

# Epson EB-G6900WU

The Epson EB-G6900WU professional installation Full HD projector is ideal for rental markets and digital signage. Important presentations and sales campaigns are delivered with rich, vivid colours - even in daylight. This is thanks to Epson's 3LCD technology, delivering an equally high White and Colour Light Output of 6,000 lumens, and a WUXGA resolution.

The Epson EB-G6900WU boasts superb picture quality, ensuring the best possible delivery of presentations. The Colour Uniformity function compensates for unequal colour distribution by adjusting the intensity of RGB on individual areas of the screen.

New and innovative presenting features include 'curved surface' and 'corner wall' correction for image projection onto uneven surface areas without distortion. The projector can also be rotated vertically by 360 degrees allowing image movement around the room.

Set-up and installation is simple and straightforward. User-friendly features include pixel alignment for setting up a clear and correctly aligned picture. Edge-blending enables the projection of a large, widescreen image from a number of projectors working together seamlessly. In addition, a powerful zoom lens, as well as manual vertical keystone correction and centred lens, make it easy to set-up in various positions without blurring or distortion.

With the HDMI input, users can connect a variety of high definition devices to play Full HD content. Five different devices can also be connected through the HD-BaseT input with a 100m cable. Frame Interpolation ensures video footage is sharper and images are clearer with smoother, more fluid screen movement.

For simpler integration with existing equipment, this model is also compatible with the Epson EB-G5 series lenses<sup>1</sup>.

## DATASHEET

## KEY FEATURES

- 6,000lm White and Colour Light Output
- WUXGA screen resolution
- Full HD 3LCD technology
- Project onto curves or into corners
- 360° vertical rotation of projection

EXCEED YOUR VISION

## PRODUCT SPECIFICATIONS

### TECHNOLOGY

Projection System	3LCD Technology, RGB liquid crystal shutter
LCD Panel	0,76 inch with C2 Fine

### IMAGE

Color Light Output	6.000 lumen - 5.000 lumen (economy)
White Light Output	6.000 lumen - 5.000 lumen (economy)
Resolution	WUXGA, 1920 x 1200, 16:10
Contrast Ratio	5.000 : 1
Lamp	380 W, 2.000 h durability, 4.000 h durability (economy mode)
Keystone Correction	Manual vertical: ± 30 °, Manual horizontal ± 30 °

### OPTICAL

Projection Ratio	1,26 - 2,30:1
Zoom	Manual, Factor: 1 - 1,8
Projection Size	50 inches - 300 inches
Projection Distance Wide	1,4 m - 8,4 m (50 inch screen)
Projection Distance Tele	2,5 m - 15 m (50 inch screen)
Projection Lens F Number	1,65 - 2,55
Focal Distance	21,28 mm - 37,94 mm
Focus	Manual

### CONNECTIVITY

Interfaces	RS-232C, Ethernet interface (100 Base-TX / 10 Base-T), HD-SDI, HDBaseT, VGA in, VGA out, HDMI in, Display Port, Composite in, BNC in, S-Video in, RGB out, Stereo mini jack audio out, Stereo mini jack audio in (4x), Cinch audio out
------------	--

### ADVANCED FEATURES

Security Features	Kensington lock, Security bar, Password lock
Video Color Modes	Direct Power on/off, Epson Cinema Filter, Frame interpolation, Freeze image, Instant on/off, Mute key, Network administration, Network image transmission, Quick Corner, Split-Screen-Function, Super resolution
	Dynamic, Natural, Photo, Presentation, sRGB, DICOM SIM, Customized

### GENERAL

Energy Use	542 W, 405 W (economy), 0,41 W (standby)
Product dimensions	505 x 382 x 144 mm (Width x Depth x Height)

### OTHER

Warranty	36 months Carry in or 15.000 h, Lamp: 36 months or 1.000 h
----------	--

## LOGISTICS INFORMATION

SKU	V11H514040
Barcode	8715946513942
Dimensions Single Carton	517 x 342 x 196 mm
Carton Weight	5,51 Kg
Multiple Order Quantity	6 Units
Country of Origin	Multiple country of origin
Pallet Size Euro	7 Units (1 x 7)
