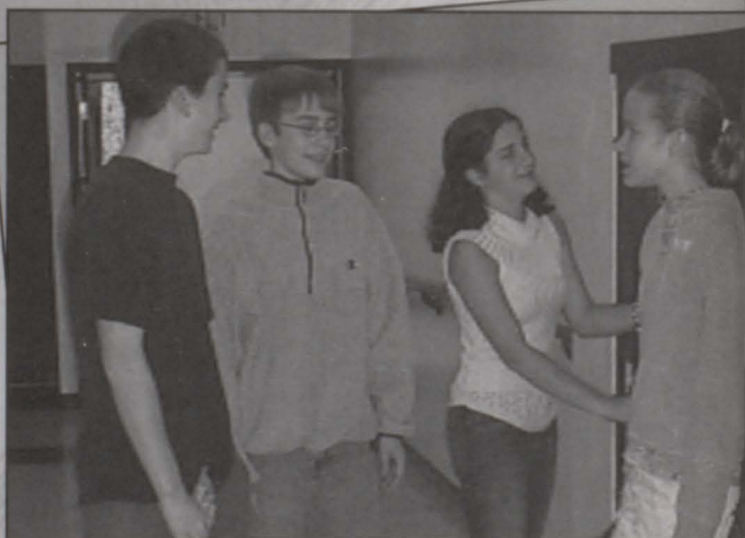

"I love school lunches" shares A. Jones.

No PDA T. Dickey and C. Case.

Mr. Wehrli gives his autograph free of charge to N. Fussle and J. Rivera.

"What will we do for OM next year?" questions S. Marks, J. Metch, C. Anderson and K. Holowacz.

Start To Finish

"It's so hard to read the fine print" exclaims T. Smith to S. Oliveria.

"What would our Jr. year be like without the many exciting projects Mrs. Anderson assigns," discusses M. Nelson and B. Strier

"Are you sure you have all your work done?" asks Mrs. Casey to K. Lanfair and J. MacPherson.

This is my very favorite class share these tenth graders.

Mr. Grigoli's help is always welcomed agree P. Williams and C. Strickland.

"Where did you say we were going?" questions B. Page.

High School

Showing off their Halloween wears are A. Holland, J. Hernandez, S. Darling, R. Cawley, and B. Ives.

I adopted T. Neidlinger as my big brother states A. Voight.

C. Richmond, S. Oliveria, A. Escobar, and H. Meyer are glad to get a little class time to work.

That was my stomach growling again grumbles A. Winn to W. Petty, L. Simpkin, E. Santana, and K. Jones.

We still are learning to share J. Hayes and S. Washington agree as they share their info on WEB DuBois.

Reading made fun by Mrs. Bucalos.

Science outside with Mr. Mazikewich Earth science class.

What do we do with all these pieces asks K. Pixley, D. Schoelie and Z. Fish.

Just "chillen" are the freshmen.

Making a fashion statement in the halls of B-G.

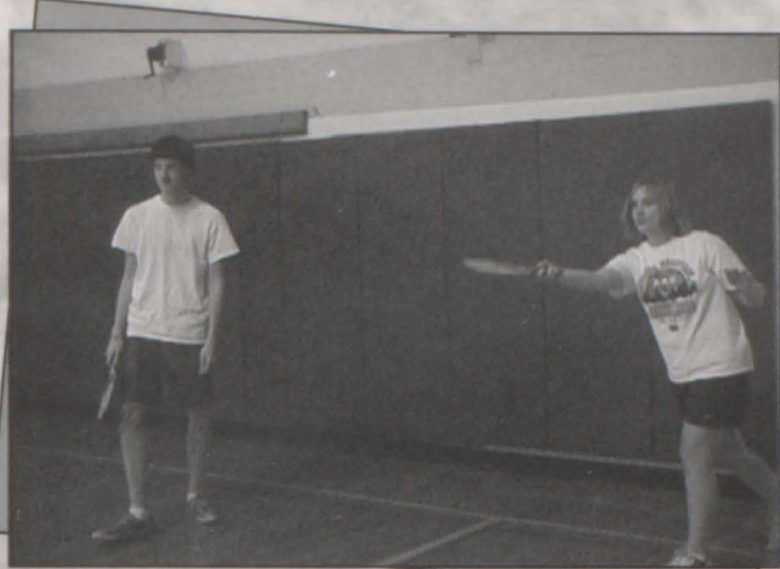

M. Nelsen, S. Campos, J. Hayes and L. Sherman show their spirit.

"Do we really have to read the whole cahpter?" pleads L. Evans.

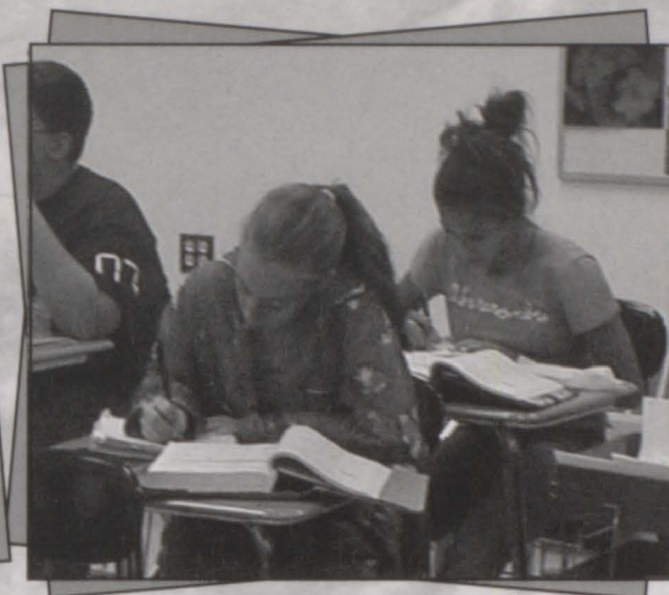

These 9th graders have a job to do and they will stop at nothing, including the camera, to complete it.

"How did you like that volley?" questions D. Nelson and L. Evans.

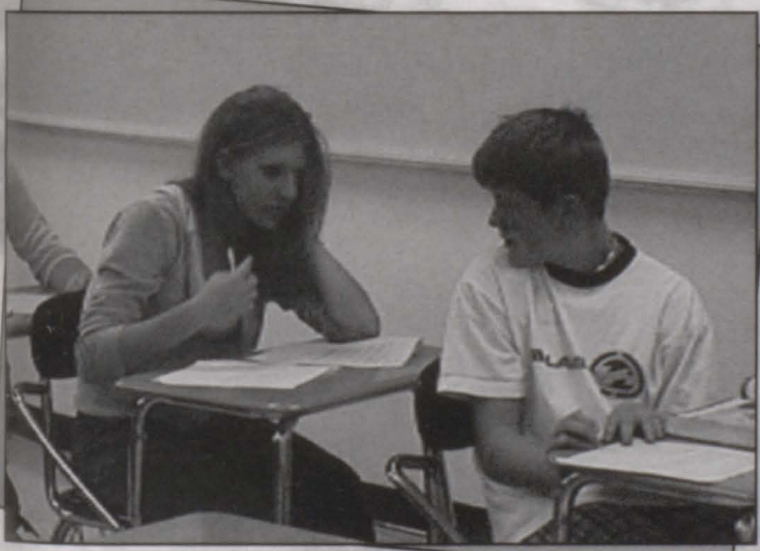

"I'm trying to finish my lab" states K. Kellogg.

These students take their book work very seriously.

Ms. Frazier keeps biology very interesting for her 10th graders.

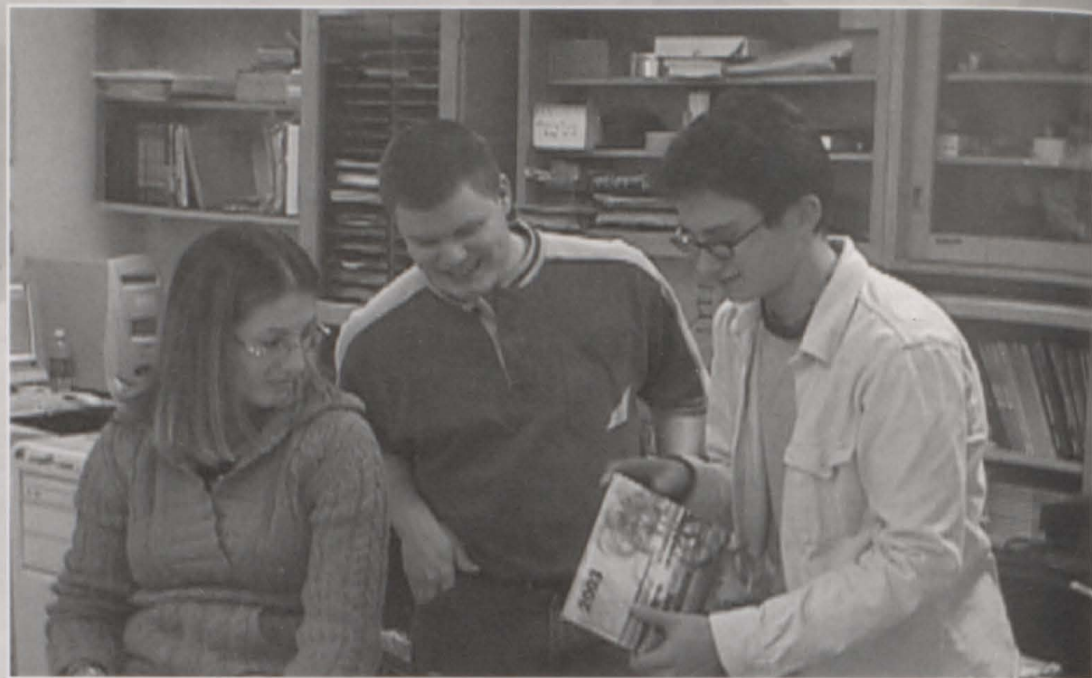

"What was the answer to number two?" asks G. StClair of B. Tewksbury.

Everyone loves a parade, especially "Homecoming"

W. Ireland, K. Wayman, and A. Bianchi taking a quick break to smile for the camera.

D. Gauthier and J. Zito help to label the many pictures in the yearbook.

Looking through pictures to find the best shot is E. Hughes.

C. Pixley and A. Bianchi share a hug to relieve some stress.

Revolving around the creative theme of "start to finish", this year's yearbook club has worked hard designing, planning, selling and carrying out the many other aspects needed to be done to produce a good yearbook. With many assisting hands and late nights, the yearbook team, especially the officers, have worked very hard to meet all of the needed deadlines. Many new people, including myself, have joined the yearbook team this year. We quickly found out just how much work it takes to reach the final product! Between taking pictures, writing summaries, designing pages, getting sponsors, and selling fundraisers everyone on the yearbook club has strove to create a collection of memories from 2003-2004 school year that now can never be forgotten.

S. Palmer looks over the ADSIP activity these students are working on.

ADSIP is an organization of students in which the members teach younger students about the dangers of drugs and alcohol. The members of ADSIP choose to remain drug and alcohol free during the program, which is one reason why ADSIP is so successful in informing youth. The members of ADSIP gain a feeling of accomplishment and success when teaching younger children. Also, friendships are made during the process of the program. ADSIP is a great program to be involved in because you get a sense of working with others and it's a great feeling to know that high school students have the power to influence the thinking of younger kids. Taking that power to create something positive and informative can be challenging at times, but in the end it's all worth it knowing what you've done.

Student Council is about developing leaders that will work not just to benefit themselves, but the surrounding community. By organizing the Christmas can drive, hosting a benefit dinner, volunteering to ring the Salvation Army Bell, and planning activities for Staff appreciation week, members of the Student Council have demonstrated their care and concern for their school, community, and world. True leaders are born when some are willing to look beyond themselves and take a stand to better the lives of those around them.

The Girls Varsity Soccer Team had another outstanding season, finishing with an overall record of 11 wins, 7 losses, and 2 ties. Bolstered by 11 seniors, the Bobcats started the season by placing second in the Mang Tournament and first in the Unadilla Valley Tournament. Consecutive losses to Unatego, Sidney and Greene in the middle of the seasons did not deter the girls as they finished their last 10 games of the season with 5 wins, 3 losses and 2 ties. Ashley Smith was selected to the first team MAC all-stars and

Sarah McFee and Nikki Nesbit were chosen to be on the second team. Honorable mention slots were given to Kirby Lodovice, Emily Foster, Jennifer Patten and Marcie Day. The 20 young women on this team were truly a pleasure to coach.

The Varsity boys finished their season with a record of 7-11. After a rough 0-5 start, the team finished 7-6 over their last 13 games with 5 of those losses coming against state ranked teams. All of the 7 wins were shutouts which established new school records for shutouts in a season by a team and by a goal keeper [Steve Nelson]. League All-Stars were sophomore Andy McFee [first team], senior Philip Lane [second team], with seniors Steve Nelson, Brent Howard, David Bailey, and juniors Greg Cumming

unanswered goals after a plethora of "questionable calls" on the part of the officials. Then with less than five minutes to play, Teddy Webb headed-in the tying goal on a near perfect corner kick delivered by David Nelson. After 20 minutes of extended time, the game finished in a 3-3 draw. Both teams played brilliant soccer during this 100 minute battle. This game gave birth to a new rivalry that will last for years to come.

Manipulating the ball is a skill G. Cumming has mastered.

The Boy's JV Soccer team played their best game of the 2003 season at home, "under the lights," against Greene, before a huge crowd. Greene is known for having a fantastic soccer program. Branden O'Brian set the stage when he scored in the first 40 seconds of the game on a free-kick from 25 yards out from the goal. David Nelson scored about 15 minutes later to put BG up 2-nil. "The Boys" dominated the first half. However, Greene surged back in the second half and scored three

This years JV football team was a good example of what High School sports should be about; working hard toward a common goal, striving to improve, and never giving up. This young and inexperienced team gave bigger and more experienced teams an unexpected challenge early in the season. The Bears finished the season by winning 3 of their last 4 games. Their final game against the once beaten Sidney Warriors proved to be their best effort of the season. This victory featured the Bears stiny defense along with their pounding running game and quick strike passing attack. If these players continue to make progress as they have this past season, they will have a strong team in the future.

Academic All Star A. Smith with B. O'Reilly. Congrats!

The JV Volleyball team made a tremendous improvement this season. They grew together as a team and individuals. Our most consistant player: Christina Butcher. Most improved player: Sarah Donaldson. Most perservering: Rebecca Thomas. Most coachable: Sam Darling. Great job girls!

Great follow through S. McFee.

"Foul shots are my specialty" thinks S. Spalholz.

Warm-ups before games are taken seriously by M. Ives, M. Schaefer and L. Evans.

Coach Conway

This year's team was one of the hardest working teams I've ever had the pleasure to coach. Whether at practice or in a game they gave everything they had. More importantly these individuals were great people. They had respect for each other and for the game. The hard work and respect turned into success. We finished the season 14-4 overall and 10-0 in the division. Congratulations!!

"Down boy, down" chants J. Patten.

A trip to New York City, 14 players crowded into a minibus for 8 hours, to scrimmage Msgn. McClancy High School, who plays in the very competitive Catholic High School League, would have to be included in our highlights. Following the scrimmage the team was treated to the Pre-Season NIT at the famous Madison Square Garden, which featured Utah, U-Conn., Georgia Tech., and Texas Tech. This trip was a prediction of what the team was going to be. Despite traveling some 400 miles in very crowded conditions, and arriving home after 3:00 AM on Thanksgiving Eve, there was not a complaint to be heard.

The team was able to capture the MAC Division II Championship, facing off against U-V. Jamie Patten scoring 25 points and holding Tyler Lloyd to 9; Steve Nelson's 18 points, 16 rebounds and 5 blocked shots; and the dynamic duo of Travis Neidlinger and Bryan Evans contributing 10 points, the game was under control early with B-G defeating the Storm 67-49.

With 16 and 4 record B-G secured a 7 seed in the Section IV Class "C" Tournament and drew the number 10 seed Unadilla Valley. The game was to be the first in Section IV play for the Seniors and was also to be their last home game. Wanting to be remembered as a team that played hard, with honor and class, the Bobcats defeated the Storm for the third time, 65 - 55. Their next game was with the number 2 seed Tioga, playing a Triangle and Two, leaving B-G to score from the outside. The Bobcats were only able to make 9 three's in 39 attempts, and lost 75 - 53.

Following the last game, the team was able to reflect on their accomplishments. A MAC Division II Championship, a STOP/DWI 1 and 1 record, a great showing in the MAC Championship, a 9-1 Division II and 17-5 Overall record and most important the knowledge that they had "Played as Hard as They Could", and "As Well as They Could", for "As Long as They Could". With help of the parents and fans they "Won with Honor" and "Lost with Class". They were rewarded with the Sportsmanship Award and were second in Section IV with Scholar Athlete Team Award behind only Horseheads. The Seniors: Bryan [behind the back] Evans, Captain Brent [Mr. Assist] Howard, Travis [Mr. 6th Man] Neidlinger, Captain and All Around Player Steve Nelson, Matt Maddalone, Captain and 1000 point scorer Jamie Patten, and first time player John Winn; they have much to be proud of. The Underclassmen: Dustin Eldridge, Garrett Finch, Josh Hitchcock, Kyle Lanfair, Randy Lopez, David Nelson, Andy McFee, and Jon Walker; they have much to look forward to and live up to. Hopefully with some Off-season work the team will again be successful in 2004-2005.

Wrestling

Varsity

The BGA Bears had a fine 2003-2004 season. The Bears went 9-1 in duals only losing to Whitney Point by 2 points. Along the way, they captured the Division title for the 2nd year in a row. The team finished strong capturing both the MAC League and Section 4 Class B Tournaments, and also placing 2nd in the overall Section 4 Division 2 Tournament. At the Section 4 Tournament the Bears placed 9 wrestlers in the top 6. Taking 2nd was David Buchanan, 3rd went to Brian Smith, 4th went to Kris Stafford, 5th went to Cody Conpropst, and 6th went to Greg Conover, Travis Sohns, and Josh Miller. Tyler Mumbulo and Eric Decker took first and then a week later captured the New York State titles capping a great season.

Coach McNaught

Junior Varsity

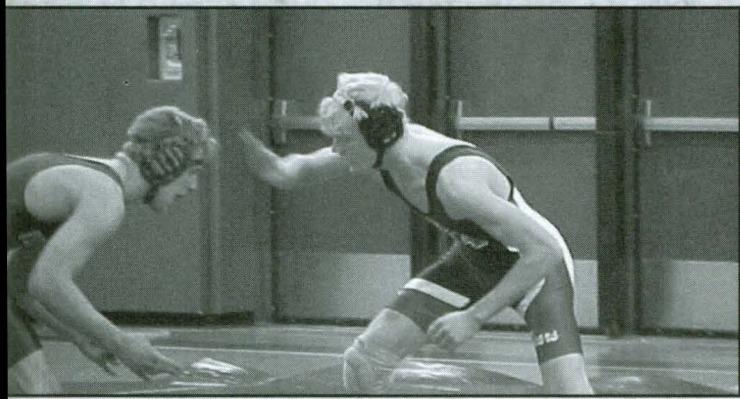

The BGA Junior Varsity wrestling team had an outstanding year. They finished the season with a 5-2 dual meet record. The team won the only tournament that kept team scores. Overall the team had 30 tournament finalists and 13 crowned Champion. Afton's Victor Coronado finished with a 16-4 record and was in the finals of every tournament. He was also champion at the Whitney Point Junior Varsity tourny.

Start To Finish

Surprise! M. Enck, sorry to interrupt your masterpiece.

"I just love playing this part" answers C. Miles.

"We sometimes prefer to just listen to music," conclude these juniors and seniors.

"No stage fright here," confidently concur T. McNerney and A. Bianchi.

"Playing the flute always reminds me of little birds sweetly singing," agree K. Kellogg and E. Clinton.

Music

Eighth grade students look forward to playing different instruments.

Tuning the guitar is A. Green.

"Let's get the beat," commands P. Holland to S. Butler and G. Feltham.

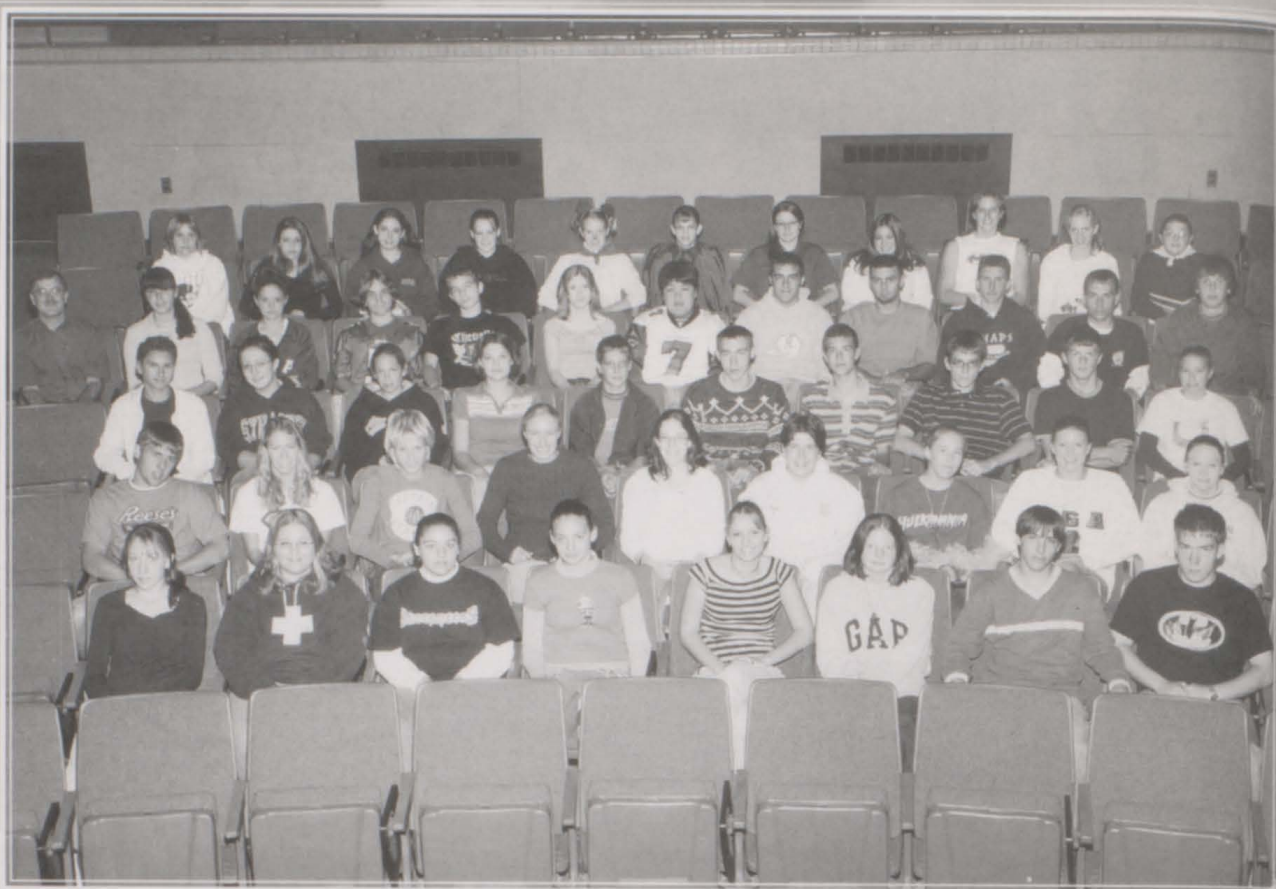

"So many decisions to make," contemplates M. Nelsen.

"la-la-la-la- exercising your vocal chords is most important" say A. Ferranto, B. Shirkey, and A. Holland.

New Visions

The purpose of me entering New Visions Allied Health program was to learn more in depth about the medical field. At the start of the year and program, I did not have a specific medical career that I was interested in. After experiencing many rotations within The Hospital, I found Radiology to be the most interesting and hope to further my education in this field in college. The main goal in participating in this program is to help students decide what medical field they would like to enter for their future careers. Without this program I would not have experienced all the aspects of the medical field, as well as discover what career fits me best. I feel more prepared for college and have a better sense of what to expect in the future, after completing the New Visions Allied Health program. I was required to write many papers and do a lot of research work but it paid off in the end, knowing how much more knowledge I have before entering college.

Stephanie Barber

I chose New Visions because it is a great hands on program. It gave me a good idea of what it will be like working in the health field. I am very happy that I chose to partake in the New Visions Allied Health Program.

Jessica Northrup

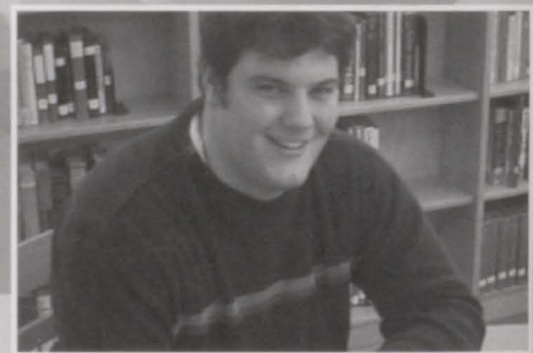

I chose to join New Visions because of my interest in Environmental Science. It's a great experience because you get to work with people working in the Agriculture and Environmental Science Fields, and learn more about what they do. Also, it allows for a great deal of hands on learning in the subjects that interest you most.

Julie Polasik

I chose New Visions because it gives me good hands on experience in the agricultural world. It has given me a good feeling for many different parts of the Agriculture and Environmental fields.

Sam Arotzky

New Visions Agriculture and Environment is a BOCES class that incorporates studies about the agricultural community in Chenango County with actual experiences. Unlike normal classes, we experience what we learned by shadowing people that do these things for a living. This has benefited me by giving me background experience in the field of study I wish to pursue in college.

Unique Career Placement

The Unique Career Placement program is an exciting option for high school seniors to work twelve and a half hours weekly with a mentor in a career of their choice. This special program is designed to provide the students with a chance to explore their future career goals.

This year we were fortunate enough to have five of our students be accepted into this program. Each individual student spends half of his or her day at his or her own self-interest worksite. Their worksites expand from working at a Radio Broadcasting station, to working for the Village of Bainbridge. As well as a Horse Trainer, an Elementary Teacher, and an Industrial Engineer. Though all these careers may seem far apart in the spectrum, every week these five students come together to share their thoughts and experiences they continuously gain through the program. This is a great program for students to get their feet wet in the extensive working field.

Ashley Smith

The Unique Career Placement program allows a student to be put in the actual workplace of your chosen career. The program really gives you a good look at the career that you may want to pursue later in life. The program gave me the opportunity to do an internship at an Oneonta radio station, which allowed me to get my feet wet in the radiobroadcasting field. Also when I apply for college, prior experience in my chosen field may help. The internship also helps me to get acquainted with a lot of the technical equipment use in radio. The program really lets you get hands-on experience at the workplace.

Greg Harmon

Unique Career Placement has offered me many insights to the world of work. I have realized things that I would have never thought of before. This is a hands on experience that I will never forget.

Start To Finish

Facing Graduations

Faces of old and faces of new,
People we know and people we knew.
Growing together then drifting apart,
Always an ending and now a new start.
At Graduation we all grow nearer
And all of our friends seem so much dearer.
And as we say our final goodbye,
One last embrace and one more cry,
A "keep in touch" and a "promise I will,"
A "remember when" but, better still,
A place in my heart, you'll always stay,
This is what's said as we go our own way.

Matching smile for smile are C. Shultz and E. Foster.

Colophon

Running on a "Start to Finish" theme, this year's yearbook encompasses digital photography technology with classic yearbook style. Through a collective decision, the theme this year reflects the path through which we all must follow in our Bainbridge-Guilford experience. Like a game board, we all must follow a set direction, but in the same way we find ourselves at the end. Our book, once again, has 144 pages, 16 of them are color. It was prepared on a Compaq computer using Pagemaker 7.0. Our Editors Amy Bianchi and Matt Henchey spent many hours battling with an antiquated computer. The computer won and Matt rescued the yearbook by using his home computer, many thanks. We will be saying goodbye to the core of our yearbook crew made up of graduating seniors. We all wish them the best of luck. We are the game.

A special dedication:

Mr. David Benedict passed away this year. His daughter Doddy was a member of the yearbook staff. Her father always saved all his bottles and cans for the yearbook club. Thank you Mr. Benedict for your generosity, you will be missed.
