

# SPARE PARTS PICTURE BOOK 2023

*Dear Business Partners,*

*Thank you for choosing Blowtherm USA for your OEM spare parts, which guarantee smooth operation and long life to Blowtherm equipment. In fact, the use of non-original components compromises the warranty of the product and, in any case, does not ensure product safety.*

*To our Authorized Distributors: We suggest keeping spare parts in stock, as per your experience, ensuring timely service to your/our Customers.*

*We'd like to remind you of the main supply conditions as follows:*

- *Standard crating is included for truck loads and FedEx.*
- *Reinforced crating for AIR or LCL deliveries is not included and is charged separately.*
- *Costs change according to the crating.*
- *Contact Blowtherm USA for current pricing and availability.*

*We wish you all the best for your business,*

*Blowtherm USA*
